Reality/The Inconceivable Truth Michael Duncan, 2014-01-16 This book's aim is to impart the ultimate purpose of human existence and that goal is called self-realization. It is to restore our lost connection with our divine friend who is and has always been situated within the core of our hearts. The conscious effort of reviving one's relationship with the Lord's localized feature is also known as the dovetailing process. The author Mike Duncan seeks to imbue to his readers a taste of the stunning truth about God, a taste said to be so sweet that it is sure to motivate the sincere truth-seeking soul to investigate the eternal transcendental science by which one can come to know everything about Him. The author concludes that this science of self-realization established personally by God is the eternally approved method of approaching Him. It is the only means by which one can rise above the illusory bodily conception of life to the spiritual platform, the platform of reality on which everything is known. In the present degraded age of Kali, the age of quarrel, there is a special potency which is available to persons who accept the descending spiritual authority. His Divine Grace Srila Prabhupada is the latest descendant from the spiritual world who is authorized by the Lord to present Him to the inhabitants of this mortal world. His Grace is instructing as follows: One who is ignorant of the scientific knowledge of the soul does not look inside the body to find happiness in the soul. The living being covered by the material body does not see the happiness within himself but runs after happiness in the material world. When one understands his real identity as spiritual being, he can understand the supreme spiritual being, Krishna, and the real happiness exchanged between Krishna and one's self. SB 7.13.29 *Seeing Krishna* Margaret H. Case, 2000 This book offers a close-up view of the religious world of one of the most influential families in Vrindaban, India's premier place of pilgrimage for worshippers of Krishna. This priestly family has arguably been the most creative force in this important town. Their influence also radiates well beyond India's borders, both because of their tireless work in fostering scholarship and performance about Krishna and because the scion of the family, Shrivatsa Goswami, has become an international spokesman for Hindu ways and concerns. Case, who has been an occasional resident in the family ashram, gives the reader a real sense of the atmosphere of daily life there and the complete devotion of the residents to the service and worship of Krishna. *Yoga Journal*, 1982-05 For more than 30 years *Yoga Journal* has been helping readers achieve the balance and well-being they seek in their everyday lives.
