Message Of Judges Grace Abounding:

The Message of Judges Michael Wilcock,2022-02-22 The book of Judges reveals the deepest sins of humanity in the light of God's abundant grace Behind leaders such as Deborah Jephthah and Samson stands the principal actor in this drama God as Judge In this BST commentary Michael Wilcock illuminates the meaning that Judges still holds for us today exploring the message that God never abandons his people then or now **The Message of Jeremiah** Christopher J. H.

Wright,2014-02-10 A replacement volume in the Bible Speaks Today Old Testament commentary series this book offers a new exposition on Jeremiah a book of the victory of God's love and grace The prophet's redemptive reconstructive work comprises the book's portrait of the future a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah **The Message of the Holy Spirit** Keith Warrington,2020-05-21 Despite the teaching of the Bible and church tradition it seems that many Christians can still lack an appreciation of God the Holy Spirit He has sometimes been

valued more for the gifts he bestows than for who he is or he has been viewed simply as the third person of the Godhead However Keith Warrington's conviction is that the Holy Spirit is more important more central more immanently involved in his creation the church and individual believers more often and more strategically than many Christians realise When Jesus left his disciples and went to heaven he gave the best gift he could the Holy Spirit knowing that he will be our dynamic guide and partner as we seek to live as God's people In this practical biblically based exploration of the Spirit Warrington encourages believers to recognize that the same Spirit seeks to encounter us and desires that we encounter him **The**

Spirit is one that needs to be heard today In this BST volume Robert Fyall highlights parallels between Israel and today's church demonstrating the relevance of these books for God's people in all times The Message of Genesis 12-50 Joyce G. Baldwin,2022-01-11 Genesis sets the scene for the whole of the Bible and indeed the entire human drama In this BST commentary Joyce G Baldwin shows how the vivid narratives of Abraham Isaac Jacob and Joseph in Genesis 12-50 still speak to us today highlighting God's ways of dealing with ordinary imperfect people in fulfilling his great plan for the whole of humanity *The Message of Joel, Micah & Habakkuk* David Prior,2024-07-02 Where is God in times of disaster What are

God's people to do about moral decay in society The books of Joel Micah and Habakkuk offer special insight on these perennial problems David Prior's exposition provides careful study and measured application for today's church and points to a transcendent God who gives hope in uncertainty **The Message of Obadiah, Nahum & Zephaniah** Gordon Bridger, 2024-04-02 At the heart of the rarely read or preached books of Obadiah Nahum and Zephaniah are important themes like God's character facing up to sin and judgment responding in repentance and hoping for future salvation and restoration In this BST volume you'll find prophets that spoke to the real world and continue to speak to us today **The Message of the Song of Songs** Tom Gledhill, 2023-11-07 In this BST volume Tom Gledhill explores the unique biblical interlude of Song of Songs He incorporates themes raised by the Song such as human nature mortality and social and cultural conditioning while staying focused on the text as an extended love poem both beautiful and mysterious **The Message of Holiness** Derek Tidball, 2010-05-05 Derek Tidball surveys the Scriptures for a comprehensive biblical understanding of the elusive mandate from God to be holy as I am holy The triune God of glory he contends sets us on paths that lead us through encounters with God ourselves our enemies and our companions to our ultimate destination where we discover that we have been reshaped by God into his own image *Conversations with Scripture* Roy Heller, 2011-09-01 The Book of Judges appropriate for Sunday School curriculum or an irredeemably violent book Throughout its history Judges has both entertained and appalled readers some read it as a series of simple stories about faithfulness and some as a brutal and bloodthirsty book Heller explores how Judges can shape our understanding of our world our relationships and can provide a path to a deeper appreciation of the ways of God among people Far from seeing the book as either simplistic or cruel Heller allows this odd text to speak to us anew about God sin relationships and justice *Hear Her Voice* Christine Redwood, 2024-08-01 How does our gender impact our preaching Can women express anger in a sermon Why use a first person narrative sermon structure After preaching for several years Christine Redwood realized both her preaching role models and her theology had come predominantly from men so she spent the next six years researching feminist scholars and their readings of stories from the book of Judges In this accessible book she shares what she has learnt including sample sermons and exercises for preachers wanting to grow in their craft This is essential reading for preachers wanting to amplify marginal voices *Puzzling Portraits* A.J. Culp, 2013-07-08 How are we to see the Old Testament's characters typically a tangle of both virtue and vice as models for our own ethical living It is clear that Scripture intends for us to embody some qualities while eschewing others and at times these are immediately obvious David's wholehearted pursuit of God is admirable while his adultery with Bathsheba and murder of Uriah are deplorable But more often than not we are left with shades of gray not really knowing whether the narrator approves disapproves or is indifferent to the behavior of these characters The present work seeks to address this issue situating itself at the fault line of the problem character portrayal It argues that often what we take to be the narrator's silence about a character is not silence at all rather the narrator is simply

speaking in ways that we are not attuned to By becoming attuned to the voice of biblical narrative and by understanding its role in ethics therefore we are better able to understand the characters as resources for our own ethics This work develops its ideas by leveraging pertinent literary and ethical models which are then trained upon a particular case in point the Gideon account in Judges 6 8 *Narrative Obtrusion in the Hebrew Bible* Christopher T. Paris,2014 A title in which the narrator occasionally obtrudes into the narrative to manage or deflect anticipated reader questions and assumptions sometimes invoking the divine sometimes protecting a favored character in an interpretive stance that the author compares with the commentary provided by later rabbis and in the Targums *The Message of Colossians & Philemon* Dick Lucas,2020-12-22 The epistle to the Colossians is filled with teachings and warnings that are relevant to the church in every era In this revised BST volume Dick Lucas identifies key themes of Paul s letter and considers applications for today exploring the great truths of the faith freedom victory over evil knowledge of God unity and more **Old Testament Theology** Paul R.

House,2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many *The Message of 2 Corinthians* Paul Barnett,2020-11-24 The letter of 2 Corinthians reveals a powerful debate between the apostle Paul and a shadowy group of opponents along with the local church members who supported them In this revised BST volume Paul Barnett works passage by passage to provide helpful background draw out key themes and offer applications for Christians today *The Theology of the Levitical Priesthood* Nicholas J. Haydock,2015-06-30 In this book Nicholas Haydock explores the biblical presentation of the Levitical priesthood drawing out themes that run throughout Scripture and reveal God s intention for the priesthood It is successfully argued that this intention cannot be divorced from God s desire to reveal himself to the nations This hypothesis is shown to be true in examining the various functions and metaphors ascribed to the Levites Whereas in much of Old Testament criticism the Levitical priesthood has been painted in a light contrary to the biblical depiction *The Theology of the Levitical Priesthood* takes the canonical presentation of the Levites at face value It is the author s conviction that in attending to the biblical presentation of the Levites the Church will be aided and better equipped to apply herself to Scripture and to participate within God s mission in the present day

Tamar's Tears Andrew Sloane,2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture
