Merchant Ships:

A Treatise of the Law Relative to Merchant Ships and Seamen Charles Abbott (Baron Tenterden), 1856 **Legal Status of Government Merchant Ships in International Law** Thamarappallil Kochu Thommen, 2012-12-06 This book is devoted to an examination of the legal status of government merchant ships while on the high seas or in the waters of foreign states in time of peace The object of this examination is to ascertain whether there is any rule of international law which accords such a ship a higher status than that of private merchant ships Whether government merchant ships unlike private ships are entitled to certain immunities from the jurisdiction of foreign states is the question that we have set out to answer in this book A discussion of the rules concerning the nationality of such a ship or the jurisdiction of the flag state over her does not find a place in this work A government merchant ship may be defined as a merchant ship owned or operated by a state Immunity of a ship here means the exemption of a government ship from the jurisdiction of any state other than the flag state This term also connotes the immunity of the flag state from the jurisdiction of the tribunals of foreign states in respect of proceedings connected with such a ship Immunity of persons means the exemption of persons in the service of a government ship or other persons on board her from the jurisdiction of any state other than the flag state **A Treatise of the Law relative to Merchant Ships and Seamen** Charles Abbott, 1867 American Merchant Ships and Sailors Willis J.
