Prophets in Training Handbook Apostle Raymond P. Stansbury, 2011-01-28. Shalom! I know you may have read many prophetic books before, but the difference with this book is that it's more than a book that can be read; it's a manual that can be lived. This manual holds all the wisdom and years of my experience in the prophetic office. I freely share all the wisdom, instruction, trials, and errors that have groomed me to where I presently am in power, anointing, and ministry. I have had the prophet's school in session for the last nine years, releasing 200 prophets and prophetesses in the kingdom that operate in protocol, order, and accuracy. Well, all that I have been through is the result of the birthing of this manual. This manual is used in our P I T School of training as the text book to enhance the teaching. Read, study, and bind this wisdom and teaching to the spirit of your mind so you can freely apply the instruction. Also look for volume 2, the advanced training prophetic manual entitled **Going to the Higher Place**.

Sheep Don't Lead, Shepherds Do! Apostle Raymond P. Stansbury, 2011-08-07. Well, this manual was birthed to make things easier for both the pastor and the citizen. Some of the contents of this manual will hurt a little, but it will settle a lot. I have been a pastor for the last 14 years and have been in word ministry for the last 30 years; in music ministry for the last 35 years, so I think I have something that I can say that will help the body of Messiah fully embrace her function and call.
