WHAT THEY RE SAYING ABOUT NUALA ELLWOOD Creepy and deliciously atmospheric this page turner has it all twists and turns and a powerful emotional punch Teresa Driscoll What a great book It s got everything a good thriller needs a creepy old house a remote location some great complex characters and lots of perfectly timed twists and turns Netgalley Reader Makes you question everything you thought you knew Emma Kavanagh Brilliantly compulsive and with one hell of a twist Claire Douglas The Good, the Bad and the Ugly Richard Taylor, 2024-08-01 The book takes 45 chart toppers and writes their story. The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971and a light novelty No 1 song was also the bass player on Lou Reed's hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children's songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No

45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book Andrew Maunder, 2021-12-02 This book is a study of the best selling writer for children Enid Blyton 1897 1968 and provides a new account of her career It draws on Blyton's business correspondence to give a fresh account of a misunderstood figure who for forty years was one of Britain's most successful and powerful authors It examines Blyton's rise to fame in the 1920s and considers the ways in which she managed her career as a storyteller journalist and magazine editor There is discussion of her most famous series including the Famous Five the Secret Seven Malory Towers and Noddy but attention is also given to lesser known works including the family stories she published to acclaim in the 1940s and early 1950s as well as her attempts to become a dramatist The book also discusses Blyton's fluctuating critical reputation how she and her works were received and how Blyton the person has fared at the hands of biographers and the media The Gingerbread Christmas <u>Village</u> Kiley Dunbar, 2023-08-31 Everyone deserves a Christmas treat The annual Wheaton gingerbread exhibit a model village made of gingerbread and grotto has been an important part of the sleepy Cotswold hamlet's Christmas celebrations for decades For years the gingerbread exhibition drew visitors from across the region and each year the model town grew more elaborate and ambitious but recently interest has been dwindling.
