PHILOSOPHY OF NOTHING Adrian Gabriel Dumitru, The book PHILOSOPHY OF NOTHING is a collection of essays that are trying to send the message that in a relationship you can be happy even if you don't have a real relationship together in a classical way but also be unhappy when you have everything together Having everything but actually having nothing having nothing but actually having everything is an idea that we should meditate on it We live in a world of unhappy marriages that should be totally redefined but actually are dying little by little day by day with no change from any of the 2 partners Waiting for NOTHING for years doing NOTHING but expecting everything from the other side Love is not math and will never be Love is not a business and will be never be Philosophy of NOTHING is trying to define the beautiful side but also the dark side of the love stories The book does not have any architecture and is just a collection of essays And maybe the only message of the book is quite simple to be happy you probably need NOTHING but enjoy the present moment with the person you are in the story Daring to do it you don't need anything cause you actually have everything the love story itself
