Interfaith Dialogue Muhammad Shafiq, Mohammed Abu-Nimer, 2011-01-01 Islam recognizes a plurality of religions and asks Muslims to respect other religions The primary role of interfaith dialogue is to remove misunderstanding and accept difference the aim being to generate a climate of peaceful coexistence and harmonious social relations And this is perhaps more needed today than ever before as mankind is increasingly called upon to exercise tolerance in a markedly volatile world where living and working together in diversity is fast becoming the norm Interfaith dialogue is by no means easy defensive reaction uncomfortable exchange and an overwhelming desire to avoid a perceived compromise of deeply held principles are some of the pitfalls that can easily cool commitment and the best of endeavors It is here that this Guide makes an important contribution The book is designed to guide Muslims who are interested and or involved in building relations with those of the Jewish and Christian faiths **Encyclopedia of Muslim-American History** Edward E. unsavory truths about the founder of Islam Muhammad drawn directly from Islamic sources The prophet of Islam was arguably demon possessed or severely demonically influenced Muhammad s prophetic career began with an encounter with a spirit entity in the cave of Hira Islamic literature states that the alleged angel Gabriel manhandled and abused him leaving him terrorized suicidal and in a state of madness This encounter alone should raise red flags Moreover Islamic texts report that Muhammad was under a black magic spell uttered the words of Satan in the infamous Satanic Verses event and had a demonic spirit guide or familiar spirit Again this is all coming from Islamic texts Additionally Muhammad and many of his contemporaries believed he was demon possessed Indeed he experienced many strange physical manifestations such as twitching foaming at the mouth convulsing roaring or snorting like a camel that was falsely believed to be divine inspirations from the supposed angel Gabriel and or Allah These disturbing accounts form the basis of our e book which gives an uncensored and uncompromised look at Muhammad and the religion he founded Islam The content of Islamic texts is shocking appalling and downright disturbing Much of such information is not even known to educated Muslims Nothing is held back when Muhammad s deplorable morality is scrutinized Would God who is righteous and holy work behind a person who sanctioned many atrocious acts and practices child marriage wife beating assassinations torture and sex slavery Was Muhammad a perfect example for mankind as many Muslims believe when Islamic sources document actions that many today would describe as cruel discriminatory oppressive and tyrannical What is also covered is his controversial consummation of marriage to a 9 year old girl named Aisha at the age of 54 What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity This e book has a wealth of evidence that Muhammad was indeed demon possessed and thus should be considered a false prophet of God We thoroughly examine the idea of him being demonically influenced using over 1 000 direct quotations all hyperlinked directly to the source from the most authoritative Islamic sources the Quran authentic hadiths tafsirs sirah literature etc The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry i e expelling demons out of people by the power and authority of Jesus With this expertise the e book uncovers not only the evidence but also the broader implications What would be the purpose of Satan using Muhammad One reason is to blind people s minds from believing the Gospel that Jesus is the only begotten Son of God who died on the cross for the sins of the world and was resurrected Without the belief in the Gospel there is no salvation This analysis serves a critical purpose for all truth seekers It is a great resource for those involved in Christian apologetics and polemics with many references refuting the religion of Islam

Muhammad's Mission Tilman Nagel, 2020-07-06 Combining vast erudition with a refusal to bow before the political pressures of the day Muhammad s Mission Religion Politics and Power at the Birth of Islam by Professor Tilman Nagel one of the world s leading authorities on Islam is an introduction to three inseparable topics the life of Muhammad 570-632 CE the composition of the Koran and the birth of Islam While accessible to a general audience it will

also be of great interest to specialists since it is the first English translation of Professor Nagel's attempt to summarize a lifetime of research on these topics. The Introduction, Chapters 1-2 and Appendix 1 provide essential historical background on the Arab tribal system and Muhammad's position within that system, the political situation in pre-Islamic Arabia, the history of Mecca, and pre-Islamic Arabian religions. Chapters 3-5 cover the beginnings of the revelations that Muhammad claimed to be receiving from Allah, paying special attention to the influence on Muhammad of the hanifs, a group of pre-Islamic pagan monotheists attested in the earliest Islamic sources. The hanifs claimed to trace their religion back to the putative original monotheism of Abraham from which they claimed Jews and Christians had deviated by, among other things, abandoning animal sacrifice. Chapter 6 explains how Muhammad's religious message included a thinly veiled claim to have the right to political power over Mecca, a claim that exacerbated tensions with his own clan and led eventually to his expulsion from Mecca, as recounted in Chapter 7. Chapters 8-10 describe the impact of the hijra on the evolution of Islam. Seeing himself as the true heir to Abraham and the prophets who followed him, Muhammad would demand allegiance from Jews and Christians, as recounted in Sura 2 and other Medinan suras. He would initiate a war against Mecca, not in self-defense but in order to gain control over the Kaaba, the central hanif shrine, and the new qibla, or direction of prayer, for the Muslims. The Muslim victory at the Battle of Badr in 624 would help to shape a new ideal of a militarized religiosity in which those who waged war under Muhammad's command would attain the rank of true believers, while those converts who refused to make hijra and to fight for Muhammad were relegated to the lower rank of mere Muslims. As Suras 8 and 49 make clear, Muhammad's war against Mecca alienated many of his Medinan followers, the ansar. The refusal of the Jews to convert to Islam, combined with the close connection of the Jews to the ansar, led Muhammad to make war on the Jews as well as the Meccans. The surrender of Mecca in 630, Chapter 11, did not lead to the end of war, for the aggressiveness and military success of Muhammad's movement had made it attractive to a slew of new converts whose desire for booty had to be placated. Sura 9, promulgated near the end of Muhammad's life, served as a broad declaration of war against polytheists, Jews, and Christians. Chapter 12 describes the evolution of Islam late in Muhammad's life into a religious warrior's movement that sought to extend the rule of Islam over the entire inhabited world. Chapter 13 covers the final pilgrimage and death of Muhammad, while Chapters 14-20 describe the development of Islamic dogma surrounding the figure of Muhammad and its implications for politics in the Islamic world and interfaith relations with non-Muslims up till the present day. The book concludes with appendices in which Nagel summarizes the state of scholarship regarding the life of Muhammad. Appendix 2, and the tensions between competing varieties of Muslim recollection of Muhammad. Appendix 3, Muhammad's Mission: Religion, Politics, and Power at the Birth of Islam, is an erudite and authoritative guide to events of world historical importance by a scholar who has spent a lifetime mastering the primary sources documenting the birth of Islam.
