The Doctrine of Necessity in International Law Burleigh Cushing Rodick, 1928 *Public Documents of Massachusetts* Massachusetts, 1886 **Report of the Librarian of the State Library** State Library of Massachusetts, 1892 **Report of the Librarian of the State Library of Massachusetts** State Library of Massachusetts, 1891 **Civic Education in the Twenty-First Century** Donald M. Gooch, Michael T. Rogers, 2015-09-18 Imagine an America where politicians governmental institutions schools new technologies and interest groups work together to promote informed engaged citizens Civic Education in the Twenty First Century brings together scholars from various disciplines to show how such a United States is possible today Inspired by Alexis de Tocqueville s analysis of American democracy in the early 1800s this edited volume represents a multidimensional evaluation of civic education in its new and varied forms While some lament a civics crisis in America today Civic Education in the Twenty First Century raises hope that we can have an informed and active citizenry We find the activities of a number of politicians government institutions schools and interest groups as promising developments in the struggle to educate and engage Americans in their democracy New technologies and new innovations in civic education have laid the foundation for a revitalized American civic ecology With Civic Education in the Twenty First Century we call for the United States to make these practices less isolated and more common throughout the country The volume is broken into three major sections First there are four chapters exploring the history and philosophical debates about civic education particularly with respect to its role in America s educational institutions Then the second section provides seven groundbreaking inquiries into how politicians and political institutions can promote civic education and engagement through their routine operations As some examples this section explores how politicians through campaigns and judiciaries through community programs enhance civic knowledge and encourage civic engagement This section also explores how new technologies like the Internet and social media are increasingly used by government institutions and other entities to encourage a more politically informed and engaged citizenry Finally the third section contains six chapters that explore programs and practices in higher education that are enhancing civic education engagement and our knowledge of them From the virtual civics campus of Fort Hayes State to citizens academies throughout the country this section shows the possibilities for schools today to once again be civics actors and promoters **Availability of Information from Federal Departments and Agencies: Panel discussion with government lawyers** United States. Department of Justice,1907 **The First Cold Warrior** Elizabeth Edwards Spalding,2006-05-26 From the first days of his unexpected presidency in April 1945 through the landmark NSC 68 of 1950 Harry Truman was central to the formation of America s grand strategy during the Cold War and the subsequent remaking of U S foreign policy Others are frequently associated with the terminology of and responses to the perceived global Communist threat after the Second World War Walter Lippmann popularized the term cold war and George F Kennan first used the word containment in a strategic sense Although Kennan Secretary of State Dean Acheson and Secretary of Defense George C Marshall have been seen as the most influential architects of American Cold War foreign policy The First Cold Warrior draws on archives and other primary sources to demonstrate that Harry Truman was the key decision maker in the critical period between 1945 and 1950 In a significant reassessment of the thirty third president and his political beliefs Elizabeth Edwards Spalding contends that it was Truman himself who defined and articulated the theoretical underpinnings of containment His practical leadership style was characterized by policies and institutions such as the Truman Doctrine the Marshall Plan NATO the Berlin airlift the Department of Defense and the National Security Council Part of Truman s unique approach shaped by his religious faith and dedication to anti communism was to emphasize the importance of free peoples democratic institutions and sovereign nations With these values he fashioned a new liberal internationalism distinct from both Woodrow Wilson s progressive internationalism and Franklin D Roosevelt s liberal pragmatism which still shapes our politics Truman deserves greater credit for understanding the challenges of his time and for being America s first cold warrior This reconsideration of Truman s overlooked statesmanship provides a model for interpreting the international crises facing the United States in this new era of ideological conflict **Supplement ... to the Classified and Dictionary Catalogue of the Belleville Public Library, Belleville, Illinois ...** Belleville Public Library,1900 **Grant's Enforcer** Guy Gugliotta,2025 Guy Gugliotta had two purposes in writing Taking Down the Klan To give voice to the victims of the Ku Klux Klan during Reconstruction and to profile Attorney General Amos T Akerman the first lawman to use the Fourteenth Amendment to prosecute civil rights violations In 1871 he and a few allies used the amendment to destroy the Ku Klux using York County South Carolina as an example that reverberated throughout the South Gugliotta treats readers as if they are following the story when it happens watching vicious back and forth debate in Congress riding with the Ku Klux on its way to a lynching feeling what it s like to be lied to beaten spat at and left helpless by white neighbors you have known all your life This has never been done before Gugliotta uses primary sources almost exclusively newspapers documents and first person accounts He relies on thousands

of pages of testimony taken by a Congressional Committee tasked in 1871 to study the Ku Klux Klan a breathtaking compilation of first person accounts by Ku Klux victims their Ku Klux attackers local and national politicians public officials and private citizens He also uses recently digitized newspaper archives to access multiple stories and opinions about particular events This new tool gives the narrative a depth of context and immediacy impossible during the age of microfilm
