

# Method and Catholic Moral Theology: A The- oretical Re-examination Edited by Todd A. Salzman

# Method And Catholic Moral Theology

**Anna Abram**

## **Method And Catholic Moral Theology:**

**Method and Catholic Moral Theology** Todd A. Salzman, 1999 This work is an investigation of the ongoing methodical reconstruction of Catholic moral theology As such it is based on and honors the work of Norbert Rigali S J one of the most important contributors to this reconstruction The decisive break from the traditional manual approach to moral theology represented by Vatican II reoriented moral theology away from universal natural law morality based on the commandments to a morality based on specifically Christian sources This reorientation however was not an either or but a both and proposition Father Norbert Rigali S J has been an inspiration and a challenge to moral theologians working toward reconstruction The essays in this collection address four questions in the renewal movement an investigation of normative methods a clarification of sources an investigation of the tension between natural law morality and Christian ethics and or morality and a combination of methodical insights of philosophy with traditional Christian sources in their investigation of biomedical ethical issues The contributors to the collection include Richard M Gula S S Joseph A Selling Bernard Hoose Mark O Keefe O S B James F Keenan S J Edward Collins Vacek S J Charles E Curran James J Walter Todd A Salzman Jean Porter Lisa Sowle Cahill and Richard A McCormick S J Catholic Moral Theology and Social Ethics Christina Astorga, 2013-12-01 Proposing a new method for moral theology Christina Astorga seeks to recast our understanding of the discipline by drawing from the faith vision of the entire theological enterprise including scripture dogmatic theology social ethics and spirituality

*Reframing Catholic Theological Ethics* Joseph A. Selling, 2016-03-24 Traditionally Catholic moral theology has been based upon an approach that over emphasized the role of normative ethics and subsequently associated moral responsibility with following or disobeying moral rules Reframing Catholic Theological Ethics offers an alternative ethical method which without destroying any of the valuable insights of normative ethics reorients the discipline to consider human motivation and intention before investigating behavioural options for realizing one's end Evidence from the New Testament warrants the formation of a teleological method for theological ethics which is further elaborated in the approach taken by Thomas Aquinas Unfortunately the insights of the latter were misinterpreted at the time of the counter reformation Joseph A Selling's analysis of moral theological textbooks demonstrates the entrenchment of a normative method aimed at identifying sins in service to the practice of sacramental confession With a firm basis in the teaching of Vatican II the human person integrally and adequately considered provides the fundamental criterion for approaching ethical issues in the contemporary world The perspective then turns to the crucial question of describing the ends or goals of ethical living by providing a fresh approach to the concept of virtue Selling concludes with suggestions about how to combine normative ethics with this alternative method in theological ethics that begins with the actual ethical orientation of the human person toward virtuous living

**Method and Catholic Moral Theology** Todd A. Salzman, 1999 This work is an investigation of the ongoing methodical reconstruction of Catholic moral theology As such it is based on and honors the work of Norbert Rigali S J one of the most

important contributors to this reconstruction The decisive break from the traditional manual approach to moral theology represented by Vatican II reoriented moral theology away from universal natural law morality based on the commandments to a morality based on specifically Christian sources This reorientation however was not an either or but a both and proposition Father Norbert Rigali S J has been an inspiration and a challenge to moral theologians working toward reconstruction The essays in this collection address four questions in the renewal movement an investigation of normative methods a clarification of sources an investigation of the tension between natural law morality and Christian ethics and or morality and a combination of methodical insights of philosophy with traditional Christian sources in their investigation of biomedical ethical issues The contributors to the collection include Richard M Gula S S Joseph A Selling Bernard Hoose Mark O Keefe O S B James F Keenan S J Edward Collins Vacek S J Charles E Curran James J Walter Todd A Salzman Jean Porter Lisa Sowle Cahill and Richard A McCormick S J

**Virtue and Theological Ethics** Salzman; Todd A., Lawler, Michael G., 2018-10-18 Eight story reflections each based on a different Beatitude offer accounts of immigrant children who fled Central America on their own to escape violence and poverty Artwork created by immigrant youth and meditations written by Jesuit Father Leo O Donovan accompany the stories What are They Saying about Catholic Ethical Method? Todd A. Salzman, 2003 This book introduces readers to the current debate concerning the two predominant Roman Catholic ethical methods that have emerged since Vatican II The two methods investigated are both grounded in the Catholic natural law tradition and are designated as the Basic Goods Theory BGT also known as the New Natural Law Theory and revisionism

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Method and Catholic Moral Theology**, 1999 The Catholic Moral Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council Charles E Curran s succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of the church as a teacher of morality Curran s work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics *The Living Tradition of Catholic Moral Theology* Charles E. Curran, 1992

Catholic moral theology is a living tradition in which each generation must understand appropriate and live the Christian message in the light of its own history culture and time The Catholic tradition argues Charles E Curran in this new meticulously reasoned set of essays must be in dialogue with present realities sometimes criticizing them severely and at other times learning from them Curran begins by examining the tensions existing in the Roman Catholic church today and suggests why they are more severe than they should be He argues that official Catholic social teaching in sexual areas and Catholic ecclesiology have not incorporated a moral theology based on creative fidelity he calls for a change in official sexual teaching ecclesiology and the exercise of the hierarchical magisterium on the basis of the methodological approaches found in contemporary official Catholic teaching Richard A McCormick Curran suggests is one contemporary Catholic moral theologian who successfully illustrates creative fidelity by employing the casuistic method of the Jesuit tradition in moral theology to evaluate the changing problems of our contemporary life Curran discusses perennial issues in moral theology that take on crucial importance in the changing realities of our contemporary existence the relationship between Christian and human morality divine providence and human responsibility academic freedom and military force Throughout the volume while fully aware that the Roman Catholic church and moral theology will always know and experience the tensions of creative fidelity Curran challenges himself and his readers to make certain that these tensions contribute to the ongoing life of the church

Catholic Social Teaching, 1891-Present Charles E. Curran, 2002-03-30 Charles E Curran offers the first comprehensive analysis and criticism of the development of modern Catholic social teaching from the perspective of theology ethics and church history Curran studies the methodology and content of the documents of Catholic social teaching generally understood as comprising twelve papal letters beginning with Leo XIII's 1891 encyclical *Rerum novarum* two documents from Vatican II and two pastoral letters of the U S bishops He contends that the fundamental basis for this body of teaching comes from an anthropological perspective that recognizes both the inherent dignity and the social nature of the human person thus do the church's teachings on political and economic matters chart a middle course between the two extremes of individualism and collectivism The documents themselves tend to downplay any discontinuities with previous documents but Curran's systematic analysis reveals the significant historical developments that have occurred over the course of more than a century Although greatly appreciative of the many strengths of this teaching Curran also points out the weaknesses and continuing tensions in Catholic social teaching today Intended for scholars and students of Catholic social ethics as well as those involved in Catholic social ministry this volume will also appeal to non Catholic readers interested in an understanding and evaluation of Catholic social teaching

Contemporary Catholic Health Care Ethics, Second Edition David F. Kelly, Gerard Magill, Henk ten Have, 2013-03-28 Contemporary Catholic Health Care Ethics Second Edition integrates theology methodology and practical application into a detailed and practical examination of the bioethical issues that confront students scholars and practitioners Noted bioethicists Gerard Magill Henk ten Have and David F Kelly contribute

diverse backgrounds and experience that inform the richness of new material covered in this second edition The book is organized into three sections theology basic issues underlying Catholic thought methodology how Catholic theology approaches moral issues including birth control and applications to current issues New chapters discuss controversial end of life issues such as forgoing treatment killing versus allowing patients to die ways to handle decisions for incompetent patients advance directives and physician assisted suicide Unlike anthologies the coherent text offers a consistent method in order to provide students scholars and practitioners with an understanding of ethical dilemmas as well as concrete examples to assist in the difficult decisions they must make on an everyday basis

### **Moral Theology of John Paul II** Charles E.

Curran,2006-01-01 Provides a systematic analysis of the moral theology that underlies Pope John Paul II moral teachings and its astonishing influence This book focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written to examine how well the pope has addressed the broad issues and problems in the Church *Journal of*

*Moral Theology, Volume 1, Number 1* David M. Cloutier,William C. Mattison,2013-12-09 Formative Figures of Contemporary American Catholic Moral Theology Volume 1 Number 1 January 2012 Edited by David Cloutier and William C Mattison III

Craig Steven Titus Religious Freedom Morality and Law John Courtney Murray Today David Hollenbach S J James M Gustafson and Catholic Theological Ethics Lisa Sowle Cahill The Luminous Excess of the Acting Person Assessing the Impact of Pope John Paul II on American Catholic Moral Theology John Grabowski Stanley Hauerwas s Influence on Catholic Moral Theologians Jana Marguerite Bennett Review Essay Method in American Catholic Moral Theology After Veritatis Splendor David Cloutier and William C Mattison III

### **Religious Methods and Resources in Bioethics** P.F. Camenisch,2013-03-09

A volume on religious theological methods in biomedical ethics inevitably of whether the methodological dimension can be distinct raises the question quished from the various other things that go on in ethical discourse It is difficult to answer this question definitively since many elements in moral conversation can be interpreted in different ways Barbara Hilkert Andolsen illustrates this issue in this volume when she defines one of her crucial categories gender justice as being both procedural and substantive normative This difficulty of finally separating the methodological from the normative arises in many areas of contemporary ethical writing both feminist and otherwise Nevertheless it seems that in many cases we can separate out the method ological issues with considerable precision Albert Jonsen and James Childress achieve just such a sharp focus in their essays This does not mean that a careful dissecting of their papers would not reveal normative elements lurking about their methodological points It is simply to say that the issues they analyze and the positions they take are at least prima facie overwhelmingly method ological They are much more about how we think about ethical matters than they are about what we think about them

### **Methods in Medical Ethics** Jeremy Sugarman,Daniel P. Sulmasy,2010-10-15

Medical ethics draws upon methods from a wide array of disciplines including anthropology economics epidemiology health services research history law medicine nursing philosophy psychology sociology and theology In this influential book outstanding scholars in medical ethics bring these many methods together in one place to be systematically described critiqued and challenged Newly revised and updated chapters in this second edition include philosophy religion and theology virtue and professionalism casuistry and clinical ethics law history qualitative research ethnography quantitative surveys experimental methods and economics and decision science This second edition also includes new chapters on literature and sociology as well as a second chapter on philosophy which expands the range of philosophical methods discussed to include gender ethics communitarianism and discourse ethics In each of these chapters contributors provide descriptions of the methods critiques and notes on resources and training Methods in Medical Ethics is a valuable resource for scholars teachers editors and students in any of the disciplines that have contributed to the field As a textbook and reference for graduate students and scholars in medical ethics it offers a rich understanding of the complexities involved in the rigorous investigation of moral questions in medical practice and research      *Shaping the Moral Life* Klaus Demmer,2000-10-27 Although he is one of the most influential Catholic theologians in Europe very few of Klaus Demmer s writings are available in English This translation of his well known work on moral theology introduces Demmer s thought to English speaking audiences In an original synthesis of scholastic and continental philosophy Demmer brings the Catholic moral tradition into conversation with contemporary philosophical schools transcendental hermeneutical and analytical to fashion a moral theology in the spirit of the Second Vatican Council He shows the richness of the neoscholastic tradition in shaping and being shaped by our contemporary self understanding A complete bibliography of Demmer s works will assist readers in seeking out more of his writings      **Toward an American Catholic Moral Theology** Charles E. Curran,1987 A collection of previously published essays Includes index Table of Contents Moral theology looks at itself The historical development of moral theology Moral theology in the United States What is distinctive and unique about Christian ethics and Christian morality Moral theology in dialogue with biomedicine and bioethics Moral theology looks at our society Just taxation in the Roman Catholic tradition Filial responsibility for an elderly parent Religious freedom and human rights in the world and in the church An analysis of the United States bishops pastoral letter on the economy The difference between personal morality and public policy      *The Future of Catholic Theological Ethics* Anna Abram,2018-03-15 This book is a printed edition of the Special Issue The Future of Catholic Theological Ethics that was published in Religions      **Journal of Moral Theology, Volume 12, Special Issue 1** Meghan J. **The Development of Moral Theology** Charles E. Curran, 2013-11-08 Charles Curran in his newest book *The Development of Moral Theology: Five Strands* brings a unique historical and critical analysis to the five strands that differentiate Catholic moral theology from other approaches to Christian ethics: sin and the manuals of moral theology; the teaching of Thomas Aquinas and later Thomists; natural law; the role of authoritative church teaching in moral areas; and Vatican II. Significant changes have occurred over the course of these historical developments. In addition, pluralism and diversity exist even today as illustrated for example in the theory of natural law proposed by Cardinal Ratzinger. In light of these realities, Curran proposes his understanding of how the strands should influence moral theology today. A concluding chapter highlights the need for a truly theological approach and calls for a significant change in the way that the papal teaching office functions today and its understanding of natural law. In a work useful to anyone who studies Catholic moral theology, *The Development of Moral Theology* underscores in the light of the historical development of these strands the importance of a truly theological and critical approach to moral theology that has significant ramifications for the life of the Catholic church.

## **Method And Catholic Moral Theology Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Method And Catholic Moral Theology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Method And Catholic Moral Theology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Method And Catholic Moral Theology free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Method And Catholic Moral Theology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Method And Catholic Moral Theology any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Method And Catholic Moral Theology Books

**What is a Method And Catholic Moral Theology PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Method And Catholic Moral Theology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Method And Catholic Moral Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Method And Catholic Moral Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Method And Catholic Moral Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
