

JOHN B. KEANE

The background is a complex collage. At the top, a dark blue banner contains the author's name in large, yellow, serif capital letters. Below this, a fountain pen with a black barrel and a silver nib is positioned diagonally across the center. To the left of the pen, there is a map showing a coastline. A red ribbon is draped across the lower left. In the bottom right, a small, tilted sign reads 'GRAND MARQUEE DANCE Tonight!'. The overall aesthetic is vintage and artistic.

T'aejun Yi, 2018-04-24 Yi T'aejun was one of twentieth century Korea's true masters of the short story and a man who in 1946 stunned his contemporaries by moving to the Soviet occupied northern zone of his country In South Korea where he is known today as one who went north Yi's work was banned until 1988 His momentous decision did not lead him to a safe haven however though initially welcomed into the literary establishment North Korea sent him into internal exile in the 1950s and little is known of his fate *Dust and Other Stories* offers a selection of Yi's stories across time and place showcasing a superb stylist caught up in the midst of his era's most urgent ideological and aesthetic divides This collection unites his earlier modernist masterpieces from the colonial era with his little known work penned during North Korea's founding years offering a rare glimpse into the making and crossing of the border between south and north During the turbulent final years of Japanese rule Yi's elegant yet subdued stories championed both his native tongue and the belief in the capacity of art In the heavily politicized environment of the North his later works maintain a faith in the art of storytelling and a concern for the disappearance of customs in the throes of modernization Throughout both eras Yi focused on ordinary people old men struggling to understand a changing world lovers meeting up among ancient ruins a lively widow targeted by a literacy

campaign a bourgeois couple trying to sustain themselves during the war by breeding rabbits and more Magnificently translated by Janet Poole Yi s work bears witness to global turmoil with a melancholic sense of enduring beauty **The jealousies of a country town.
