

Черты классицизма в литературе

- Утверждение идей просвещенного абсолютизма – патриотизма, гражданственности, единства нации;
- Обращение к образам античной культуры, которые считаются образцом для подражания;
- Принцип рационализма: произведение искусства должно быть разумно и последовательно построено, логически выверено (из принципа «подражания природе»);
- Культ разума;
- Строгая сюжетно-композиционная организация, схематизм;
- Четкое разделение героев на положительных и отрицательных;
- Идеализация героев, утопизм, абсолютизация идей;
- «Неизменность героя» (отсутствие внутреннего развития)
