Abraham's Promise presents a selection of important writings by noted Jewish philosopher theologian Michael Wyschogrod who is widely admired for his singular contributions to Jewish Christian relations Including several pieces never published before this reader aptly captures the broad scope of Wyschogrod's work on Judaism and the Jewish Christian encounter collecting seminal essays articles and reviews that address such topics as the God of Abraham and the God of philosophy sin and atonement Judaism and the land the Six Day War Paul on Jews and Gentiles and the theology of Karl Barth An introductory essay by editor R Kendall Soulen sets Wyschogrod's career and writings in context **Metaphysical Drift** Jerome

Eckstein, 1991-01 Non instrumental acts and involvements are as basic to human nature as those which are instrumental but our culture overlooks the former and thus diminishes human life Hence this book explores mainly the metaphysics of non instrumental intraested involvements and calls for their being better balanced and integrated with instrumental interested involvements Various formulations of similar categories in philosophy and religion particularly of love are critically analyzed Some aspects of Eckstein's life are examined for their effects on these ideas **On Meanings of Life** Jerome

Eckstein, 2012-02-01 Addressing the question of what makes life meaningful Jerome Eckstein explores the ways in which we can heighten or diminish the quality of our life experience He focuses on two contrasting attitudes toward life experiences interested goal oriented and intraested non goal oriented i.e. something directed only at itself and shows that both attitudes are important and necessary in order to make life meaningful Philosophy psychology religion myth poetry and music are all brought to bear on such specific life meaning issues as work play love art neurosis and happiness and in a touching epilogue

Eckstein discusses his own life meanings in terms of metaphysical loneliness laughter and dignity **Biblical Ambiguities** David H. Aaron,2002 Aaron systematically examines God related idioms in the Hebrew Bible to determine whether a particular idiom is meant to be understood metaphorically Aaron challenges current methodologies that dominate biblical scholarship regarding metaphor and offers original viable alternatives to the standard approaches Please note that Biblical Ambiguities was previously published by Brill in hardback ISBN 90 04 12032 7 still available **Dying to Teach** Jeffrey Berman,2012-02-01 In Dying to Teach Jeffrey Berman confronts the most wrenching loss imaginable the death of his beloved wife Barbara Through four interrelated narratives how Barbara wrote about her illness in a cancer diary how he cared for her throughout her illness how his students reacted to his disclosure that she was dying and how he responded to her death Berman explores his efforts to hold on to Barbara precisely as she was letting go of life Intensely personal Dying to Teach affirms the power of writing to memorialize loss and work through grief and demonstrates the importance of death education teachers and students writing and talking about a subject that until now has often been deemed too personal for the classroom Who Are the Jews—And Who Can We Become? Donniel Hartman,2023-11 2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience Who Are the Jews And Who Can We Become tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism s foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one s relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary challenges including Diaspora Jewry s eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become Jewish Writing and the Deep Places of the Imagination Mark Krupnick,2006-01-09 When he learned he had ALS and roughly two years to live literary critic Mark Krupnick returned to the writers who had been his lifelong conversation partners and asked with renewed intensity how do you live as a Jew when mostly you live in your head The evocative and sinuous essays collected here are the products of this inquiry In his search for durable principles Krupnick follows Lionel Trilling Cynthia Ozick Geoffrey Hartman Philip Roth Saul Bellow and others into the elemental matters of life and death sex and gender power and vulnerability The editors Krupnick s wife Jean K Carney and literary critic Mark Shechner have also included earlier essays

and introductions that link Krupnick's work with the deep places of his own imagination **The Oxford Dictionary of the Jewish Religion** Raphael Jehudah Zwi Werblowsky, R. J.
