The Red Widow Murders: A Sir Henry Merrivale Mystery (An American Mystery Classic) John Dickson Carr,2023-02-21 In this baffling whodunnit from the master of the locked room mystery a man falls dead in a guarded room and Sir Henry Merrivale searches for a devilishly clever killer They say that Lord Mantling s mansion is haunted at least one room of it is Known as the Red Widow s Chamber the now sealed quarters once housed the wife of a guillotine operator in the French Revolution and since her passing have been host to a century of unsolved horrors including the death of a man in 1802 the death of a child in 1895 and a number of mysterious mortalities in the years in between Now in 1935 eight men and women join at the manor for a sinister experiment to determine the truth behind the haunting once and for all they each draw a card and whoever pulls the Ace of Spades must spend a night in that terrifying room But the challenge turns fatal when the man selected for the task is found poisoned the next morning when the doors are opened The locked room was guarded all night so nobody could have entered or escaped what s more the deadly toxin could only have entered through a break in the skin but no wounds were discovered on the body Is this evidence at last of a nefarious spirit at work or of a diabolical and ingenious killer Only Sir Henry Merrivale called in to take note of the night s proceedings will be able to examine the clues and deduce the truth **Forthcoming Books** Rose Army,1995 Bowker's Guide to Characters in Fiction 2007 ,2008-02
