came I was frightened but learned to depend on the energy of the Universe Accepting my new body image was very difficult Due to my insecurities low self esteem and self confidence I placed my marriage in jeporady I had to learn to trust in the positive energy of the Universe to help me heal I needed to allow God and His angels to take me in their hands and carry me Depending on the power of the Universe established inner strength and courage to be a survivor We have a choice in how we react and respond to situations the lessons that life presents to us Learning to let go of certain feeling and situations is difficult but it makes each day more peaceful and comfortable Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others I realized that guilt and shame are wasted energy and I was loved and can love others Everyone s path in recovery and rediscovery will be different We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that Journey to New Beginnings gives you a sense of comfort and hope Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary Drafts, Fragments, and Poems Joan Murray, 2018-02-06 The first appearance of this award winning writer s work since the 1940s this collection which includes an introduction by John Ashbery restores Joan Murray s striking poetry to its originally intended form Though John Ashbery hailed Joan Murray as a key influence on his work Murray s sole collection Poems published after her death at the early age of twenty four and selected by W H Auden for inclusion in the Yale Series of Younger Poets has been almost entirely unavailable for the better part of half a century Poems was put together by Grant Code a close friend of Murray s mother and when Murray s papers long thought to be lost reappeared in 2013 it became clear that Code had exercised a heavy editorial hand This new collection edited by Farnoosh Fathi from Murray s original manuscripts restores Murray s raw lyricism and visionary lines while also including a good deal of previously unpublished work as well as a selection of her exuberant letters **Code 13** Don Brown, 2016-04-05 THE U S NAVY S BILLION DOLLAR CONTRACT FOR THE SALE OF DRONES LANDS TWO NAVY JAG OFFICERS IN THE GUN SIGHTS OF A KILLER Caroline is just getting her feet wet at the prestigious Code 13 but is thankful for at least one familiar face her old flame P J MacDonald He loops her into the assignment he is currently working on the legality of a proposed drone sharing contract with Homeland Security that would allow the sale of drones for domestic surveillance The contractor wants a legal opinion clearing the contract for congressional approval But the mob wants the proposal dead on arrival When P J is gunned down in cold blood and a second JAG officer is killed one thing becomes clear whoever is ordered to write the legal opinion on the drones becomes a target Which is exactly why Caroline goes to her commanding officer and volunteers to write the legal opinion herself She is determined to avenge P J s death and trap the killer even if that means making herself a target It is a deadly game of Russian roulette for the sake of justice but Caroline is determined to see it through even if it costs her life *Memoirs of My Scars* DeJon Simons, **The Navy Jag Collection**
