historic Santa Fe during the day and the inn's owners Maude and Silas Thornhill are happy to spend their evenings hosting this year's guests from across the country. But an unusual snowstorm throws a wrench in the festive mood. The sprawling inn becomes close quarters as stranded guests discover this Christmas won't be the relaxed vacation they expected. Tension and fear mount as the storm worsens and Silas, a retired doctor, is called away in the middle of the night to care for a neighbor. The snow and stress unlocks tongues and in the unexpected conversation that follows, secrets and pasts are revealed and hearts are healed. In the midst of snowdrifts and fireside conversations of tales of days gone by, the warmth of Christmas brings a renewed hope as these trapped strangers become friends, proving again that the joy, hope, peace, and love of Christmas can be experienced no matter where you are.
