Hadrian Thorsten Oppen, 2008 Hadrian a Roman emperor the builder of Hadrian's Wall in the north of England a restless and ambitious man who was interested in architecture and was passionate about Greece and Greek culture Is this the common image today of the ruler of one of the greatest powers of the ancient world Published to complement a major exhibition at the British Museum this wide ranging book rediscovers Hadrian The sharp contradictions in his personality are examined previous concepts are questioned and myths that surround him are exploded Book Jacket Hadrian's Trader Richard Yeo, 2013-06-28 Lucius is a young Centurion in the time of Hadrian serving at Trimontium modern day Melrose in southern Scotland Trista is a Roman patrician girl living in Gaul She is orphaned and becomes a vagrant when her parents are killed by traitors plotting to overthrow the emperor Following the death of his wife Lucius becomes an imperial agent operating beyond the borders of the Empire as a trader seeking signs of invasion He meets Trista who is under threat of assassination The story follows their flight across Gaul pursued by evil forces to the German forests in a race to avert invasion and the death of the emperor **Time Is of the Essence** Gail Logan, 2009-09-30 It was half past midnight when Harry Amelia and Natasha stood in the midst of an empty circus arena Vorelis began going through his famous light show routine On ordinary occasions midway through such a routine people would have been brought to their feet with cheers and applause Now there was no audience Vorelis stepped beyond what he ordinarily did during a show The light performance quickly became something else Suddenly the arena disappeared Harry Amelia and Natasha found themselves standing in a field It was daylight and in the distance cows were grazing Hadrian's Wall Jessie Mothersole, 1923 Hadrian and the Christians Marco Rizzi, 2010-09-22 The Second Century occupies a central place in the development of ancient Christianity The aim of the book is to examine how in the cultural social and religious efflorescence of the Second Century to be witnessed in phenomena such as the Second Sophistic Christianity found a peculiar way of integrating into the more general transformation of the Empire and how this allowed the emerging religion to establish and flourish in Graeco Roman society Hadrian's reign was the starting point of that process and opened new possibilities of self definition and external self presentation to Christianity as well as to other social and religious agencies Differently from Judaism however Christianity fully seized the opportunity thus gaining an increasing place in Graeco Roman society which ultimately led to the first Christian peace under the Severan emperors The point at issue is examined from a multi disciplinary perspective including archaeology cultural religious and political history to challenge well established but no longer satisfactory historical and hermeneutical paradigms The contributors aim to examine institutional issues and sociocultural processes in their different aspects as they were made possible on Hadrian's initiative and resulted in the merge of early Christianity into the Roman

Stone,David Brough,2013-11-13 Hadrian s Wall was inscribed as a World Heritage Site WHS in 1987 and with the German Limes became one of the first two parts of the transnational Frontiers of the Roman Empire FRE WHS in 2005 The World Heritage Site of Hadrian s Wall is unusual although not unique among World Heritage sites in its scale and linear nature stretching from Ravenglass on the west coast of England to Newcastle upon Tyne on the east coast over 150 miles Along its length it passes through two major urban centres and a variety of rural landscapes and its remains vary from substantial upstanding architectural features to invisible below ground archaeology Traditionally many of the constituent parts of Hadrian s Wall forts etc have been managed as separate entities by different State and private organisations These and other issues make it an extremely complex WHS to manage This book not only chronicles the past management of the Wall but also looks towards the future as more countries aspire to have their Roman frontiers added to

the FRE The experience gained over the last two decades illustrates developments in the management of large scale complex heritage sites that will be of value as a detailed case study to those involved in and affected by heritage management as well as academics and students Many of the issues raised will find resonance in those faced by many other large World heritage sites Sparrow's Flight Harvey L Covey Jr,2016-06-30 Princess Katianna Blake Sparrow must flee from her home and the man who intends to force her into marriage so as to take her crown She travels the many realms gathering troops and support to aide her father against prince Hadrian s siege But when her knight protector is ripped from her she finds help from a most unlikely ally and her flight takes on a whole new meaning less *Hadrian's Wall* Richard Hingley,2012-10-04 In *Hadrian s Wall A Life* Richard Hingley addresses the post Roman history of this world famous ancient monument Constructed on the orders of the emperor Hadrian during the 120s AD the Wall was maintained for almost three centuries before ceasing to operate as a Roman frontier during the fifth century The scale and complexity of Hadrian s Wall makes it one of the most important ancient monuments in the British Isles It is the most well preserved of the frontier works that once defined the Roman Empire While the Wall is famous as a Roman construct its monumental physical structure did not suddenly cease to exist in the fifth century This volume explores the after life of Hadrian s Wall and considers the ways it has been imagined represented and researched from the sixth century to the internet The sixteen chapters illustrated with over 100 images show the changing manner in which the Wall has been conceived and the significant role it has played in imagining the identity of the English including its appropriation as symbolic boundary between England and Scotland Hingley discusses the transforming political cultural and religious significance of the Wall during this entire period and addresses the ways in which scholars and artists have been inspired by the monument over the years **Definitely Deadly** A.C. Christian Muslim Relations a Bibliographical History 1 CMR1 is the first part of a general history of relations between the faiths from the seventh century to the present. It covers the period from 600 to 1500 when encounters took place through the extended Mediterranean basin and are recorded in Syriac, Arabic, Greek, Latin and other languages. It comprises introductory essays on the treatment of Christians in the Qur'an, commentaries, biographies of the Prophet, Hadith and Sunni law and of Muslims in canon law and the main body of more than two hundred detailed entries on all the works recorded whether surviving or lost. These entries provide biographical details of the authors where known, descriptions and assessments of the works themselves and complete accounts of manuscripts, editions, translations and studies. The result of collaboration between leading scholars, CMR1 is intended as a basic tool for research in Christian-Muslim relations.
