Love As Passion:

Reality, Religion, and Passion Jessica Frazier, 2009-01-16 The problem of radical doubt has threatened the commitment to ultimate truth in many cultures and periods In *Reality Religion and Passion* Jessica Frazier compares two thinkers who sought to restore philosophy's passion for truth in cultures threatened by the dispassion of radical doubt In these complementary but divergent philosophies from Europe and India each grounded in a transcendental metaphysics that sees consciousness as the basis of reality two different ethics of vitality and passion take shape Frazier shows how Heidegger's heir Hans Georg Gadamer uses metaphysical insights borrowed from Plato Aristotle Hegel and Heidegger as the ground for an ethics of play which casts a uniquely positive light on the finitude and flux of the postmodern world view Complementing this continental European position the work of Rupa Goswami a poet theologian of early modern India develops a similar analysis of phenomenal reality into a philosophy not of play but of passion From Gadamer's philosophers and poets to Goswami's amorous goddess Radha both visions see salvation in a renewed passion for truth This journey toward a viable philosophy of life touches on a range of debates in Western philosophy and Indian religion including the nature of philosophical and religious truths the perceived goals of philosophy the history of emotion in reason and religion and the development of phenomenological accounts of subjectivity It establishes a model for comparative philosophical methodology and aims to contribute to a multicultural history of religious and philosophical reasoning Above all this book addresses Badiou's challenge to rediscover the passion of the real and Heidegger's injunction to all thinkers to seek the word that is able to call one to faith **Passion and Criminality** Louis Proal, 1905 **Romantic Passion** William Jankowiak, William R. Jankowiak, 1997-02-13 Observers from the West the book contends have incorrectly projected rigid ethnocentric notions of love and marriage onto cultures around the world Contributors look beyond each society's official institutions to explore expressions of love offering new perspectives on arranged marriages and polygamy and reexamining as well the other side of the equation rejection and grief **The Passion Translation New Testament Masterpiece Edition (2020 edition)** Brian Simmons, Cheryl Ricker, 2021-11-02 Encounter the Heart of God The Passion Translation is a modern easy to read Bible translation that unlocks the passion of God's heart and expresses his fiery love merging emotion and life changing truth The Masterpiece Edition of this translation includes 60 inspiring devotions penned by author Cheryl Ricker and 60 breathtaking illustrations from the hand of artist Ron DiCianni This Bible will evoke an overwhelming response in every reader unfolding the deep mysteries of the Scriptures If you are hungry for God The Passion Translation will help you encounter his heart and know him more intimately Fall in love with God all over again **NEW FEATURES** Over 1000 new and revised in depth footnotes with insightful study notes commentary word studies cross references and alternate translations Updated text 16 pages of full color maps locating and identifying o Jesus birth early years ministry and last days o major New Testament stories and their political backgrounds o epic journeys and missions of the apostles Paul Philip and Peter o the early church

and seven churches of Revelation o the territory of the Roman Empire o the Holy Land today and in the time of Jesus **A Love for Nothingness, A Love for Death** Alberto Castelli, 2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder The Oxford Handbook of Creativity, Innovation, and Entrepreneurship Jing Zhou, 2015-04-15 Research based investigations of creativity innovation and entrepreneurship have the potential to inform each other and enrich our knowledge of each of these areas particularly with regard to cognitive processes and effective behaviors Yet while these research streams have increasingly received a great deal of attention they have developed largely independently of one another The Oxford Handbook of Creativity Innovation and Entrepreneurship addresses the critical need to integrate these three interrelated literatures The handbook features contributions from the leading scholars in these research areas As a group the chapters examine the intersections of these topics to synthesize contemporary research and provide direction and stimulation for further interdisciplinary investigations of organizational creativity innovation and entrepreneurship *The Legacy of Passion* Geri G. Cole, 2012-08-31 HE LICKED THE SPOON AFTER DIPPING IT INTO A JAR OF PEANUT BUTTER AND I QUICKLY WARNED HIM DONT PUT THE SPOON BACK INTO THE JAR HE ANSWERED QUIETLY IT WOULD BE NO DIFFERENT THAN KISSING YOU MY HEART POUNDED I CAUGHT MY BREATH SCENE IT WAS IN THE MIDDLE OF THE BOOKING DESK AT THE TAMPA POLICE STATION THEY WERE THE FIRST WORDS WE HAD EXCHANGED AND ILL NEVER FORGET THEM I KNEW YOU WANTED ME TO KISS YOU HE WHISPERED THAT WAS A MEMORY OF OVER FORTY YEARS AGO WE WERE SITTING QUIETLY ONE EVENING SHARING SOME OF THOSE EARLY MEMORIES OF THE MANY PASSIONATE

DAYS AND NIGHTS SO LONG AGO LIKE A CHILD WHO SAY S READ IT AGAIN OR TELL ME AGAIN I LOVED TO LISTEN TO THOSE MEMORIES REPEATED OVER AND OVER BUT THAT WAS THE FIRST TIME THAT HE REVEALED TO ME THAT HE KNEW THAT PASSION IN MY SPIRIT WAS LONGING FOR HIS LIPS TO TOUCH MINE **New Zealand Verse** William Frederick Alexander,1906

Overcoming the Exploitation of Passion in Videogame Labor Joshua Jackson,2023-02-06
Overcoming the Exploitation of Passion in Videogame Labor Playing with Passion examines the intersection of passion precarity and collocation to pinpoint where and how interventions can be made towards better working conditions Jackson contends that videogames and passion are inextricably linked and explores this intrinsic link where passion is expected and valorized be it in the context of play work or culture Passion Jackson argues is the connective tissue that sews together the shared experiences that people all over the world will undertake through videogames including winning close matches experiencing new worlds and forging new friendships This book interrogates the outcomes of labor videogames and passion colliding work and play become inextricably linked and suddenly a passion for games becomes an insistent and expected passion for work This Jackson ultimately posits leads to the current reality of much of the videogame production industry where passion is used as a workplace policing tool and a way to push workers to periods of extended work or crunch periods Through theorizations regarding passion bodies assembly and assemblage this text wrestles with what can be done to manifest real change in the videogame industry Scholars of media studies technology and labor studies will find this book of particular interest *Kierkegaard's God and the Good Life* Stephen Minister,J. Aaron Simmons,Michael Strawser,2017-09-11 Collected critical essays analyzing Kierkegaard s work in regards to theology and social moral thought Kierkegaard s God and the Good Life focuses on faith and love two central topics in Kierkegaard s writings to grapple with complex questions at the intersection of religion and ethics Here leading scholars reflect on Kierkegaard s understanding of God the religious life and what it means to exist ethically The contributors then shift to psychology hope knowledge and the emotions as they offer critical and constructive readings for contemporary philosophical debates in the philosophy of religion moral philosophy and epistemology Together they show how Kierkegaard continues to be an important resource for understandings of religious existence public discourse social life and how to live virtuously All in all the editors of this volume have put together a thoughtful and sometimes provocative collection of essays by a number of Kierkegaard scholars and philosophers for the reader s consideration The volume undoubtedly makes a contribution to contemporary philosophical debates in the philosophy of religion moral philosophy and epistemology especially with regard to the importance of faith and love for leading a good and meaningful human life International Journal for Philosophy of Religion Invites the reader to think anew about what Kierkegaard was saying and what we can learn from him in the context of our time particularly what it means to become a Christian in terms of the moral task of love and living a life worthy of a human being Sylvia Walsh translator of Kierkegaard s Discourses at the Communion on Fridays BOUND BY PASSION Brenda Jackson,2022-03-11
