Through a thousand nights of love into a thousand days of poetry, love came to me wearing its thousand faces and thrillingly whispering words into my heart. I wanted to remember them and to share them with you, so I wrote them all down with the uttermost care as my uttermost offering by love and for love with all of my heart. Those words were these poems which are this book of a thousand nights of love into a thousand days of poetry written down with the uttermost care to remember and to share. And even and especially when it might not seem so, all these words in all their thousand ways share as their source and destination love wearing its thousand faces and thrillingly whispering words these words into your heart through mine. I made this book for you and it is yours now. It had to be called LOVE because it is. Take it Love Steven. It's All God, the Flowers and the Fertilizer Walter Jd Starcke, Eron Howell-Starcke, 2013-02. In his best-selling classic *It's All God*, modern mystic Walter Starcke bridges the gap between our humanity and Divinity as well as our traditional limited perspectives and our emerging Cosmic Consciousness. With the insight of a biblical scholar, Starcke clarifies the foundational Truths of our Judeo-Christian tradition as he takes humanity's spiritual roots forward into the light of the new state of human consciousness that is emerging today. His masterful knowledge of Scriptures unlocks the truths laid out in both the Old and New Testament not found in other metaphysical books. Starcke calls us to no longer separate God from our humanity and the world. With this awareness, we understand that the teachings of Jesus have not been fully realized until now as humanity begins the new cycle of the Age of the Gods. The awareness that *It's All God* is a requirement for living fully in this new Age of the Gods, which is this Golden Cycle, we have just begun. Starcke wrote that we have been given all the pieces, each necessary, none missing, and if we want to complete the picture, it is up to us to stop excluding those parts of ourselves and of our feelings that we have thought did not belong in the picture. If God is truly the only Power and Presence, then every piece, no matter how seemingly negative, insignificant or inappropriate, has a purpose. Instead of discarding those aspects of ourselves that seem faulty or unworthy when we stop judging them and see what they are telling us, we can find a right place for those energies and then we can complete the puzzle. In Part One, his in-depth knowledge takes us from the traditional approach through the Gnostics to clear insights on the teachings of Jesus and Paul. Uniquely, Starcke relates these teachings to modern Quantum Physics and the evolution of Consciousness. Starcke is not only a Biblical scholar but also well-versed in the workings of consciousness, perceptions and reality. Part One also includes Starcke's marvelous mystical insights and meditations. In Part Two of *It's All God*, Starcke gives us the how-tos of practical mysticism to apply Divine Truth to our daily

lives No matter where a reader is on the path he will find the steps to greater awareness and the clarification of the puzzle humanity has been working on for countless lifetimes We are all on the right path at the right time The time is Now These how to s are not superficial they require that we come to understand our True Self and live the Truth of our Being In part three Starcke takes us beyond our customary perspective into the realms of Higher Consciousness These take us clearly into the new cycle The Age of the Gods The realization that It s All God is the key to spiritual healing true transformative forgiveness and the daily expression of our Divine humanity It is a book whose time has come We are now ready as never before to delve into it s insights and live it s Truths It s All God is required reading for many ministerial programs and should now be require reading for us all to live fully during this new cycle far beyond 2012 Starcke was not only ahead of his time but a master for all Ages with tools for the rest of our journey in awareness as we live fully as Divine Humans
