Love Analyzed:

Love Analyzed Roger Lamb, 2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship In this collection of new essays in philosophical and moral psychology philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis erotic love Also included is one previously published paper by Martha Nussbaum Among the problems discussed are the role that qualities of the beloved play in love the so called union theory of love intentionality and autonomy in love and traditional issues surrounding jealousy and morality

Love's Philosophy Richard White, 2001-10-09 Love comes in many forms and touches all our lives and despite its changing history it remains constant in human experience Love's Philosophy explores the basic expressions of love In this book White looks at friendship romance parenthood and humanitarian love in classical and contemporary perspective He argues that the philosophical oblivion of love has been a mistake By examining both the historical and contemporary formations of love he proposes alternative models to guide both our thinking and our experience of loving

[Love's Vision](#) Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern

The Moral Psychology of Love Arina Pismenny, Berit Brogaard, 2022-03-28 Under what circumstances can love generate moral reasons for action Are there morally appropriate ways to love Can an occurrence of love or a failure to love constitute a moral failure Is it better to love morally good people This volume explores the moral dimensions of love through the lenses of political philosophy psychology and neuroscience It attempts to discern how various social norms affect our experience and understanding of love how love relates to other affective states such as emotions and desires and how love influences and is influenced by reason What love is affects what love ought to be Conversely our ideas of what love ought to be partly determined by our conception of what love is

Missionary of Reconciliation Alfred Olwa, 2013-11-30 Missionary of Reconciliation The Role of the Doctrine of Reconciliation in the Preaching of Festo Kivengere of Uganda 1971 1988 Alfred Olwa Sydney Australia In the period 1971 1988 the Christian doctrine of reconciliation was central to Festo Kivengere s preaching in Uganda and beyond This doctrine so gripped Kivengere that it shaped his attitude to life to others and even to his enemies He exhorted his audiences to be reconciled with God and then with their fellow human beings as part of God s remedy for a broken world In his preaching Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life characterized by the reconciling love and peace from God He preached the Christian doctrine of reconciliation into a Uganda where Christians lived under the horrors of Amin s rule and its aftermath According to Kivengere the world changes through the preaching of the reconciliation centered in Jesus Christ

Lovers in Essence Sharon Krishek, 2022 Romantic love is a defining phenomenon in human existence and an object of heightened interest for literature art popular culture and psychology But what is romantic love and why is it typically experienced as so significant to our existence Using central ideas from the philosophy of S ren Kierkegaard as well as engaging with contemporary discussions in the philosophy of love this book explores the nature of romantic love and philosophically substantiates its meaningfulness to an individual s life It does so by developing a connection between love and selfhood here explained in terms of one s distinct individuality To be a self it is claimed is to possess a name that is an individual essence Further the book argues it is when we love that we regard people by their names we respond to who they truly are Accordingly the idea anchoring the book is that love is a correspondence

between essences if Jane loves Edward she responds to him being who he is by virtue of her being who she is The conception of being thus correspondent has important implications as to the moral and spiritual value of romantic love Relying on Kierkegaard's analysis of the self of faith and of love even if sometimes in a way that departs from Kierkegaard's explicit position the book explores these implications By doing this it construes romantic love as a desirable phenomenon emotionally morally and spiritually *The Congregationalist*, 1919

Relational Transactional Analysis Heather Fowlie, Charlotte Sills, 2018-06-14 Through different voices and styles of contributions including papers edited talks and panel discussion this collection explores and applies the principles of relational transactional analysis It sets them in social cultural and political contexts and considers a number of important implications of this particular relational turn in psychotherapy The book advances relational transactional analyses and in doing so reflects the creativity and vibrancy of contemporary TA The editors have skilfully brought together different generations of TA practitioners in an accessible and stimulating volume I commend the editors and highly recommend the book Dr Keith Tudor author of a number of books and co author of the article Co creative transactional analysis in the Transactional Analysis Journal He is Associate Professor Auckland University of Technology Auckland Aotearoa New Zealand

The Gospel of Peace in a Violent World Shawn Graves, Marlena Graves, 2022-08-16 The gospel of Jesus Christ is the good news of peace Gathering contributions from theologians pastors and practitioners Shawn Graves and Marlena Graves cast a vision of Christian nonviolence in today's world not only responding to the realities of war but also offering a deeper understanding of peace a holistic shalom

Quantitative Literary Analysis of the Works of Aphra Behn Laura L. Runge, 2023-05-09 Aphra Behn 1640 1689 prolific and popular playwright poet novelist translator has a fascinating and extensive corpus of literature that plays a key role in literary history Quantitative Literary Analysis of the Works of Aphra Behn Words of Passion offers what no book has done to date an analysis of all Behn's literary output It examines the author's use of words in terms of frequencies and distributions and stacks the words in context to read Behn's word usage synchronically Using this experimental method the book brings digital humanities into literary criticism to enhance our understanding and appreciation of literature beyond what is possible in diachronic reading and scholarship less supported by digital means The empirical approach works in collaboration with existing scholarship to understand Behn's distinct language of love and extreme passions across her genres

Autonomy, Gender, Politics Marilyn Friedman,2003-01-09 Women have historically been prevented from living autonomously by systematic injustice subordination and oppression The lingering effects of these practices have prompted many feminists to view autonomy with suspicion Here Marilyn Friedman defends the ideal of feminist autonomy In her eyes behavior is autonomous if it accords with the wants cares values or commitments that the actor has reaffirmed and is able to sustain in the face of opposition By her account autonomy is socially grounded yet also individualizing and sometimes socially disruptive qualities that can be ultimately advantageous for women Friedman applies the concept of autonomy to domains of special interest to women She defends the importance of autonomy in romantic love considers how social institutions should respond to women who choose to remain in abusive relationships and argues that liberal societies should tolerate minority cultural practices that violate women s rights so long as the women in question have chosen autonomously to live according to those practices **New Philosophical Essays on Love and Loving** Simon Cushing,2021-09-20 New philosophical

essays on love by a diverse group of international scholars Topics include contributions to the ongoing debate on whether love is arational or if there are reasons for love and if so what kind the kinds of love there may be between humans and artificial intelligences between non human animals and humans whether love can explain the difference between nationalism and patriotism whether love is an necessary component of truly seeing others and the world whether love like free will is fragile and may not survive in a deterministic world and whether or not love is actually a good thing or may instead be a force opposed to morality Key philosophers discussed include Immanuel Kant Iris Murdoch Bernard Williams Harry Frankfurt J David Velleman Niko Kolodny Thomas Hurka Bennett Helm Alfred Mele and Derk Pereboom Essays also touch on the treatment of love in literature and popular culture from Graham Greene s *The End of the Affair* to Spike Jonze s movie her

Love Analyzed Introduction

In the digital age, access to information has become easier than ever before. The ability to download Love Analyzed has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love Analyzed has opened up a world of possibilities. Downloading Love Analyzed provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love Analyzed has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love Analyzed. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love Analyzed. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love Analyzed, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love Analyzed has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
