Joseph Samuel Christian Frederick Frey, 1844 Recognizing the Messiah's Message Jeffrey Leath, 2015-03-09 Hebrews were waiting for the Messiah to come and set them free free from the bondage of the Roman enemy But then announced to a group of shepherds one night the Messiah arrived was wrapped in strips of cloth and took His royal position in a feed trough This was the Son of God who takes away the sins of the world He was given authority from His Father He would show signs of His Messiahship and have a great following because of His miraculous healings even bringing the dead back to life But His message was confusing to some He didn't meet the expectations of the Messiah He said that we should love our enemies He said that God was a loving heavenly Father and even referred to Him as Daddy Abba Father And then there was His message of relating to God through humility Matthews writing helped the early Hebrew Christians recognize Jesus is the Messiah an important message that encourages one to stand firmly in faith Recognizing and identifying with the Messiah's message will lead us to call upon our one true Teacher and Savior Jesus Christ through whom we receive God's loving grace and mercy

Jesus and YHWH-Texts in the Synoptic Gospels Scott Brazil,2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology

The Hermeneutics of the Biblical Writers Abner Chou,2019-03-21 A method of interpretation a hermeneutic is indispensable for understanding Scripture constructing theology and living the Christian life but most contemporary hermeneutical systems fail to acknowledge the principles and practices of the biblical writers themselves Christians today cannot employ a truly biblical view of the Bible unless they understand why the prophets and apostles interpreted Scripture the way they did To this end Abner Chou proposes a hermeneutic of obedience in which

believers learn to interpret Scripture the way the biblical authors did including understanding the New Testament's use of the Old Testament Chou first unfolds the prophetic hermeneutic of the Old Testament authors and demonstrates the continuity of this approach with the apostolic hermeneutic of the New Testament authors Luke/Acts and the End of History Kylie Crabbe, 2019-11-18 Luke Acts and the End of History investigates how understandings of history in diverse texts of the Graeco Roman period illuminate Lukan eschatology In addition to Luke Acts it considers ten comparison texts as detailed case studies throughout the monograph Polybius's Histories Diodorus Siculus's Library of History Virgil's Aeneid Valerius Maximus's Memorable Doings and Sayings Tacitus's Histories 2 Maccabees the Qumran War Scroll Josephus's Jewish War 4 Ezra and 2 Baruch The study makes a contribution both in its method and in the questions it asks By placing Luke Acts alongside a broad range of texts from Luke's wider cultural setting it overcomes two methodological shortfalls frequently evident in recent research limiting comparisons of key themes to texts of similar genre and separating non Jewish from Jewish parallels Further by posing fresh questions designed to reveal writers' underlying conceptions of history such as beliefs about the shape and end of history or divine and human agency in history this monograph challenges the enduring tendency to underestimate the centrality of eschatology for Luke's account Influential post war scholarship reflected powerful concerns about salvation history arising from its particular historical setting and criticised Luke for focusing on history instead of eschatology due to the parousia's delay Though some elements of this thesis have been challenged Luke continues to be associated with concerns about the delayed parousia affecting contemporary interpretation By contrast this study suggests that viewing Luke Acts within a broader range of texts from Luke's literary context highlights his underlying teleological conception of history It demonstrates not only that Luke retains a sense of eschatological urgency seen in other New Testament texts but a structuring of history more akin to the literature of late Second Temple Judaism than the non Jewish Graeco Roman historiographies with which Luke Acts is more commonly compared The results clarify not only Lukan eschatology but related concerns or effects of his eschatology such as Luke's politics and approach to suffering This monograph thereby offers an important corrective to readings of Luke Acts based on established exegetical habits and will help to inform interpretation for scholars and students of Luke Acts as well as classicists and theologians interested in these key questions BIBLICAL APOCALYPTICS HANDBOOK Edward D. Andrews, 2023-07-12 Biblical Apocalypitics Handbook A Study of the Most Important Revelations that God and Christ Disclosed in the Bible offers a comprehensive and scholarly analysis of the apocalyptic literature in the Bible tracing the threads of prophecy judgment and revelation from Genesis to the Pauline Epistles Authoritative yet accessible this book delves deep into the heart of apocalyptic writings considering their historical context theological implications and prophetic significance Readers will gain an understanding of the concept of apocalypticism its symbolism and its forms of composition The book casts light on the apocalyptic elements in the Hebrew songs such as the Psalms and Song of Solomon emphasizing their significance in understanding God's righteous judgment

the new creation and the end times The deep study of the Edenic apocalypse of sin and judgment along with an in depth examination of each book of the Bible reveals God s plan for humanity His covenant promises and prophetic insights into the fate of the nations From the prophecy about Abraham s descendants to Jacob s prophecies over his sons from the Passover in Exodus to the apocalyptic symbolism in Leviticus from the Book of Daniel s prophetic visions to the apocalyptic messages in the Gospels and Acts readers will find themselves on an enlightening journey through the Scriptures The author s thorough exploration of the fourteen Pauline Epistles concludes this book shedding light on the topics of resurrection the day of the Lord and the return of Christ Biblical Apocalypics Handbook is more than just a scholarly exploration it is a spiritual guidebook that inspires readers to delve deeper into God s word promoting a more profound understanding of God s divine revelations and the eternal destiny of humanity It is an indispensable tool for anyone seeking to grasp the intricacies of biblical apocalyptic literature and its significance in today s world
