# Merchant Of Venice Choice Hazard And Consequences

**Peter G. Platt**

## **Merchant Of Venice Choice Hazard And Consequences:**

**The Merchant of Venice** Joan Ozark Holmer,1995 This study of The Merchant of Venice explores the degree of dramatic integrity Shakespeare achieves by unifying the play s many hard choices through a tightly knit interplay of contrarities and correspondences in structure language characters and ideas Engaging the play s extensive body of criticism the book contextualizes the most provocative questions raised by the day and provides considerable new evidence about Shakespeare s possible sources and his innovative use of them especially usury and merchantry Judaism and Christianity biblical and classical allusion stage law and verbal visual symbols **A Routledge Literary Sourcebook on**

**William Shakespeare's The Merchant of Venice** S. P. Cerasano,2004 This student friendly book draws together text context criticism and performance history to provide an integrated view of one of the most dazzling works of the early modern theatre William Shakespeare's the Merchant of Venice Sterling Professor of Humanities Harold Bloom,William

Shakespeare,2010 William Shakespeare s The Merchant of Venice is a richly complicated and to some a deeply disturbing work **The Oxford Handbook of English Law and Literature, 1500-1700** Lorna Hutson,2017-06-15 This Handbook triangulates the disciplines of history legal history and literature to produce a new interdisciplinary framework for the study of early modern England Scholars of early modern English literature and history have increasingly found that an understanding of how people in the past thought about and used the law is key to understanding early modern familial and social relations as well as important aspects of the political revolution and the emergence of capitalism Judicial or forensic rhetoric has been shown to foster new habits of literary composition poetry and drama and new processes of fact finding and evidence evaluation In addition the post Reformation jurisdictional dominance of the common law produced new ways of drawing the boundaries between private conscience and public accountability Accordingly historians critics and legal historians come together in this Handbook to develop accounts of the past that are attentive to the legally purposeful or fictional shaping of events in the historical archive They also contribute to a transformation of our understanding of the place of forensic modes of inquiry in the creation of imaginative fiction and drama Chapters in the Handbook approach from a diversity of perspectives topics including forensic rhetoric humanist and legal education Inns of Court reveals drama poetry emblem books marriage and divorce witchcraft contract property imagination oaths evidence community local government legal reform libel censorship authorship torture slavery liberty due process the nation state colonialism and empire

Shakespeare and the Culture of Paradox Peter G. Platt,2016-04-01 Exploring Shakespeare s intellectual interest in placing both characters and audiences in a state of uncertainty mystery and doubt this book interrogates the use of paradox in Shakespeare s plays and in performance By adopting this discourse one in which opposites can co exist and perspectives can be altered and one that asks accepted opinions beliefs and truths to be reconsidered Shakespeare used paradox to question love gender knowledge and truth from multiple perspectives Committed to situating literature within the larger

culture Peter Platt begins by examining the Renaissance culture of paradox in both the classical and Christian traditions He then looks at selected plays in terms of paradox including the geographical site of Venice in Othello and The Merchant of Venice and equity law in The Comedy of Errors Merchant and Measure for Measure Platt also considers the paradoxes of theater and live performance that were central to Shakespearean drama such as the duality of the player the boy actor and gender and the play audience relationship in the Henriad Hamlet As You Like It Twelfth Night Antony and Cleopatra The Winter's Tale and The Tempest In showing that Shakespeare's plays create and are created by a culture of paradox Platt offers an exciting and innovative investigation of Shakespeare's cognitive and affective power over his audience

**Shakespeare Studies** Susan Zimmerman, 2004-11 Shakespeare Studies is an international volume published every year in hard cover containing essays and studies by critics and cultural historians from both hemispheres It includes substantial reviews of significant books and essays dealing with the cultural history of early modern England as well as the place of Shakespeare's productions and those of his contemporaries within it Volume XXXII continues the second in a series of essays on Early Modern Drama around the World in which specialists in theatrical traditions from around the globe during the time of Shakespeare discuss the state of scholarly study in their respective areas O'Hara reviews work relevant to the theater of early modern France Volume XXXII also includes another in the journal's series of Forums entitled The Future of Renaissance Manuscript Studies Organized and introduced by Peter Beal the Forum includes contributions by Margaret J M Ezell Grace Ioppolo Harold Love and Steven W May Additionally this volume contains seven full length articles and twenty two book reviews Leeds Barroll is a Scholar in Residence at the Folger Shakespeare Library *Classical, Renaissance, and Postmodernist Acts of the Imagination* Arthur F. Kinney, 1996 This sharply focused collection of essays on poetics and poetry with special attention to Shakespeare includes the work of some of the nation's best known and most respected scholars and authors All of them are former colleagues of O B Hardison Jr and their major new essays written especially for this collection center on his interests Aristotle and classical poetics Petrarch and Italian poetics the English Renaissance especially Shakespeare and Milton and postmodernist work in theory literature and science BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Reading the Margins of the Early Modern Bible** Ezra Horbury, 2024-07-11 Reading the Margins of the Early Modern Bible presents a new understanding of how notes in the margins of the Bible were read in early modernity Horbury investigates the creative and surprising ways readers engaged with these margins resisting narratives that present them as dangerous and seditious **A Poetic History of the Oceans**

Søren Frank, 2022-07-18 What is the ocean's role in human and planetary history How have writers sailors painters scientists historians and philosophers from across time and space poetically envisioned the oceans and depicted human entanglements with the sea In order to answer these questions Søren Frank covers an impressive range of material in A Poetic History of the Oceans Greek Roman and Biblical texts an Icelandic Saga Shakespearean drama Jens Munk's logbook 19th century writers

such as James Fenimore Cooper Herman Melville Jules Michelet Victor Hugo Jules Verne Jonas Lie and Joseph Conrad as well as their 20th and 21st century heirs like J G Ballard Jens Bj rneboe and Siri Ranva Hjelm Jacobsen A Poetic History of the Oceans promotes what Frank labels an amphibian comparative literature and mobilises recent theoretical concepts and methodological developments in Blue Humanities Blue Ecology and New Materialism to shed new light on well known texts and introduce readers to important but lesser known Scandinavian literary engagements with the sea Gender and Jewish Difference from Paul to Shakespeare Lisa Lampert,2013-04-09 Although representations of medieval Christians and Christianity are rarely subject to the same scholarly scrutiny as those of Jews and Judaism the Christian is as constructed a term category and identity as the Jew Medieval Christian authors created complex notions of Christian identity through strategic use of representations of Others idealized Jewish patriarchs or demonized contemporary Jews Woman represented as either virgin or whore In Western thought the Christian was figured as spiritual and masculine defined in opposition to the carnal feminine and Jewish Women and Jews are not simply the Other for the Christian exegetical tradition however they also represent sources of origin as one cannot conceive of men without women or of Christianity without Judaism The bifurcated representations of Woman and Jew found in the literature of the Middle Ages and beyond reflect the uneasy figurations of women and Jews as both insiders and outsiders to Christian society Gender and Jewish Difference from Paul to Shakespeare provides the first extended examination of the linkages of gender and Jewish difference in late medieval and early modern English literature Focusing on representations of Jews and women in Chaucer s Canterbury Tales selections from medieval drama and Shakespeare s Merchant of Venice Lampert explores the ways in which medieval and early modern authors used strategies of opposition to and identification with figures of Jews and women to create individual and collective Christian identities This book shows not only how these questions are interrelated in the texts of medieval and early modern England but how they reveal the distinct yet similarly paradoxical places held by Woman and Jew within a longer tradition of Western thought that extends to the present day *Christian Shakespeare: Question Mark* Michael Scott,Michael Collins,2022-08-02 Christian Shakespeare The question was put to each contributor to this collection of essays They received no further guidance about how to understand the question nor how to shape their responses No particular theoretical approach no shared definition of the question was required or encouraged Rather they were free to join in whatever way they thought useful the extensive discourse about the impact that the Christian faith and the religious controversies of Shakespeare s time had on his poems and plays The range of responses points not only to openness of Shakespeare s work to interpretation but to the seriousness with which the writers reflected on the question and to their careful and sensitive reading of the poems and plays The heterogeneity of Shakespeare s world is reflected in the heterogeneity of the essays each an individual response to the complex question they engage In the end what the plays and poems reveal about Shakespeare s Christianity remains unclear and that lack of clarity has also contributed to the variety of responses in the collection All the essays

recognize to some degree or another that the tension in Shakespeare's world between old and new medieval and early modern Catholic and Protestant brought uncertainty and in some cases anxiety to the minds and hearts of Shakespeare's contemporaries. But what Shakespeare himself believed how he responded in his work to the religious turmoil of his time remains uncertain. For some of the contributors Shakespeare's plays are inescapably indeterminate even evasive and open to a multiplicity of possible readings. For others Shakespeare takes a stand and through the careful patterning of his plays speaks more or less unambiguously to the religious and political issues of his time. Together the essays reflect the varied ways in which the question of Shakespeare's Christianity might be answered. *Shakespeare and Renaissance Politics* Andrew Hadfield, 2014-03-20 Shakespeare like many of his contemporaries was concerned with the question of the succession and the legitimacy of the monarch. From the early plays through the histories to Hamlet Shakespeare's work is haunted by the problem of political legitimacy. **Medieval and Renaissance Drama in England** John Pitcher, Robert Lindsey, Susan Cerasano, 2003-10 An international volume published every year in hardcover containing essays and studies as well as book reviews of the many significant books and essays dealing with the cultural history of medieval and early modern England as expressed by and realized in its drama exclusive of Shakespeare. **Class and Society in Shakespeare** Paul Innes, 2007-11-15 The Continuum Shakespeare Dictionaries provide authoritative yet accessible guides to the principal subject areas covered by the plays and poetry of Shakespeare. The dictionaries provide readers with a comprehensive guide to the topic under discussion its occurrence and significance in Shakespeare's works and its contemporary meanings. Entries range from a few lines in length to mini essays providing the opportunity to explore an important literary or historical concept or idea in depth. Entries include apothecary bear baiting Caesar degree gentry Henry V kingdom London masque nobility plague society treason usury whore and youth. They follow an easy to use three part structure a general introduction to the term or topic a survey of its significance and use in Shakespeare's plays and a guide to further reading. **The Routledge Guide to William Shakespeare** Robert Shaughnessy, 2013-05-13 Demystifying and contextualising Shakespeare for the twenty first century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans. In this friendly structured guide Robert Shaughnessy introduces Shakespeare's life and works in context providing crucial historical background looks at each of Shakespeare's plays in turn considering issues of historical context contemporary criticism and performance history provides detailed discussion of twentieth century Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth century criticism. The companion website at [www.routledge.com/textbooks/shaughnessy](http://www.routledge.com/textbooks/shaughnessy) contains student focused materials and resources including an interactive timeline and annotated weblinks. **Rainer Werner Fassbinder's Controversy: Anti-Semitism or Public**

**Discourse?** ,2013-09-29 Examines anti-Semitism in Reinhard Fassbinder's artistic work especially his ill-famed play of 1975 *Der Müll, die Stadt und der Tod* i.e. the phenomenon of cultural anti-Semitism in post-war Germany Fassbinder was many times accused for embodying implicitly or explicitly some anti-Semitic or Fascist elements in his works In this undertaking I attempt to confront these allegations historically and analytically Shakespeare Survey Stanley Wells, Jonathan Bate, Michael Dobson, 2003-10-16 *Shakespeare Survey* is a yearbook of Shakespeare studies and production Since 1948 *Survey* has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of the previous year's textual and critical studies and of major British performances The books are illustrated with a variety of Shakespearean images and production photographs The current editor of *Survey* is Peter Holland The first eighteen volumes were edited by Allardyce Nicoll numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start Now backnumbers are gradually being reissued in paperback **Jewish given Names and Family Names** David L. Gold, 2001-12-01 This work identifies and describes over 3 000 books essays in books and articles on Jewish given names and family names throughout history spanning the Biblical period to modern times The bibliography is a highly analytic one recording published materials in a wide variety of research languages treating Jewish anthroponymy in the broadest sense from historical sociological and linguistic perspectives The bibliography will be an invaluable resource for any researcher engaged in etymological studies Jewish intralinguistics or Jewish family history Shakespearean Criticism Michael LaBlanc, 2003-08 The plays theme or focus of this volume includes *The Comedy of Errors* *Love's Labour's Lost* *The Merchant of Venice* *The Taming of the Shrew* Shakespeare and Contemporary Fiction Barbara L. Estrin, 2012-01-01 As the first book to use fiction as theory *Shakespeare and Contemporary Fiction* reads backward to demonstrate how recent novelists redeploy founding and lyric plots to uncover a Shakespeare who similarly challenges the mythological homogeneity that scripts us

## Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Merchant Of Venice Choice Hazard And Consequences**

In a world inundated with monitors and the cacophony of instant transmission, the profound energy and psychological resonance of verbal beauty often disappear into obscurity, eclipsed by the regular barrage of noise and distractions.
