John Derral Hargroder, 2005-01-11 *Love Always* US54607898 is not a novel it is the telling of a true story through a soldier's letters home to his wife This book is the compilation of the letters John Derral Hargroder US54607898 wrote to his wife during his tour of duty in Vietnam beginning in April 68 The setting of this true story is war but the focus is life and relates how a relationship endures through such difficult times Unlike more recent wars the war in Vietnam took place in a time when letters were the only means of communicating with loved ones back home People relied on these letters waited for these letters lived for these letters and that is what *Love Always* is the collection of those cherished letters Step into the role of the wife receiving those treasured letters and you will experience the life of a soldier as he deals not only with life in the jungle but also with the boredom and frustration of base camp Moreover not only will you undergo his experiences but also the indescribable constant worry of the lonesome wife back at home who has to continue on with life *Love Always* is not just a war story it's not just a love story it is a story about life and how it goes on even through war It has it all religion fear financial matters politics drugs love and boredom all in the arena of war *Love Always* John Charles Corrigan, 2020-11-06

It started with a worrisome lump in Donna's neck It was May 2017 At the time John and Donna Corrigan were looking forward to the publication of John's debut non-fiction title about the Red Knight John had spent twenty-four years doing meticulous research on the Royal Canadian Air Force's legendary solo aerobatic jet performer But suddenly that lump plunged the couple into a race for a diagnosis and prayers for an effective treatment *Love Always* chronicles the many efforts and lessons learned on a journey that consumed the Corrigans for eighteen months During that period Donna endured two rounds of chemotherapy a radical mastectomy and twenty-five radiation treatments followed by more radiation before she finally succumbed to Triple Negative Breast Cancer (TNBC) a rare and aggressive form of the disease Written with the hope of helping others on their breast cancer journey *Love Always* lays out the challenges and hopes for couples and families facing a potentially terminal breast cancer diagnosis It isn't pretty but it shows there is a community of loving support from family friends health care professionals and even strangers making it possible to move through the bleakest of times with love hope and the knowledge that we are never alone <http://www.facebook.com/booksbyjohncharlescorrigan> **"With Love, Always"**

Love and Compatibility of Zodiac Signs Alina A. Rubi and Angeline A. Rubi, 2023-02-20. Love touching and inspiring, complex and challenging, always full of extraordinary moments and also confusion, passion, and anxiety, but above all of many slips. Really, sometimes there are so many love disappointments that we are left wondering if love is really worth it. And if we had the chance to travel back in time, we would rewrite some pages of our life to act differently and avoid some of those unhappy moments. Never forget to love because to fall in love is to embrace life, enjoy every moment, and have the conviction that we are creators. For that reason, in this book, through astrology, you can learn how the different signs of the zodiac are related and how they are projected in love.

**Defining Love** Rod Charles, 1901. Recently I was thinking of a way to define love. I will use a visual illustration to look at love. There are many different inaccurate uses of the word love as it applies to the material world. From the heartfelt love, I see that there are two ways to define love. One: To fill a void in our lonely lives, we find a kind of love that I refer to as a superficial love. To illustrate this, I will use a glass of water. Once the water is consumed, the glass is empty, as is life, and the lonely heart returns to find another.

glass of water That is why the divorce rate in the world is so high This kind of love is very definable as you can see Two Again I will use the same glass of water to illustrate this second kind of love The glass is full of water as before however when the water is consumed the glass is still full It does not matter how much water is consumed the glass remains full there is no way to explain or define the reason why this phenomenon exists It is a kind of meaningful everlasting love You can live this love through the deep feelings from an unknown source within our hearts and our inner beauty Inner beauty is defined as living life from the heart These deep feelings of love remain undefinable We feel this love but we will never know why and we really do not need to know why This love is just there and all the relationships last until death do us part For centuries philosophers sages and countless other individuals have tried to define these inner unknowing feelings of love All efforts have failed and will continue to fail for as long as time exists These words I have written here I hope will inspire the readers to look at life a little differently

*Living a Life You Love* Joyce Meyer, 2018-04-03 You may say that you love your family your spouse your church or the Lord You may also express love for more temporal things like a good cup of coffee your home or a nice dinner at your favorite restaurant But it is rarer to truly say I love my life It is common to be more frustrated with life than at peace with it because the daily grind wears you down Responsibilities and burdens become heavy and rob you of the happiness you are meant to have as a child of God But you can be hopeful learn to rise above your challenges and be filled with wonder at what God might do every day Written by 1 New York Times bestselling author Joyce Meyer who has gone from heartache to happiness through Christ this book is the key to shifting your perspective so that you may also relish every moment and every part of life You will learn how to love life fully in spite of your obstacles and experience the happiness that is promised to you Joyce will explain Why you can't love life unless love is the central theme of it Why your attitude affects your life more than any outside circumstances How the love help and kindness you give away will come back to you immeasurably How to look to the future and keep your joy And so much more God has already blessed you with a life to love and it is time to start LIVING A LIFE YOU LOVE

**Self Love Mantra** Arun Gupta, 2020-12-17 Self Love Love Yourself Like never before The process of cultivating self love is slow requiring patience and commitment to create an empowering inner dialogue You carry around with you loads of negative beliefs I am not good enough or I have issues with my looks or with my body and similar ones By exposing your so called imperfections you look for people who speak the same language thus reinforcing your beliefs Imperfections make you unique and perfect Embrace the wholeness of who you are and personify goodness by just your presence To accept yourself who you really are means to embody your strengths and limitations your shadow self It is true recognition that you are already worthy irrespective of your limitations In his book I have tried to cover every aspect of self love where you can build yourself to be loved by you and others
