Merciful Disguises Mona van Duyn,1973 What Is It Then between Us? Eric Murphy Selinger,2018-10-18 Tracing the solitude of the American self the difference between idolatrous and companionate affection and the dream of an America of love Eric Murphy Selinger shows how such concerns can shape a poet s most intimate decisions about genre and form His lucid elegant prose illuminates not only well known love poets including Emily Dickinson and William Carlos Williams but also more unexpected figures notably Wallace Stevens and Mina Loy Like the poets he discusses Selinger refuses to view love reductively Rather he takes the impulse to debunk love as part of his subject whether it crops up in Puritan theology or contemporary literary theory As he details Whitman s courtship of his readers weighs the restorations of romance in H D and Ezra Pound and demonstrates the bonds between poets as disparate as Robert Creeley and Robert Lowell Selinger establishes love poetry as an essential American genre

Vital Signs Ronald Wallace,1989 This anthology includes 179 poets published by university presses in recent years It seeks to provide a rich overview of the best contemporary American poetry irrespective of publisher age of poet aesthetic program or current status in the literary canon to celebrate the work of university presses in discovering and supporting that poetry and to suggest some questions about American poetry its democratization canonization aesthetics politics and sociology The volume includes brief histories of poetry publishing at each press their poetry lists and an essay on the American poetry scene of the last 20 years It features poems by such established poets as John Ashbery Marge Piercy Adrienne Rich and James Wright ISBN 0 299 12160 7 29 95

Women in American History Peg A. Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of

primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter
