*Love and War 2* Latoya Nicole, 2020-09-29 At the end of *Love and War* readers were left wondering if the Hoover gang would be able to reign supreme or if they would fall at the hands of the women who were supposed to have their backs Now what should be the happiest day of one s life has turned into the worst It is literally a wedding to die for and Hoover brothers Quick Shadow and Babyface are awaiting news of Blaze s fate Quick blames himself for everything that has happened He still has to deal with the dirty cops trying to infiltrate their circle Will he be able to hold it together as everything around him falls apart Shadow and his brothers tear up the city of Chicago looking for the ones responsible What he doesn t know is the one closest to him is their biggest enemy Babyface was always the laid back brother but now he has to turn into the savage he never wanted to be As he steps into a life he wanted to leave behind to save his family will he push away the only girl to steal his heart Everything done in the dark must come to the light but when it does will the Hoover gang be able to overcome all the secrets deceit and greed Who will come out on top in this battle of love and war

down when Tom the younger decides to join the Republican cause in the bloody war in Spain His older fervently Catholic brother Jamie soon follows but as a reporter for the opposing forces that support General Franco in keeping Spain rigidly authoritarian with the help of both Hitler and Mussolini Lucy decides the only way to ensure the brothers safety is to defy her father and travel to Spain herself and persuade them to come home Yet when she sees the horrific effects of the war on the people especially the children she quickly joins the lifesaving work of the Quaker volunteers who have arrived from almost as many countries as have the International Brigades of fighters Lucy knows that both brothers are in love with her she herself is deeply torn between them The atrocities and casualties mount and Lucy knows that the question of which man she might spend her life with might be irrelevant as the chances of either of them surviving diminish with every passing day This meticulously researched deeply affecting novel is based on real memoirs of the Spanish Civil War It is both a love story and a tribute to the remarkable women who fought with compassion and bravery to save the innocent victims of a war that was a foretaste of the carnage soon to come in World War II
