was an even match between the Spitfires and Hurricanes of the Royal Air Force and the Luftwaffe's Messerschmitts and Focke Wulfs but the scales tipped in favor of the Allies in 1943 with the arrival of the Eighth US Air Force and its peerless P 51 Mustang. The book has been endorsed by the top fighter commanders of three air forces: the RAF Johnnie Johnson, the USAAF Hub Zemke, and the Luftwaffe Adolf Galland and is considered essential reading for anyone interested in the aerial war of 1941-45. Jagdgeschwader 3 "Udet" in World War II Jochen Prien, Gerhard Stemmer, 2002. A description of the operational history of the new I JG3 Udet which was formed at the beginning of 1942 and saw its first action during the German summer Russian offensive of 1942, then served a tough and costly tour of duty in the Defense of the Reich and over the Western Front before seeing several weeks of desperate defensive action in the east of the Reich.

World War II Evan Mawdsley, 2020-04-30. This is a revised and updated edition of Evan Mawdsley's acclaimed global history of World War II. Beginning with the outbreak of the Sino-Japanese War, Evan Mawdsley shows how the war's origins lay in a conflict between the old international order and the new and traces its globalisation as it swept through Asia, Europe, and the Middle East. The primary focus is on the war's military and strategic history, though also examines the political, economic, ideological, and cultural factors which influenced the course of events. The war's consequences are examined too, not only in terms of the defeat of the Axis but also of the break up of colonial empires and the beginning of the Cold War. Accessibly written and well illustrated with maps and photographs, the book also includes insightful short studies of the figures, events, and battles that shaped the war, as well as fully updated guides to further reading.

Jagdgeschwader 3 Udet in World War II Jochen Prien, Gerhard Stemmer, 2003-07-21. Jochen Prien, author of the definitive Messerschmitt Bf 109 F G K Series and the extensive three-volume study of JG 53, presents JG 3 in its complete history from formation to the end of World War II. This second volume presents the unit history of the Udet Geschwader's second Gruppe, II JG 3, beginning with its formation in 1938 and the subsequent service of the newly formed Gruppe in the Campaign in the West from 1940-1941. Next, the Gruppe's 1941 tour of duty in Russia is dealt with, followed by a short spell in the Mediterranean theatre of war where II JG 3 was involved in the fighting over Malta in the spring of 1942. In June 1942, the Gruppe was again shifted to the east where it took part in the advance on Stalingrad, where it suffered serious losses. 1943 saw the Gruppe still in Russia until it was recalled to the Reich to see further service in the defence of Germany between August 1943 and early June 1944. After its return to the Reich and a short period of rest and re-equipping, II JG 3 was again called upon for service in the Reichsverteidigung, this coming to an abrupt end when in November 1944 the Gruppe was separated from its parent Geschwader in order to re-equip with the new Me 262 jet fighter and become part of the first jet fighter Geschwader of the Luftwaffe, JG 7. Vol II then takes up the history of the newly formed II JG 3, a former bomber unit that was transformed into a fighter Gruppe at the end of 1944. This new Gruppe came too late to see significant service against the Western Allies but was transferred to the east at the beginning of 1945 in order to counter the massive Soviet offensive that overran the eastern

parts of the Reich since mid January 1945 Hopelessly outnumbered its operations being curtailed now by a lack of fuel the new II JG 3 struggled on until the collapse of the Reich
