**Voice, agency, empowerment - handbook on social participation for universal health coverage** ,2020-12-21 Social participation is an important means for governments to develop responsive health policies and programmes which are more likely to be implemented by a broad stakeholder group It is at the heart of the inclusive governance needed for countries to stake their individual paths towards Universal Health Coverage while ensuring that no one is left behind As simple as it may seem in theory it is a complex undertaking in practice one which policy makers struggle with The Handbook on Social Participation for UHC is thus designed to provide practical guidance anchored in conceptual clarifications on strengthening meaningful government engagement with the population communities and civil society for national health policy making It draws on best practices and lessons learned to support government institutions in setting up fine tuning improving and institutionalizing new or existing participatory health governance mechanisms The handbook follows through the different tasks which policy makers must reflect on and undertake when bringing in people s voice into health policy making Examples include creating an enabling environment for participation ensuring good representation strengthening capacities increasing policy uptake of participatory process results and sustaining participatory engagement over time A fundamental premise of the handbook rests on the idea that policy makers can leverage format and design elements of a participatory process to address power dynamics amongst participants thereby fostering more meaningful contributions to the process

**Cuban Literature in the Age of Black Insurrection** Matthew Pettway,2019-12-30 Juan Francisco Manzano and Gabriel de la Concepci n Vald s Pl cido were perhaps the most important and innovative Cuban writers of African descent during the Spanish colonial era Both nineteenth century authors used Catholicism as a symbolic language for African inspired spirituality Likewise Pl cido and Manzano subverted the popular imagery of neoclassicism and Romanticism in order to envision black freedom in the tradition of the Haitian Revolution Pl cido and Manzano envisioned emancipation through the lens of African spirituality a transformative moment in the history of Cuban letters Matthew Pettway examines how the portrayal of African ideas of spirit and cosmos in otherwise conventional texts recur throughout early Cuban literature and became the basis for Manzano and Pl cido s antislavery philosophy The portrayal of African

Atlantic religious ideas spurned the elite rationale that literature ought to be a barometer of highbrow cultural progress Cuban debates about freedom and selfhood were never the exclusive domain of the white Creole elite Pettway s emphasis on African inspired spirituality as a source of knowledge and a means to sacred authority for black Cuban writers deepens our understanding of Manzano and Plcido not as mere imitators but as aesthetic and political pioneers As Pettway suggests black Latin American authors did not abandon their African religious heritage to assimilate wholesale to the Catholic Church By recognizing the wisdom of African ancestors they procured power in the struggle for black liberation **Idolatry in America** Rod Parsley,2024 After reading this book you will understand the deadly grip of sin and its destructive nature for your personal life and community You will learn how you can repent and seek God for a spiritual awakening in our nation Sin stops the rain Moses predicted it at Mount Sinai Solomon prayed about it at the dedication of the temple in Jerusalem

**FOUNDATIONS OF COUNSELING PEOPLE** Michael E. Illovsy,2013-04-01 Those in the counseling profession are interacting more with people from other cultures the U S sphere of influence throughout the world is spreading increasingly we are providing services to clients who are not Caucasian or of European heritage and our educational programs have been active in training both domestic students of diverse ethnic backgrounds as well as foreign students These factors combine to contribute to the need for those who provide counseling to understand the elements involved in interacting with a wide spectrum of people This book meets that need by providing a brief synopsis on such topics as common factors values universals cross cultural competence and models approaches and psychological perspectives of human behavior theories of personality The emphasis is on material that relies more on the use of the scientific method and data instead of anecdotal and experiential literature For the reader who is interested in obtaining information from which statements are derived there are references to investigate the material further Unlike other book that stress the barriers between counselor and client this book adds the perspective that there are factors that facilitate interactions between the two There are also frequent cross cultural examples in the book To facilitate awareness of similarities and differences in views of human behavior samples of African Arab Chinese and European American perspectives are represented There is also a relatively large section on applications This consists of such subjects as cross cultural aspects of psychological theories ethics research tests Euro American approaches and experiences client characteristics client and counselor interactions and therapeutic techniques Many other topics are covered as well Students and professionals in the fields of counseling and psychology will find this book to be an invaluable addition to their library *A Miracle at Attu* Captain Bill Peterson ,Captain Mike Wallace ,2016-09-13
