Mermaid A Puppet Theatre In Motion:

Mermaid Alice Walsh, 2005 First established in response to the need for live theatre in rural areas Mermaid Theatre based in Windsor Nova Scotia swiftly rose to international acclaim Author Alice Walsh uses Mermaid's productions from *The Happy Prince* to *Guess How Much I Love You* to tell the story of the company's evolution in the history of Canadian theatre Walsh describes the first steps taken by its founders and provides an extensive look at the development of each production as well as the creative trends and decisions that have contributed to Mermaid's stellar reputation amongst children parents educators and directors Founded in 1972 by Evelyn Garbary Lee Lewis and Tom Miller Mermaid Theatre over the course of 30 years has incorporated the work of many actors collaborating authors educators youth reviewers designers and audiences worldwide Beginning with the group's first seasons touring Nova Scotia with adaptations of fairy tales and fables Walsh tells the story of Mermaid's development going behind the scenes and into the audiences capturing the spirit of its success In the early 1970s Mermaid's dramatizations of Mi'kmaq legends laid the foundation for its innovative design This era remembered by many of today's parents is described from the ground up Walsh brings us into the company's workshop and its early experiments with the masks and giant puppets that would become synonymous with the theatre's name What followed was a boldly creative approach to local literature which integrated an astonishing variety of traditions including Bunraku Kathakali black light collage and mummers Walsh takes a critical look at the personalities and influences that have shaped Mermaid's evolving style and management as a company Highlighting key players Garbary Lewis and Miller along with Jim Morrow Graham Whitehead Chris Heide Stephen Naylor and others she examines the theatre's growth from a garage in Wolfville to the current multi storeyed headquarters and full time staff based in Windsor For decades now the company's adventurous and ambitious approach to children's theatre has proved successful both on stage and off with hits like *The Very Hungry Caterpillar* *When Dinosaurs Dine by Moonlight* *Borrowed Black Gulliver's Travels* *Peter the Wolf* and *Sam Slick* Mermaid provides insight into the business and politics of managing a theatre company as well as the creative energy and raw materials involved in building and touring productions around the world In 30 years Mermaid has become known for its dramatizations of fairy tales legends contemporary literature and most recently stories for very young audiences Recreating productions from their inception through the design and rehearsal phases to opening night at children's festivals cultural exchanges and school gymnasiums at home and abroad Walsh captures the magic of Mermaid Photographs quotes and reviews coupled with Walsh's clarity and comprehensive telling bring the theatre's history of inspiring designs to life on the page This book measures 5 75 x 8 5 inches and is a Smyth sewn paperback bound in an offset printed cover The text is printed offset on laid paper Included are 32 pages of black white and colour photo reproductions

Motion Picture Paradise David Morton, 2025-09-16 Highlighting Florida's essential often overlooked role in shaping American film and television *Motion Picture Paradise* is a sweeping story of filmmaking in Florida featuring the activities of studios and

filmmakers across the peninsula by looking at the many iconic films and television shows shot in the state In the early years of the American film industry Florida was a favorite location for pioneer movie makers and David Morton chronicles the state's importance to producers throughout the next 125 years Often overshadowed by the well known entertainment industries of Hollywood and New York Florida has over time had several major film production centers Morton follows the rise and fall of filmmaking destinations across the state including Jacksonville St Augustine Tampa Bay Orlando and Miami as well as pioneering underwater and location based films shot at Florida's unique natural springs He argues that conflicting policies set by Florida politicians have at various times enticed or pushed away movie and television companies a pattern that has hampered serious investment Using a wealth of source materials Morton offers a comprehensive history that demonstrates how films and television shows made in Florida have influenced the state's sense of identity drawing attention to Florida's underacknowledged role as the third coast in American film history *Motion Picture Paradise* adds new insights into the state's dramatic social and economic transformations during the twentieth century *Motion Picture Exhibition in Washington, D.C.* Robert K. Headley, 2015-08-13 From inauspicious beginnings in the kinetoscope parlors and nickelodeons to the movie palaces of the golden era and finally to the pared down multiplexes of today this is the history of motion picture viewing in the nation's capital and vicinity The research is supported by numerous interviews The book includes a 200 page listing of all the movie theaters in the area past and present with data such as location dates of operation architect and seating capacity as well as a summary of each theater's history and current status Maps drawings and photographs most of which have never before been published round out this comprehensive study **Canadian Books in Print. mechanical cranking system accompanied by a lecture music and sometimes sound and light effects Showmen exhibited such panoramas in venues that ranged from opera houses to church halls creating a market for mediated realities in both city and country In the first history of this phenomenon Huhtamo analyzes the moving panorama in all its complexity investigating its relationship to other media and its role in the culture of its time In his telling the panorama becomes a window for observing media in operation Huhtamo explores such topics as cultural forms that anticipated the moving panorama theatrical panoramas the diorama the panoramania of the 1850s and the career of Albert Smith the most successful showman of that era competition with magic lantern shows the final flowering of the panorama in the late nineteenth century and the panorama s afterlife as a topos traced through its evocation in literature journalism science philosophy and propaganda
