Method Of Procedure Checking Schedule

Hyejung Moon

Method Of Procedure Checking Schedule:

The Criteria to Winner: Security and Risk Management for Printed Lottery Hyejung Moon,2010-06-02 The purpose of this criteria is to provide security control standards for the printed lottery system by providing detailed procedures recommended technologies and related examples for the lottery industry Although WLA covers such topics at a good principle level it is my goal to break them down into further applicable details to help such lottery jurisdictions that have poor technological infrastructure and regulations to better manage their instant lottery business This document is intended to present examples and to further assist in developing advanced security and risk management plan in order to effectively meet WLA standards This document will offer basic and proven processes to support those instant lottery jurisdictions that have not yet matured and are sustaining technical operations via their own legacy solutions
