Paul Smith, 2019-04-10 Joseph Smith Prophet and the founder of The Church of Jesus Christ of Latter-day Saints continues to be the subject of adulation by many but he is the object of derision by some Mormon critics C Paul Smith an experienced trial attorney and strong defender of Joseph Smith highlights six historical and doctrinal issues pertaining to the prophet that remain the subject of debate plural marriage the succession of leadership following his death the stories of three splinter churches that broke off from the church founded by Joseph Smith the Book of Abraham blacks and the priesthood and six alleged false prophecies made by Joseph Smith The chapters on plural marriage give a concise history of key events of its introduction as a part of the restoration of the gospel of Jesus Christ The chapter on the Book of Abraham scrutinizes and exposes the fatal flaws in the arguments made by some Egyptologists that Joseph Smith's translation of the Book of Abraham is a fabrication The chapter on blacks and the priesthood analyzes race relations in the 20th century and it reviews some lesser-known statements by Joseph Smith The chapter on three LDS splinter churches provides important historical insights about three organizations that broke away from the Church in 1844 1852 60 and 1863 With debate still swirling around Joseph Smith it is more important than ever to understand the truth about him in order to appreciate the quality of who he was and the great importance of his work **A Guide to the Joseph Smith Papyri** John Gee, 2000 By His Own Hand Upon Papyrus Charles M. A Case for Latter-Day Christianity Robert Starling, 2019-08-26 Can a Mormon be a Christian How does that work That's the idea behind this personal book by Robert Starling a lifelong member of The Church of Jesus Christ of Latter day Saints who grew up in the heart of the Bible Belt Some folks there and elsewhere believe that Mormons are members of a non Christian cult Robert's purpose for this book is not to convert anyone but to give his strong reasons to dispel that misconception As a child of converts to Mormonism whose uncle is a retired Methodist pastor Robert has a unique perspective to share with Mormons and non Mormons alike He attended a Baptist vacation Bible school as a child and so did his own children and his best friend in college at Georgia Tech was the president of the Catholic student Newman Club Having resided in Utah for twenty years where he worked as a media producer for the LDS Church at its worldwide headquarters Robert has lived really inside Mormonism for decades While Robert is not an official spokesman for the LDS Church he has trained local church leaders in how to work with news media He's been active in defending his faith from critics he's been sued by them twice for a total of 30 million and sharing his knowledge with anyone interested in learning what Mormons really believe For instance Do Mormons believe in a different

Jesus What do Mormons believe about the Trinity How are Mormons saved Do Mormons baptize dead people Is there only one true church What happens in Mormon temples Do Mormons wear magic underwear Do Mormons worship Joseph Smith Is the Bible God's word for Mormons Do Mormons want to become like God What kind of evidences does Robert use to make his case Whether you're a Mormon or not you'll be surprised Take a look inside and find out and be sure to read the introduction

that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who in Anselm's words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed
