Metaphysics And Humanity The Absolute And Human Nature In Western Philosophy:

Metaphysics and Humanity Robert Paul Dray, 2004 **PHILOSOPHY AND WORLD PROBLEMS - Volume III** John McMurtry, 2011-12-11 Philosophy and World Problems theme is a component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Philosophy and World Problems deals in three volumes and covers several topics with a myriad of issues of great relevance to our world on Philosophy and World Problems Philosophy resists conclusions because its method across disagreements like modern science to which it gives rise always leaves issues open to counter argument and furtherance of understanding This is how philosophy differs from religious sectarian and other dogmas and closed systems of thinking Yet agreement across the research contributing to this work is implicit or explicit on one meta principle whatever is incoherent with organic social and ecological life requirements through time is false and evil to the extent of its reduction and destruction of life fields and support systems These three volumes are aimed at a wide spectrum of audiences University and College Students Researchers and Educators *The Early Solov'ëv and His Quest for Metaphysics* Thomas Nemeth, 2013-10-18 This volume offers a critical examination of the early works of Vladimir Solov'ëv Russia's most famous and systematic philosopher It presents a philosophical critique of his early writings up to 1881 from an immanent viewpoint and examines Solov'ëv's intended contributions to philosophy against the background of German Idealism including Schopenhauer and the positivism of his day Examining contemporary reactions to his writings by leading figures of his day such as Chicherin and Kavelin *The Early Solov'ëv and His Quest for Metaphysics* reveals the small but vibrant philosophical community in Russia during the immediate decades before the Bolshevik Revolution It provides a detailed discussion of Solov'ëv's confrontation with his philosophical opponents and shows how his emphasis on developing a metaphysical ontology rather than epistemology exerted a virtual paradigmatic influence on Russian philosophy for years to come This volume also sets Solov'ëv's writings against a detailed intellectual biography of these early years drawing on letters to friends and relatives including reminiscences and challenges many of the received claims concerning his actions and positions particularly his alleged youthful mystical visions In addition the book features two appendices one that sketches the early Russian reception of French positivism against which Solov'ëv reacted in the name of metaphysics and another that presents a fascinating look at the Solov'ëv family background which produced at once intellectual as well as dysfunctional members Presenting a rare picture of the non Marxist intellectual scene in 19th century Russia *The Early Solov'ëv and His Quest for Metaphysics* will be of interest to graduate students and researchers looking for a philosophically informed approach to this unique thinker and era *A Critical History of Western Philosophy* Y. Masih, 1999 This is the enlarged edition of a Critical History of Modern Philosophy In this new edition Greek and Medieval Philosophies have been added The book also includes a critical and comparative account of the major contributions of eight modern thinkers To this exposition the idealism of Hegel and Bradley

has been introduced Recent discussions concerning Hume Kant Hegel and Bradley have also been incorporated Whilst giving fully an analytic account of topics the author maintains that philosophy is a holistic enterprise of man as we find it in Spinoza Kant Hegel and Bradley The book has turned out to be a reliable and useful to the students of the subject throughout India This thoroughly revised and enlarged edition will prove to be all the more serviceable in general **The Blackwell Dictionary of Western Philosophy** Nicholas Bunnin, Jiyuan Yu, 2009-01-27 The Blackwell Dictionary of Western Philosophy The Blackwell Dictionary of Western Philosophy The style is fresh and engaging and it gives a broad and accurate picture of the western philosophical tradition It is a pleasure to browse in even if one is not looking for an answer to a particular question David Pears Its entries manage to avoid the obscurities of an exaggerated brevity without stretching themselves out as if seeking to embody whole miniature essays In short it presents itself as a model of clarity and clarification Alan Montefiore **Encyclopedia of Chinese Philosophy** Antonio S. Cua, 2013-11-05 Featuring contributions from the world's most highly esteemed Asian philosophy scholars this important new encyclopedia covers the complex and increasingly influential field of Chinese thought from earliest recorded times to the present day Including coverage on the subject previously unavailable to English speakers the Encyclopedia sheds light on the extensive range of concepts movements philosophical works and thinkers that populate the field It includes a thorough survey of the history of Chinese philosophy entries on all major thinkers from Confucius to Mou Zongsan essential topics such as aesthetics moral philosophy philosophy of government and philosophy of literature surveys of Confucianism in all historical periods Zhou Han Tang and onward and in key regions outside China schools of thought such as Mohism Legalism and Chinese Buddhism trends in contemporary Chinese philosophy and more Dao Companion to Classical Confucian Philosophy Vincent Shen, 2013-10-23 This volume presents both a historical and a systematic examination of the philosophy of classical Confucianism Taking into account newly unearthed materials and the most recent scholarship it features contributions by experts in the field ranging from senior scholars to outstanding early career scholars The book first presents the historical development of classical Confucianism detailing its development amidst a fading ancient political theology and a rising wave of creative humanism It examines the development of the philosophical ideas of Confucius as well as his disciples and his grandson Zisi the Zisi Mencius School Mencius and Xunzi Together with this historical development the book analyzes and critically assesses the philosophy in the Confucian Classics and other major works of these philosophers The second part systematically examines such philosophical issues as feeling and emotion the aesthetic appreciation of music wisdom in poetry moral psychology virtue ethics political thoughts the relation with the Ultimate Reality and the concept of harmony in Confucianism The Philosophy of Classical Confucianism offers an unparalleled examination to the philosophers basic texts and philosophical concepts and ideas of Classical Confucianism as well as the recently unearthed bamboo slips related to Classical Confucianism It will prove itself a valuable reference to undergraduate and postgraduate university students and teachers in

philosophy Chinese history History Chinese language and Culture **The Philosophy and Art of Wang Guangyi** Tiziana Andina, Erica Onnis, 2019-06-13 Wang Guangyi one of the stars of the new wave of Chinese art has artistically addressed major philosophical trends in Western philosophy while drawing on Taoism Marxism and Maoism By bringing together a team of experts in the philosophy of art to discuss his work *The Philosophy and Art of Wang Guangyi* presents the first philosophical exploration of Wang's art his thought and his analysis of Chinese society From his use of words in images to his reference to the classics of Western painting contributors set Wang's work against key questions in contemporary art As well as answering what makes the language of pop art successful they examine whether art and its history have come to an end as Hegel posited and if it is possible or even necessary to rework a new narrative for the history of contemporary art *The Philosophy and Art of Wang Guangyi* marks an important contribution to understanding the background work and ideas of a 21st century political artist outside the West **The Making of the West, Combined Volume** Lynn Hunt, 2012-01-04

Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to *The Making of the West* The book's chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships Read the preface

Reinvigorating the Lost Philosophical Self Qinghai Gao, 2025-03-29 This book not only presents Gao's major philosophical views and background but also reflects our self consciousness and zeitgeist *Reinvigorating the Lost Philosophical Self* is the last major published work by Qinghai Gao The three parts of the book are organized around the themes of traditional reality and philosophy philosophy and innovation and man and philosophy respectively The book does not only provide a philosophical standpoint but also broaden the horizon on which the Chinese turn to themselves to the times and to the world Presently under the context of the Covid pandemic trade war regional conflicts and economic slowdown there is an increasing risk of disruption to people's lives The book sheds some light on where we are going Coming from a Chinese philosopher *Reinvigorating the Lost Philosophical Self* is concerned with our destiny reflects our hardships and attempts to provide answers to our questions *The Philosophical Roots of the Ecological Crisis* Joshtrom Isaac

Kureethadam, 2018-06-11 *The Philosophical Roots of the Ecological Crisis* Descartes and the Modern Worldview traces the conceptual sources of the present environmental degradation within the worldview of Modernity and particularly within the thought of Ren Descartes universally acclaimed as the father of modern philosophy The book demonstrates how the triple foundations of the Modern worldview in terms of an exaggerated anthropocentrism a mechanistic conception of the natural world and the metaphysical dualism between humanity and the rest of the physical world can all be largely traced back to

Cartesian thought with direct ecological consequences **The Call from the Stranger on a Journey Home** Hongyu Wang, 2004 This book is a cross cultural gendered study of both self and curriculum Initiating a conversation between and among Michel Foucault Confucius and Julia Kristeva it searches for a new third cultural and psychic space of transformation and creativity Weaving together philosophy psychoanalysis and autobiography through lived experiences of curriculum it calls for new configurations of subjectivity at the intersection of culture and gender through the meeting between selfhood and the human psyche in the dynamics of the semiotic and the symbolic and through the interaction between the Western subject and the Chinese self These multiple layers of inquiry provide unique perspectives for readers who are interested in curriculum theory feminist analysis philosophy of education or East West dialogue *History of Humanity* UNESCO, 2005-12-31 Volume V of the History of Humanity is concerned with the early modern period the sixteenth seventeenth and eighteenth centuries It gives an extensive overview of this crucial stage in the rise of the West as well as examining the development of cultures and societies elsewhere Structure The volume is divided into two main parts The first is thematic discussing the geography chronology and sociology of cultural change in this period The second is regional less theoretical and more empirical it stresses cultural diversity the links between different activities in a given region and the importance of social contexts and local circumstances Each chapter has a bibliography which directs the reader to sources of further information The volume is extensively illustrated with line drawings and plates and is comprehensively indexed *A Theory of Personalism* Thomas R. Rourke, Rosita A. Chazarreta Rourke, 2006-12-01 This distinctive and contemporary departure from hackneyed discussions of political theory introduces readers to a contemporary personalism rooted in the work of Bartolome de Las Casas and emerging again in the contributions of Dorothy Day Peter Maurin as well as the liberation theology of Gustavo Guterrez and Jon Sobrino Thomas R Rourke and Rosita A Chazarreta Rourke introduce readers to new sources of personalism by investigating and revising the intellectual history of this theory and its development

Integral Pluralism Fred Dallmayr, 2010-03-26 In addition to war terrorism and unchecked military violence modernity is also subject to less visible but no less venomous conflicts Global in nature these culture wars exacerbate the tensions between tradition and innovation virtue and freedom Internationally acclaimed scholar Fred Dallmayr charts a course beyond these persistent but curable dichotomies in Integral Pluralism Beyond Culture Wars Consulting diverse fields such as philosophy literature political science and religious studies Dallmayr equates modern history with a process of steady pluralization This process which Dallmayr calls integral pluralism requires new connections and creates ethical responsibilities Dallmayr critically compares integral pluralism against the theories of Carl Schmitt the Religious Right international realism and so called political Islam Drawing on the works of James Heidegger Gadamer and Merleau Ponty Integral Pluralism offers sophisticated and carefully researched solutions for the conflicts of the modern world *The Encounter of Chinese and Western Philosophies* Benoît Vermander, 2023-09-05 Vermander revisits the encounter between

Chinese and Western philosophy while unfolding questions about the way comparative philosophy is conducted today In the vulgate of intellectual history Western thought has constructed a substantialist view of reality that puts relations and processes into a subordinate position The same view explains for the primacy given to the autonomy of individual beings In contrast according to the same vulgate Chinese thought has been stressing the fluidity of all phenomena and forms of life to best adapt to their overarching patterns The critique of these representations is a preliminary for tackling the following question in today's context what style of cross cultural philosophical engagement should be imagined and fostered Cross cultural philosophical dialogue is indeed indispensable to the revival of philosophies that could be both local and genuinely dialogic The first two chapters focus upon the dominant model propounded by Western sinologists when it comes to comparing the Western philosophical tradition with the Chinese one The third chapter shifts to Chinese narratives about local comparative and global philosophies notably assessing its self positioning vis vis Western authors topics and concepts Chapter 4 offers a general reading of ancient Chinese classics alternative to the one that presently dominates the landscape described in Chapters 1 to 3 Chapter 5 harnesses the results and insights already gathered offering a blueprint as to the way to positively draw upon different philosophical traditions to engage common questions and pursue shared endeavors A last chapter presents four cases of ongoing transcultural philosophical dialogues and the promises they bear while the conclusion recapitulates the journey and opens further perspectives Once it develops outside pre formatted narratives the web shaped by our philosophies and wisdoms suggests the outlines of a world that we could inhabit together

The Elusiveness of Peace in a Suspect Global System Mentan, Tatah, 2016-02-02 A convenient veil is drawn over the many issues facing the majority of citizens on a daily basis as a result of the so called free market One is left with an impression that we live in a glorious utopia in which the crusaders of international capitalism continue in their quest to make life peaceful and better for all of humanity It is also a world which has been at peace for 70 years with no ideological or economic conflict and in which all of humanity live their lives in harmony benefiting from the fruits of globalization This claim is nothing less than the rearrangement of the deck chairs on the Titanic where the Titanic is actually the Global Economic Financial System GE FS storming its way through all countries and causing untold human suffering engineered by global pathocrats In this book Professor Tatah Mentan dissects human suffering from multidimensional crises such as terrorism population explosion denial of human rights economic inequality racial discrimination ideological extremism religious intolerance social injustice ecological imbalance consumerism oppression of the weak and so on He then calls for a radical global ethics that expects us to realize our roles and duties regarding global peace It includes the role and ideals of educationalists the duties of scientists philosophers and thinkers the inculcation of human values such as nonviolence and love

Utopia and Dystopia in Postwar Italian Literature Daniele Fioretti, 2017-02-13 This book is about the presence of utopian and dystopian elements in the Italian literary landscape It focuses on four authors that are representatives of the various positions in the Italian

cultural debate Pasolini Calvino Sanguineti and Volponi What did concepts like utopia and dystopia mean for these authors Is it possible to separate utopia from dystopia What is the role of science fiction in this debate This book answers these questions proposing an original interpretation of utopia and of the social role of literature The book also takes into consideration four of the most influential literary journals in Italy *Officina il menab il verri* and *Nuovi Argomenti* that played a central role in the cultural and political debate on utopia in Italy

A Philosophical Critique of Thought Zhengyu

Sun,2020-11-02 This book is mainly concerned with elaborating an account of the unique theoretical essence and activities of philosophy What manner of civilization should modern humans forge On what developmental path should a nation embark What lifestyle should each individual choose These are the most fundamental issues of our time Profoundly implicit in the choices outlined above is a deeper question What are the criteria of choice An examination of these criteria is a reflection on the premises constituting thought or a critique of the premises underlying thought Using a critique of the premises underlying thought as the basic idea and hermeneutic principle in philosophy will open a wider theoretical space for contemporary philosophy so as to avoid the predicament of being pseudo scientific or pseudo artistic It will also present contemporary philosophy with a realistic path of development for the task of reflecting on the criteria of choice This book seeks to formulate concrete philosophical arguments for a critique of the basic beliefs logic modes concepts and philosophical ideas which constitute thought with the aim of demonstrating the vigorous self critique and inexhaustible theoretical space found in philosophical development This book provides a new principle of interpretation for understanding philosophy and in turn uses this principle to develop a critique of the premises underlying thought thereby furthering the contemporary development of philosophy This book encompasses a critique of the premises underlying thought which mainly includes the basic beliefs logic modes concepts and philosophical ideas constituting thought Such a critique should comprise five aspects First the basic beliefs constituting thought propose a critique of the identity of thought and being second the basic logic constituting thought refers to a critique of the formal intensional and practical logic of thought third the basic modes constituting thought denote a critique of the basic modes by which humans comprehend the world including commonsense religion art and science fourth the basic concepts constituting thought entail a critique centering on being the world history truth value and other basic concepts and finally the philosophical ideas constituting thought indicate a critique of philosophy itself A critique aligned on these five aspects will provide a general philosophical overview of the premise critique of thought
