Padgett

(Medium),2008-12-01 Can beliefs be healed that were created in error Of course they can and this is precisely why Jesus returned to give these messages to mankind He did this in order to show the truths he taught 2 000 years ago Yes he did return and rather than take time to show the many errors in the Bible Jesus instead presents what he really said and meant Read this book and investigate the central message of Jesus revealed anew today The core teaching of Jesus is that it is the will of our Heavenly Father to give the great gift of His Divine Love Learn what this means and how this love may change your life This book is a new compilation of selected spirit writings from a larger collection generally known as the Padgett Messages James Padgett received these messages between 1914 and 1920 and though they were delivered by the spirit world nearly a century ago the reader will discover that they remain relevant and true today **Teachers Magazine** ,1911

Good Or God? John Bevere,2015-08-11 These days the terms good and God seem synonymous We believe what s generally accepted as good must be in line with God s will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to recognize it Good or God isn t another self help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life **DIVINE LOVE**
