Love Celibacy And The Inner Marriage

Mary Wolff-Salin

Love Celibacy And The Inner Marriage:

Love, Celibacy and the Inner Marriage John P. Dourley, 1987 The author of *The Illness That We Are* and *The Psyche as Sacrament* shows that without a deeply compassionate relationship to our own soul we cannot realize the full extent of our ability to love either our intimates or God *Love, Celibacy and the Inner Marriage* John Dourley, C.G. Jung Society of Ottawa, 1983* **Love: Bondage or Liberation?** Deirdre Johnson, 2018-03-26 Much has been written about the function of falling in love in the course of therapy itself This book has a much broader aim The author a Jungian analyst and psychotherapy trainer uses her teaching and clinical experience to illuminate the whole range of this near universal human experience How and why does falling in love affect us so profoundly How can it enhance who we are or must it ultimately fade without lasting value The author argues that the many valuable studies by psychoanalysts relational psychologists anthropologists neuroscientists and philosophers have all made valuable contributions and uses these to highlight and explore the many values and dangers inherent in passionate love However she claims that a more holistic approach is required to show how these various accounts can be seen as complementary rather than competing and can be accommodated within an overarching view of the integration of the human being in its heights and depths **The World Is a Waiting Lover** Trebbe Johnson, 2011-02-08 Johnson explores the concept of the Beloved the elusive alluring force that beckons us forth to passionate engagement with the world and shows how our sense of love is often linked to something far greater than ourselves She explains that mistaking a human lover for the inner eternal Beloved is the first step in any romance yet the ability to distinguish between the two ultimately holds the key to our quest for personal freedom and fulfillment Steeped in Western and Eastern myth and romantic imagery *The World is a Waiting Lover* guides us through story and thought in order to discover passion Eros and our authentic selves It is a personal story and at the same time an invitation to explore our individual yearnings to live with fearless authenticity as we find more passion and meaning in our work relationships and view of the future *College Cloisters - Married Bachelors* Bridget Duckenfield, 2014-07-03 Using archival material and many unpublished sources this work traces the origins of Oxford and Cambridge University colleges as places of learning founded from the thirteenth century for unmarried men who were required to take vows of poverty chastity and obedience the majority of whom trained for the priesthood The process reveals how the isolated monk like existence was gradually transformed from the idea of married Fellows at University Colleges being considered absurd into considering it absurd not to allow Fellows to marry and keep their fellowships and therefore their income This book shows how the Church was accepted as an essential element in society with university trained Churchmen becoming influential in Crown government and State As part of the cataclysmic change from Catholic to Protestant religion Edward VI and his Council permitted priests to marry partly to declare their allegiance to the new Protestant religion and their rejection of the old However within the university colleges the rule that Fellows would lose their fellowships immediately on marriage was

insisted upon Why a group of individuals were instructed to remain set in a medieval monastic way of life within a nineteenth century institution is traced in conjunction with how anomalies arose were absorbed accepted or challenged by a few courageous individuals prior to bringing about the ultimate change to the statutes in 1882 In God's Shadow Ann Conrad Lammers,1994 For years world famous psychologist C G Jung and British theologian Victor White author of God and the Unconscious engaged in a lively correspondence Now Anne Conrad Lammers examines the highly illuminating friendship and dialogue between these two men providing particularly valuable insights into Jung s attitude toward theology Psychology of Sexuality & Mental Health Vol. 1 Naveen Pant,2024-03-30 This book focuses on indigenous and Indian concepts of sexuality exploring its psychology and its relationship with mental health Through theoretical review exploratory and mixed approaches the book delves into common fields of thought regarding indigenous sexuality which relate to psychology and mental health In the first section of the book Psychology of Sexuality Indigenous Approaches the book discusses various indigenous aspects of sexuality such as Indian indigenous Hindu and Buddhist The second section of the book Indigenous Psychology of Sexuality and Mental Health discusses indigenous aspects combined with sexuality and mental health **An Introduction to the Collected Works of C. G. Jung** Clifford Mayes,2016-03-24 An Introduction to the Collected Works of C G Jung Psyche as Spirit offers a concise and engaging overview of Jung s work and contributions to the field of psychology Mayes first examines Jung s philosophical influences as well as his work and eventual break with Sigmund Freud providing insights into how these experiences shaped Jung s theory Mayes brings into focus the major concepts and themes explored in Carl Gustav Jung s Collected Works including the ego Self Axis archetypes personality types and the Collective Unconscious presenting a thorough introduction and a valuable resource for both Jungian students as well as Jungian scholars Jung and the Jungians on Myth Steven F. Walker,2002 In this book Steven Walker carefully leads the reader through the fundamentals of the psychology that underlies Jung s theory of myth He defines key terms and distinguishes dream from fantasy in psychological experience He then traces the lineage of Jungian theory from Jung through such disciples as Van Franz and Neumann to contemporary archetypal psychology By applying Jungian psychology to an array of myths to illustrate core concepts of this theoretical tradition Walker fills a conspicuous gap in the current literature on Jung from back cover

The Religious Function of the Psyche Lionel Corbett,2002-01-04 Traditional concepts of God are no longer tenable for many people who nevertheless experience a strong sense of the sacred in their lives The Religious Function of the Psyche offers a psychological model for the understanding of such experience using the language and interpretive methods of depth psychology particularly those of C G Jung and psychoanalytic self psychology The problems of evil and suffering and the notion of human development as an incarnation of spirit are dealt with by means of a religious approach to the psyche that can be brought easily into psychotherapeutic practice and applied by the individual in everyday life The book offers an alternative approach to spirituality as well as providing an introduction to Jung and religion *Journey Into Depth* Mary

Wolff-Salin,2005 *Journey into Depth* is about the experience of initiation as it plays itself out in two domains the monastic and the training to become a Jungian psychoanalyst The very disparateness of these fields from an external point of view highlights the deeper level of similarity in their initiatory experiences A few major anthropological guidelines concerning initiation provide a framework of reflection as to what is really going on when a person passes through this kind of adult rite of passage Conclusions as to the human importance of such experiences follow with special emphasis on their spiritual consequences in terms of growth BOOK JACKET

Dreaming about the Divine Bonnelle Lewis Strickling,2012-02-01 In *Dreaming about the Divine* Bonnelle Lewis Strickling argues that people dream about the divine in forms that fit their current emotional and spiritual condition Using Jungian psychology and the philosophy of Karl Jaspers Strickling contends that dreams about the divine occur in the context of existential issues psychic and emotional crises which open us to the experience of the divine She concludes that working with dreams of the divine can be spiritually psychically and emotionally helpful both to people who are engaged in a spiritual search and also to people who are already committed to a spiritual tradition

Thresholds and Pathways Between Jung and Lacan Ann Casement,Phil Goss,Dany Nobus,2020-10-12 This groundbreaking book was seeded by the first ever joint Jung Lacan conference on the notion of the sublime held at Cambridge England against the backdrop of the 100th anniversary of the outbreak of the Great War It provides a fascinating range of in depth psychological perspectives on aspects of creativity and destruction inherent in the monstrous awe inspiring sublime The chapters include some of the outcrop of academic and clinical papers given at this conference with the addition of new contributions that explore similarities and differences between Jungian and Lacanian thinking on key topics such as language and linguistics literature religion self and subject science mathematics and philosophy The overall objective of this vitalizing volume is the development and dissemination of new ideas that will be of interest to practising psychoanalysts psychotherapists and academics in the field as well as to all those who are captivated by the still revolutionary thinking of Jung and Lacan

Celibacy and Soul Susan J. Pollard,2015-01-15 *Celibacy and Soul* Exploring the Depths of Chastity is for women and men who have chosen to live into celibate chastity It is also for those people who live celibate love and though not vowed to a religious calling know the way of celibate love as their path You may find yourself celibate not by choice or you may hope it is a temporary stage Perhaps life interrupted your plans with the death of a loved one the loss of a relationship the situation of illness the trauma of abuse or you simply didn't settle with the desired partner and you want to find meaning in your life as a celibate person *Celibacy and Soul* is also useful for those in the helping professions as the work of a therapist asks a celibate kind of loving that can be catalyst for change in both clients and practitioners

Jung and the Jungians on Myth Steven Walker,2014-04-08 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

On Behalf of the Mystical Fool John P. Dourley,2009-09-30 Jung's explanation of the religious tendency of the psyche addresses many sides of the contemporary debate on religion and the role that it has in individual and social life

This book discusses the emergence of a new mythic consciousness and details ways in which this consciousness supersedes traditional concepts of religion to provide a spirituality of more universal inclusion. On Behalf of the Mystical Fool examines Jung's critique of traditional western religion demonstrating the negative consequences of religious and political collective unconsciousness and their consequent social irresponsibility in today's culture. The book concludes by suggesting that a new religiosity and spirituality is currently emerging in the West based on the individual's access to the sense of ultimacy residual in the psyche and seeking expression in a myth of a much wider compass. This book will be of interest to scholars and students at all levels who are engaged in the expanding field of Jungian studies. It will also be key reading for anyone interested in the theoretical and therapeutic connections between the psyche and religious experience. *A Strategy for a Loss of Faith* John P. Dourley, 1992. The author: If the values of Jung's good news are to be realized the religious horsemen of death must first be faced. Jung fingers them. They are faith, hope and charity clothed in religious or political certitude. **C.G. Jung and the Humanities** Karin Barnaby, Pellegrino D'Acierno, 2017-03-14. C.G. Jung has been and continues to be a pervasive yet often unacknowledged presence in twentieth century art and intellectual life. This timely volume is the first comprehensive attempt to assess this presence and to demonstrate Jung's far-reaching cultural impact. The distinguished contributors represent a number of views from traditional Jungian to the most contemporary post-Jungian stances including feminist, non-Jungian and anti-Jungian positions. Jung as seen in this volume addresses a wide range of contemporary issues related to creativity, gender, religion, popular culture and hermeneutics. The essays reveal dimensions of his work that extend far beyond psychoanalytical theory and that show his hermeneutics to be a much more subtle and sophisticated methodology than previously allowed by his critics. This methodology appears in fact to have anticipated significant aspects of contemporary critical principles and practice. The contributors to the volume were among the participants in a major international conference sponsored by Hofstra University and the C.G. Jung Foundation of New York held in 1986 at Hofstra University. They include Thomas Belmonte, Robert Bly, Joseph Campbell, Edward S. Casey, Stanley Diamond, Jean Erdman, Leslie Fiedler, James Hillman, Paul Kugler, Ibram Lassaw, Neil Levine, David L. Miller, Lucio Pozzi, Gilles Quispel, Robert Richenburg, Carol Schreier, Rupprecht, Andrew Samuels, Harold Schechter and June Singer. Originally published in 1990, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. *Circling to the Center* Susan Tiberghien, 2019-11-07. A luminous spiritual memoir inviting the reader to the practice of silent prayer. Rooted in her Judeo-Christian tradition, the author welcomes the wisdom of other traditions and calls us to embrace our shared humanity. In this 20th Anniversary Edition, Tiberghien writes an Afterword to update her

journey opening the confines of her own darkness and finding atonement in the natural world and in the presence of Sophia the hidden wholeness of creation **The Diocesan Priest** David Bohr, 2009-07-01 In a robust and engaging manner David Bohr offers us a thorough review and timely reanalysis of the Catholic diocesan priesthood Biblical historical and sacramental voices dialogue with the relevant documents of the Second Vatican Council other papal pronouncements and the perspectives of some of the major commentators on the state of the Catholic priesthood today Clergy and laity alike will find in Bohr's models of priestly ministry and the topics of consecration mission and celibacy a flash point reigniting the discussion of the past present and future of the Catholic diocesan priesthood

Love Celibacy And The Inner Marriage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Love Celibacy And The Inner Marriage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love Celibacy And The Inner Marriage has opened up a world of possibilities. Downloading Love Celibacy And The Inner Marriage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love Celibacy And The Inner Marriage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love Celibacy And The Inner Marriage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love Celibacy And The Inner Marriage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love Celibacy And The Inner Marriage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Love Celibacy And The Inner Marriage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
