

A group of people in a desert landscape, possibly a crowd of disciples, with mountains in the background. The scene is dimly lit, suggesting dusk or dawn. The people are dressed in simple, light-colored robes. Some are standing, while others are sitting or kneeling on the ground. The background shows rolling hills and mountains under a hazy sky.

Faith Lies Darrell Smith, 2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that

flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options *The Gospel Message*, 1911 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1968 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December *The Message Behind the Movie* Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood's most successful films and from some of the indie favorites that have gained cult followings *The Message Behind the Movie* is a fun and enlightening look at the art from that defines our age **7 Day Series** Larry Cochran, *Gospel Herald*, 1909

The Oxford Handbook of the Bible in Orthodox Christianity Eugen J. Pentiuc, 2022-07-26 The Oxford Handbook of the Bible in Orthodox Christianity investigates the various ways in which Orthodox Christian i e Eastern and Oriental communities have received shaped and interpreted the Christian Bible The handbook is divided into five parts Text Canon Scripture within Tradition Toward an Orthodox Hermeneutics and Looking to the Future The first part focuses on how the Orthodox Church has never codified the Septuagint or any other textual witnesses as its authoritative text Textual fluidity and pluriformity a characteristic of Orthodoxy is demonstrated by the various ancient and modern Bible translations into Syriac Coptic Ethiopian Armenian among other languages The second part discusses how unlike in the Protestant and Roman Catholic faiths where the canon of the Bible is closed and limited to 39 and 46 books respectively the Orthodox canon is open ended consisting of 39 canonical books and 10 or more anaginoskomena or readable books as additions to Septuagint The third part shows how unlike the classical Protestant view of sola scriptura and the Roman Catholic way of placing Scripture and Tradition on par as sources or means of divine revelation the Orthodox view accords a central role to Scripture within

Tradition with the latter conceived not as a deposit of faith but rather as the Church's life through history. The final two parts survey traditional Orthodox hermeneutics consisting mainly of patristic commentaries and liturgical interpretations found in hymnography and iconography and the ways by which Orthodox biblical scholars balance these traditional hermeneutics with modern historical critical approaches to the Bible.

1001 Unforgettable Quotes About God, Faith, and the Bible Ron Rhodes, 2011-04-01 Bible scholar and avid reader Ron Rhodes gathers his favorite quotes from classic and contemporary Christians about Scripture, belief, God, and life. For added spiritual insight, Rhodes provides Bible truths behind each presented quote. Topical selections can be read in order or as areas of interest arise for a reader. Attitude: If you can't change circumstances, change the way you respond to them. Tim Hansel, 1941-2009 Seminar leader. Bible Truth Behind the Quote: For those who love God, all things work together for good; for those who are called according to his purpose. Romans 8:28. This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

The Normal Christian Faith Watchman Nee, 1993-05-01 The question of the existence of God looms large in humanity's search for meaning. We all confront this question throughout the course of our lives, whether our response is one of belief or unbelief. In a simple yet detailed discussion of this fundamental question, Watchman Nee presents a compelling case for belief in God by showing that God became a man to personally answer this question for us. Arranged in four major sections, *The Normal Christian Faith* presents a clear view of our faith, beginning with the knowledge of God, Christ, and the Bible and progressing to an understanding of redemption, life, and the Spirit.

The Future of Our Faith Ronald J. Sider, Ben Lowe, 2016-02-09 Younger Christians are leaving the church in droves, frustrated and disillusioned by the track record of American Christianity. Older Christians who still lead most churches are concerned about this trend. But the generations don't see eye to eye on many things. Here two evangelical leaders, forty years apart in age, discuss some of the biggest issues challenging Christianity today and into the future, such as marriage, homosexuality, creation care, and politics. The authors model and cultivate an intentional, charitable, and much-needed intergenerational dialogue. Each chapter includes sidebar reflections from notable Christian leaders and individual and small group study questions.

Take Hold of the Faith You Long For Sharon Jaynes, 2016-05-03 On the outside, many women are well put together: Christians with trendy shoes, beautiful children, and wide white smiles. On the inside, those same women are little girls cowering at the edge of the playground, hoping no one notices them, yet still wishing they could join in. They've professed faith and know the right things, but they struggle to truly take hold of the life more abundant that Jesus offers. Instead, they settle for a life that's less than what God has promised them. In this liberating book, Sharon Jaynes reveals the most common reasons women get stuck with a mediocre, mundane faith. Then she shows women how to break free and move forward, leaving behind the feelings of inferiority, inadequacy, and insecurity that are holding them hostage. She uncovers untapped sources of confidence and courage, equipping women to
