Mercier Companion To Irish Lit:

The Mercier Companion to Irish Literature Seán McMahon, Jo O'Donoghue, 1998 Offers concise and current information on Irish literature in three categories significant writers from the 7th century to contemporary poets and novelists major literary works of quality and influence and places and institutions that have helped shape Ireland's literary heritage

Literary Research and Irish Literature Greg J. Matthews, 2008-12-04 Literary Research and Irish Literature Strategies union library catalogs print and online bibliographies manuscripts and archives microfilm and digitization projects scholarly journals periodicals newspapers and reviews and electronic and Web resources To ease comparison and evaluation of references each chapter addresses how to choose and utilize research methods and tools to yield the most relevant information This guide also examines the strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques and when appropriate covers the historical and cultural contexts and usability issues of unique reference sources This volume number 5 in the series raises trenchant issues in Irish literary scholarship such as the problem of defining what Irish literature is gaps in criticism and secondary literature devoted to Irish literature neglected areas of scholarly inquiry including Irish literature by women and lesser known writers and the rewards of interdisciplinary research It concludes with a brief consideration of a scenario illustrating how a scholar might use strategies and sources covered in the text to solve a research problem

Irish Literature Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

Irish Writing Stephen Regan, 2004 Can we not build up a national tradition a national literature which shall be none the less Irish in spirit from being English in language W B Yeats This anthology traces the history of modern Irish literature from the revolutionary era of the late eighteenth century to the early years of political independence From Charlotte Brooke and Edmund Burke to Elizabeth Bowen and Louis MacNeice the anthology shows how in forging a tradition of their own Irish writers have continually challenged and renewed the ways in which Ireland is imagined and defined The anthology includes a wide ranging and generous selection of fiction poetry and drama Three plays by W B Yeats Augusta Gregory and J M Synge are printed in their entirety along with the opening episode of James Joyce's *Ulysses* The volume also includes letters speeches songs memoirs essays and travel writings many of which are difficult to obtain elsewhere Stephen Regan's anthology vividly and valiantly presents a nation and a national literature coming into being Paul Muldoon

Beginner's Irish Gabriel Rosenstock, 2005 This popular introduction to the Irish language is now accompanied by an audio CD Irish also known as Irish Gaelic or Gaelige is spoken today by approximately one million people worldwide It is also the basis of the Irish literary

tradition which is the oldest in Europe after Greek and Latin This valuable guide ideal for both individual and classroom use teaches the basics of Irish grammar and vocabulary in 10 easy to follow lessons The audio CD feature complements the dialogue and grammar sections of the lesson aiding the reader in understanding the language as spoken New Perspectives on the Irish Abroad Mícheál Ó hAodha, Máirtín Ó Catháin, 2014-03-25 The relationship between Ireland and the diversity of its diasporas has always been complex and multi layered but it is not until recently that this reality has really been acknowledged in the public sphere and indeed amongst the scholarly community generally This reality is partly a consequence of both push and pull factors and the relatively late arrival of globalization trends to the island of Ireland itself situated as it is on the Atlantic seaboard between Europe and the US Ireland is changing however some would say at an unprecedented speed as compared with many of its neighbours and the sense of Irish identity and connection to the home country is changing too What is the relationship of Ireland and the Irish with its diaspora communities and how is this articulated The voices who speak in *New Perspectives on the Irish Abroad* The Silent People edited by Mícheál hAodha and Máirtín Catháin talk back to Ireland and Ireland talks to them and it is in telling that we see a new story an emerging discourse the narratives of the hidden Irish the migrant Irish the diaspora whose voices and refrains were hitherto neglected or subject to silence *Irish Writing in the Twentieth Century* David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into **A Companion to Satire** Ruben Quintero, 2011-05-06 A COMPANION TO SATIRE A COMPANION TO SATIRE This book forms a substantial contribution to literary studies and is likely to be the standard work on the subject for a decade or two The chapters are densely detailed the vocabulary elevated Reference Reviews This sturdy volume should be of use to a variety of readers from advanced undergraduates to scholars seeking refresher or crash courses on either major Studies in English Literature 1500 1900 Offering a valuable contribution to the critical study of satire Quintero has assembled insightful essays by an impressive roster of scholars This book serves as a cogent instructive overview of satire Choice This book obviously brings to readers a

dazzling variety of topics relating to satire There is a rich abundance of material here surely something for everyone Indeed the quality of these essays is uniformly high Notes and Queries This collection of twenty nine original essays surveys satire from its emergence in Western literature to the present The Companion is extraordinary in its historical scope tracking satire from its first appearances in the prophetic books of the Old Testament through the Renaissance and the English tradition in satire to Michael Moore s satirical movie Fahrenheit 9 11 While many essays explore literary developments in satire from an historical view other essays reflect directly on topics such as irony and satire modes of satirical mockery the mock biblical and the character sketch All of the contributors are experts published in their field and all are experienced teachers who can treat complex and rich subjects with insight and clarity Contributors to this volume Joseph F Bartolomeo W Scott Blanchard Frank Boyle Peter Brier Valentine Cunningham Edwin M Duval James Engell Alberta Gatti Russell Goulbourne Dustin Griffin Christopher J Herr Thomas Jemielity Ejner J Jensen Steven E Jones Claudia Thomas Kairoff Catherine Keane Laura Kendrick Jos Lanters Jean I Marsden Linda A Morris Frank Palmeri Blanford Parker Ronald Paulson Zoja Pavlovskis Petit Ruben Quintero Melinda Alliker Rabb Timothy Steele Michael F Suarez David F Ventura *Yeats* Richard J. Finneran,2001 Another volume in the distinguished annual **Irish Literature** Alexander Norman Jeffares,Peter Van de Kamp,2006 Spans the first third of the 19th century documenting Ireland s significant literary contribution with Thomas Moore s romantic melodies Maria Edgeworth s regional fiction and Charles Maturin s voyeuristic Gothic stories This book records the demise of the rollicking squirearchy and portrays the rise of the stage Irishman **The Methuen Drama Guide to Contemporary Irish Playwrights** Martin Middeke,Peter Paul Schnierer,2010-08-10 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty five playwrights from the last 50 years whose work has helped to shape and define Irish theatre Written by a team of international scholars it provides an illuminating survey and analysis of each writer s plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama The playwrights examined range from John B Keane Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh Marina Carr Emma Donoghue and Mark O Rowe Each essay features a biographical sketch and introduction to the playwright a discussion of their most important plays an analysis of their stylistic and thematic traits the critical reception and their place in the discourses of Irish theatre a bibliography of texts and critical material With a total of 190 plays discussed in detail over half of which were written during the 1990s and 2000s The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights **Edinburgh Companion to the Short Story in English** Paul Delaney,2018-02-01 Provides a clear introduction to the key terms and frameworks in cognitive poetics and stylistics **Literature and the Irish Famine 1845-1919** Melissa Fegan,2002-08-08 The impact of the Irish famine of 1845 1852 was unparalleled in both political and psychological terms The effects of famine related mortality and emigration were devastating in the field of literature no less than in other areas In this incisive new study Melissa Fegan

explores the famine's legacy to literature tracing it in the work of contemporary writers and their successors down to 1919 Dr Fegan examines both fiction and non fiction including journalism travel narratives and the Irish novels of Anthony Trollope She argues that an examination of famine literature that simply categorizes it as minor or views it only as a silence or an absence misses the very real contribution that it makes to our understanding of the period This is an important contribution to the study of Irish history and literature sharply illuminating contemporary Irish mentalities

Forgetful Remembrance Guy Beiner, 2018-11-10 *Forgetful Remembrance* examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798 By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing Throughout *Forgetful Remembrance* comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion

Silence in Modern Irish Literature, 2017-08-21 *Silence in Modern Irish Literature* is the first book to focus exclusively on the treatment of silence in modern Irish literature It reveals the wide spectrum of meanings that silence carries in modern Irish literature a mark of historical loss a form of resistance to authority a force of social oppression a testimony to the unspeakable an expression of desire a style of contemplation This volume addresses silence in psychological ethical topographical spiritual and aesthetic terms in works by a range of major authors including Yeats Joyce Beckett Bowen and Friel

The Ancient Books of Ireland Michael Slavin, 2005-12-07 *The Ancient Books of Ireland* describes precious manuscripts that have survived for centuries Slavin reveals not only their fascinating contents but their intriguing histories Among the most important manuscripts described are

Envisioning Ireland Claire Nally, 2010 Although Yeats is an over theorized author little attempt has been made to situate his occult works in the political context of 20th century Ireland This book provides a methodology for understanding the political and cultural impulses which informed Yeats's engagement with the otherworld

Historical Dictionary of Ireland Frank A. Bilezikian, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of *Historical Dictionary of Ireland* is an excellent resource for discovering the history of Ireland This is done through a

chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland *The Midnight Court / Cúirt an Mheán Oíche* Brian Merriman, 2011-10-18 Banned and beloved in equal measure The Midnight Court is a canonical eighteenth century text widely considered to be one of the greatest comic Irish poems Despite its simple storyline Merriman s poem addresses a wide range of themes from its satirical treatment of sexuality to its biting social commentary This volume the first critical edition offers readers a fluid translation and five essays that contextualize the poem making it an ideal text for any student of the poem and eighteenth century Irish literature
