## **Methodism And Society Guidelines For Strategy:**

Methodism and Society Herbert Edward Stotts, Paul Deats, 1962      **Methodism and Society in the Twentieth Century** Walter George Muelder, 1961      **Methodism and Society: Guidelines for Strategy. [By] Herbert E. Stotts and Paul Deats, Etc** Herbert Edward STOTTS (and DEATS (Paul Kindred)), 1962      Methodism and Society Guidelines for Strategy Methodism and Society Herbert E Stotts, Paul Deats, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **The Making of American Liberal Theology** Gary J. Dorrien, 2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom      **Methodist Morals** Darryl W. Stephens, 2024-01-12 Methodist Morals offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith Revised every four years by the General Conference of the United Methodist Church the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life This is the first full length study of Methodist social teachings in over fifty years Examining official Methodist teachings from institutional historical and cross cultural perspectives Darryl Stephens provides a rich analysis of this case study of Protestant social witness drawing on his expertise in church polity Methodist history and

Christian social ethics A wide range of comparisons with documents of the United Nations with moral debate in Germany and Zimbabwe and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness The issues of war abortion human sexuality and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey Intended for students of Methodism ecumenical church leaders and scholars of Christian social ethics and contemporary US mainline religion this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world DARRYL W STEPHENS director of United Methodist studies at Lancaster Theological Seminary is former assistant general secretary for advocacy and sexual ethics in the UMC's General Commission on the Status and Role of Women He is the coeditor of Professional Sexual Ethics A Holistic Ministry Approach

*Health and Medicine in the Methodist Tradition* E. Brooks Holifield, 2019-02-28 As E Brooks Holifield notes in his introduction John Wesley the founder of the Methodist movement would have relished the opportunity to write this volume He recognized the power of religious traditions and he thought that issues of health and medicine were profoundly interwoven into the texture of religious faith All ten themes that have concerned this series healing and well being suffering and madness passages and sexuality dying and caring morality and dignity were among the topics that Wesley believed should interest Christians In the attempt to show how a Wesleyan understanding of theology might inform a modern Methodist sensibility the author has structured his treatment of Health and Medicine in the Methodist Tradition around the polarities of health and healing holiness and happiness penalty and promise love and law restraint and responsibility and possibility and limit These are not to be construed as opposites or as mutually exclusive extremes Each member of each pair both checks and enriches the other They provide a way of establishing boundaries they mark the way of a journey the way of salvation or the way of love

**Timetables of History for Students of Methodism** Rex D. Matthews, 2007-06-01 Winner of the 2007 Saddlebag Selection Award from the Historical Society of The United Methodist Church as the best book published during the year on the history biography polity or theology of United Methodism or its predecessors Understanding history rests largely on a grasp of two things sequence and context Know which events came earlier and which later and you've gone a long way toward understanding influence and causation Know what was going on in the wider world at the same time a historical event occurred and you'll better grasp the meaning and significance of that event for the people who experienced it Yet even with the best history textbooks students have difficulty in gaining an immediate sense of sequence and context Hence the purpose of this book To lay out the most important events in the history of the Wesleyan Methodist movement to show them in their proper order and to include the most important occurrences taking place on the national and international stages at the same time Matthews presents his material in an easy to comprehend and visually appealing

layout enumerating the major trends and developments in Methodist history from 1700 to 2004 Rex D Matthews is Assistant Professor in the Practice of Historical Theology at Candler School of Theology Emory University Atlanta Georgia He currently serves as co chair of the Wesleyan Studies Group of the American Academy of Religion as General Editor of the Kingswood Books series and as Managing Editor of the new electronic academic journal Methodist Review An excerpt from the Circuit Rider review This is a book for college and seminary professors for high school teachers of religion for Sunday School teachers of children youth and adults It is a book for preachers and church musicians It should be in every church library This is a book for people who think history is boring as well as for those who delight in rich historical detail and story It is a book to be savored and returned to again and again And this is a book for all who love the church and yearn to be part of perfecting its mission and its life Click here to read the entire review      [Developing a Strategy for Missions \(Encountering Mission\)](#) J. D. Payne, John Mark Terry, 2013-09-15 In this addition to the highly acclaimed Encountering Mission series two leading missionary scholars offer an up to date discussion of missionary strategy that is designed for a global audience The authors focus on the biblical missiological historical cultural and practical issues that inform and guide the development of an effective missions strategy The book includes all the features that have made other series volumes useful classroom tools such as figures sidebars and case studies Students of global or domestic mission work and mission practitioners will value this new resource      [Practicing Discipleship](#) Nicole L. Johnson, 2009-06-01 Despite a plurality of doctrinal statements on war peace and nonviolence some United Methodists sustain a commitment to nonviolence Through qualitative research Practicing Discipleship draws out lived theologies of nonviolence in order to understand how nonviolent United Methodists define ground and practice nonviolence and to give that voice opportunity to challenge church doctrine and thereby the wider church An analysis of statements from the Book of Disciplines and the Book of Resolutions reveals the plurality of Methodist teachings on moral issues related to war and peace While such plurality is indicative of the inclusive tradition of United Methodism Johnson shows that it also causes confusion thus hindering the vitality and authority of the church s witness This study s qualitative analysis of in depth interviews with twelve nonviolent United Methodists reveals a lived theology rooted in Scripture and theological reflection it points particularly to a christocentrism that posits nonviolence as central to Christ s teachings and example While study participants affirm the tradition of openness in the United Methodist Church they also call for more tangible and extensive support for and education about nonviolence as a faithful option for Christians Through amicable and constructive practical theological dialogue doctrinal plurality and ecclesial openness are affirmed as appropriate and possible only within the context of the church s profound commitment to serious discipleship which includes transformation toward nonviolence Implications of this interaction include developing and adopting a more truthful conception of a nonviolent ethics moving toward broadly conceived Christian formation in nonviolence and fostering ongoing ecclesial dialogue about difficult moral issues of war peace and nonviolence      *The Quick and Easy Guide to United*

**John Wesley and the Origins of Methodist Missions** Philip Wingeier-Rayo, 2025-08-12 Learn how Methodism became a worldwide mission It is broadly understood that John Wesley was the founder of the Methodist movement that spread around the world in the eighteenth century He is known for being a missionary in Georgia his heart warming experience at Aldersgate field preaching and the famous quote the world is my parish It is also assumed that Wesley was a proponent of world missions and helped spread the Methodist movement around the world This study examines this assumption and after a closer look reveals John Wesley's reluctance to send missionaries overseas The book uncovers several examples of Wesley's rejection of world missions and occasions when he thwarted plans Wesley undermined the efforts of Thomas Coke the Father of Methodist Missions who wrote an appeal to send missionaries abroad John Wesley and the Origins of Methodist Missions reveals that it was unheralded lay people ordinary immigrants merchants planters soldiers enslaved persons and former slaves who carried Methodism with them to such far off places as Antigua Maryland New York Gibraltar Nova Scotia and Sierra Leone Persons such as Nathaniel Gilbert Sophia Campbell Mary Alley and Bessie started a multiracial Methodist Society in Antigua the first outside of Europe These lay people and several others were not officially commissioned or authorized by Wesley to plant Methodist societies Rather they traveled on their own motivated by the love of God and neighbor to share their faith with others It was only after these Methodist societies were established and after multiple appeals that John Wesley and the British Conference conceded to send missionaries to assist John Wesley was not anti mission He was very missional in his context in England and his message of God's grace was at the heart of the Methodist movement Yet he was cautious and reluctant to send missionaries overseas This book offers some reasons for his hesitancy and highlights the stories challenges and successes of these pioneer men and women who spread Methodism around the world Foreword by Natalya Cherry

*The Liberating Spirit* Eldin Villafane, 2021-03-23 This book takes a giant step both in theology and in social ethics It forces theologians to examine the

worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostals themselves to see the broader social implications of their own faith expressions With both Hispanic peoples and Pentecostals forming a larger and larger portion of the American cultural and religious reality this is a vital book indeed an indispensable one for any person knowledgeable about our society to read and ponder Harvey Cox Harvard Divinity School Here is a pioneering book Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society Jesse Miranda Azusa Pacific University The Liberating Spirit should be required reading for anyone interested in the study of social ethics Pentecostal theology or Hispanic American theology Dr Villafane has broken the long standing bifurcation of the profane and the sacred so often associated with Pentecostal theology The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world Samuel Solivan Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit vividly describing the pains and joys of an Hispanic Pentecostal in the United States After reading this book it is impossible to paint the whole Pentecostal movement with the brush of right wing theological and political conservatism Walter Hollenweger University of Birmingham England *The Wesleyan Quarterly Review* ,1964 **The Methodist Church in Social Thought and Action** Georgia Elma Harkness,1964 A summarization of the four volume MESTA The Methodist Church in Social Thought and Action series cover *The Ecumenical Review* ,1963 Guidelines for Leading Your Congregation 2013-2016 - Church and Society General Board Of Church and Society,2012-11-01 You are the leaders of your church s involvement in social issues As such you will help your church members respond to social issues through education making connection and advocating for and responding to the needs of people around you and in the rest of God s world This Guideline is designed to help equip you in leading this ministry group in your congregation This is one of the twenty six Guidelines that cover church leadership areas including Church Council and Small Membership Church the administrative areas of Finance and Trustees and ministry areas focused on nurture outreach and witness including Worship Evangelism Stewardship Christian Education age level ministries Communications and more To see a full list of Guidelines search by typing keywords Guidelines for Leading Your Congregation 2013 2016 and click search **Cumulated Index to the Books** ,1962 **Catalog of Copyright Entries.
