**Training through drama for work** Brian Groves, 2014-06-06      *Merchant of Venice: York Notes Advanced Everything You Need to Catch Up, Study and Prepare for and 2023 and 2024 Exams and Assessments* Michael Alexander, William Shakespeare, Mary Alexander, 2005 The nation's favourite literature study guides      The Use of English, 2002      *Romeo and Juliet*, William Shakespeare John Polley, 2002 This edition of York Notes for Romeo Juliet has been replaced with a brand new edition which is available to buy now with the ISBN 9781408248829      *The British Library General Catalogue of Printed Books 1976 to 1982* British Library, 1983      Shakespeare Quarterly, 2004      The Merchant of Venice, William Shakespeare Michael Alexander, 1998      **Bookseller and the Stationery Trades' Journal**, 1981      *Jane Eyre*, Charlotte Brontë Sarah Rowbotham, 1998 The York Notes series covers major works from medieval to modern English literature and classic and contemporary works from Europe America the Commonwealth and the Third World      *Popular Science Monthly and World's Advance*, 1893      **The American Monthly Review of Reviews**, 1899      **Philippine Education**, 1911      Journal of Education and School World, 1889      The Oxford Magazine, 1899      **Spirituality and Deep Connectedness** Michael C. Brannigan, 2018-09-15 What is spirituality Does it enable us to be better persons Is spirituality related to religion These days is it even relevant On college campuses does it promote student well being Does it further moral growth Can spirituality make a difference in healthcare What about social justice and service to the marginalized This rich collection of essays by respected scholars and practitioners in diverse fields in academic healthcare social justice and interfaith contexts addresses these questions in strikingly profound and meaningful ways Their voices offer alternatives to the prevailing notion of spirituality as a purely private matter and make a case for living spiritually through deep and genuine engagement with others bridging our inherent and original fault line of Self and Other Their keen observations resuscitate the spiritual fabric of defiance against and liberation from forces of oppression which show their face not only through chronic inequities and social injustice but in consumer capitalism's grip on our souls This volume's dispatch to our minds and hearts is timely in an age of looming cynicism pessimism fear and distrust In carving out a renewed sense of what lies at the heart of living a life of the spirit or spirituality it offers an antidote to our widespread hermeneutic of suspicion None of the authors claims to encapsulate one pure meaning of the spiritual Yet they share one collective voice spirituality is indeed genuine when it calls forth compassion and wears the worn and tangled face of humaneness freeing ourselves from the prison of ego Here we find messages of hope much needed in a time when our society seems increasingly shadowed by dark clouds These essays remind us of what's right in the world      *Samuel Johnson on Shakespeare* Edward Tomarken, 2009-01-01 Since the first appearance of Samuel Johnson's edition of Shakespeare's drama in 1765 its Preface has often been published separately while the Notes have been treated as miscellaneous and fragmentary As a result few modern readers realize that the Notes in fact contain coherent interpretations of most of the plays and that many portions of the Preface are generalizations related to those

readings Scholars who have examined the Notes carefully have almost always used them in studies of larger issues such as Johnson's morality or rhetoric In this book Edward Tomarken provides the first full length study of the Notes to Shakespeare showing how they raise issues of direct concern to modern critics and theoreticians While referring to Johnson's notes on all the Shakespearean dramas Tomarken focuses on eight plays Henry IV Troilus and Cressida Twelfth Night The Taming of the Shrew King Lear The Tempest Hamlet and Macbeth to demonstrate the range of Johnson's editorial and critical abilities Each chapter devoted to a single play moves from the particular to the general from specific remarks about the play in the Notes to related theoretical statements in the Preface and finally to an axiom of literary theory Ranging from a formulation concerning ideology in criticism to a reconsideration of aesthetic empathy these axioms are Tomarken contends essential to literary criticism as a discipline and manifest Johnson's relevance to modern criticism The conception of criticism that emerges in this book goes well beyond the theoretical premises of the eighteenth century Tomarken submits that the ethical dimension of criticism the moral aspect so fundamental to Johnson but so foreign to modern critics can point to a way of mediating between the ideological differences that have become so divisive in modern criticism and theory
