

From the office of Santa Clause

MERRY CHRISTMAS

Dear Aria,

It's getting very close to Christmas and my elves are very busy getting presents ready for all the good boys and girls around the world. Soon we will be loading up the sleigh and making a very special trip to visit you and your brother Henry.

Mrs. Claus and I wanted to let you know that we are very proud of you and we are very happy that you and your friend Silvia have been on your best behavior all year long. I have heard you have a very long list of gifts and it seems that Elena is at the top of the list! I will see if we can get the elves to work on that order!

Rudolph still needs to be fed, so I am going to wrap this letter up. Keep up the good behavior and I will see you soon! And don't forget that my friend Bilbo is keeping an eye out for me!

A Message from Santa Camille Klump,2022-11-03 From the author of *The Four Paws* and a Tale trilogy comes this insightful and compelling Christmas story Santa is worried that people do not believe they are responsible for destroying the delicate balance of the North Pole home to the elves reindeer starflowers arctic berries northern lights and some very special animals The elves in the workshop are sick and so are the reindeer the flowers and berries have not blossomed the Christmas crystals have not appeared there is no snow in the arctic lands and the northern lights cannot be seen It seems that the magic of Christmas might be lost forever One Christmas Eve Santa appears in the dreams of children and asks for their help Old St Nicks of yesteryears also visit parents and grandparents as they sleep St Nicks of the past hint to the older generation that they have failed to preserve the magic of Christmas by allowing technology and progress to disturb the arctic lands Human activity in and around the north pole will spell a very dismal future for the world Santa does however reveal a promising future where children and parents are engaged and active in protecting the forests glaciers oceans rivers lakes and animals

He implores the young and the old to leave this beautiful world a little better than they found it and begins to enlist the help of some very special humans to live and work in the North Pole Through conservation efforts and under the guidance of Father Christmas and Sugar Shot the chief woodland elf they begin to preserve and restore the arctic lands so that the magic of Christmas would endure for all generations **Santa's Pet** Rachelle Ayala,2018-04-18 **Christmas Letter to Santa** Playful Coco Playful Coco Melon,2019-12-03 On Sale Now 9 95 Regular Price 12 95 Tell your kids that SANTA IS REAL by giving this as a gift to them This book is filled with blank letters for them to write a message and a wish list with cute images to color to make it pretty for Santa This book has 120 pages meaning your kids can request more every day Give your little one the opportunity to express their feelings and wants this Christmas Season Your kids will surely have a great day and hours of fun thinking what to say or ask to Santa **Santa's Famous, Incredible, Flying Reindeer** Joe Moore,2015-07-15 Santa s Famous Incredible Flying Reindeer You may know their names But do you know how and why their names came to be Did you know there is a reason for the order they are in on the team And how did they amongst all the reindeer in and around the North Pole earn a coveted position on the Christmas Eve sleigh run Ever since the 18th century and into the 21st century Santa Claus has been using his magic reindeer to deliver gifts both spiritual and physical to the children of the world At last you have the chance to learn all about Santa s most famous incredible flying reindeer Including some occasional substitutions to the team most notably the red nose at the front You will also come to know that even with time travel on his side he wouldn t be able to accomplish his mission no matter his motivation without them Take a little while and get to know Santa s most famous team up close and personal You will even learn about the elf that takes care of the reindeer all year He is much bigger than the elves and fairies that are often depicted at the North Pole This book is perfect for ages 6 8 preteen and all family members who yearn to learn more about what was thought to be a fantasy And for those coming of age this will reinstate your belief in magic and help you appreciate the family life we have in the North Pole So come get to know Torch Dasher Dancer Prancer Vixen Comet Cupid Donner and Blitzen At last you can meet Santa s Famous Incredible Flying Reindeer and know what they truly look like **Distributed Computing and Artificial Intelligence, 17th International Conference** Yucheng Dong,Enrique Herrera-Viedma,Kenji Matsui,Shigeru Omatsu,Alfonso González Briones,Sara Rodríguez González,2020-08-06 This book brings together past experience current work and promising future trends associated with distributed computing artificial intelligence and their application in order to provide efficient solutions to real problems DCAI 2020 is a forum to present applications of innovative techniques for studying and solving complex problems in artificial intelligence and computing areas This year s technical program will present both high quality and diversity with contributions in well established and evolving areas of research Specifically 83 papers were submitted to main track and special sessions by authors from 26 different countries representing a truly wide area network of research activity The DCAI 20 technical program has selected 35 papers and as in past editions it will be special issues in ranked journals This

Bad Santas: Disquieting Winter Folk Tales for Grown-Ups Paul Hawkins, 2013-10-24 A gleefully dark and well researched exploration of the history and customs of European Yuletide folklore How did St Nicholas save children from cannibalism Who were the Yule Lads and why would they steal your sausages Why was the Alpine Father Christmas accompanied by a demonic figure called the Krampus who bundled children into sacks and dragged them off to Hell And why do Spanish nativity scenes often feature a defecating peasant Over the course of the 20th Century a universal image developed around the world of Santa Claus as a kindly Christmas visitor but prior to that each country town and community would have Christmas visitors of their own sometimes human sometimes animal sometimes something else entirely with their own curious set of mythology and customs The Finns were visited by a pagan goat named Joulupukki that was said to eat anyone who misbehaved In Iceland it was said that any child who did not receive an item of new clothing for Christmas would be caught and consumed by the monstrous Christmas Cat Bad Santas celebrates some of the most imaginative terrifying and outright curious Christmas figures from across Europe looking closely at its legacy of disquieting fairy stories With beautiful black and white line drawings in each chapter this unusual entertaining and gleefully dark exploration of seasonal folklore will make an ideal Christmas gift and the perfect book for reading around the fireside
