Methodism In Russia And The Baltic States:

Methodism in Russia and the Baltic States S. T. Kimbrough, 1995 Every now and then a moment occurs in church history which takes on new meaning and perspective Such is the renewal of the United Methodist Church's mission within Russia and other independent republics formerly part of the Soviet Union Many do not know that the churches of the Methodist tradition began work in the countries of the former Soviet Union in the late nineteenth century But in the pages of *Methodism in Russia and the Baltic States* we become witnesses to the powerful story of missional outreach of the Wesleyan tradition in this part of the world then and now Randolph Nugent General Secretary Board of Global Ministries T&T Clark Companion to Methodism Charles Yrigoyen Jr, 2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study *An Introduction to World Methodism* Kenneth Cracknell, Susan J. White, 2005-05-05 The world Methodist community now numbers over 75 million people in more than 130 countries The story of Methodism is fascinating and multi faceted because there are so many distinct traditions within it some stemming directly from Britain and some arising in the United States In this book the authors address the issue of what holds all Methodists together and examine the strengths and diversity of an influential major form of Christian life and witness They look at the ways in which Methodism has become established throughout the world examining historical and theological developments and patterns of worship and spirituality in their various cultural contexts The book reflects both the lasting contributions of John and Charles Wesley and the on going contribution of Methodism to the ecumenical movement and inter religious relations It offers both analysis and abundant resources for further study *A Pilgrim with a Poet's Soul: George A. Simons (1874-1952)* S T Kimbrough Jr, 2019-05-29 George Albert Simons 1874 1952 of New York State was the first and only American missionary of the Methodist Episcopal Church appointed as superintendent of the Russia Mission He arrived in St Petersburg in 1907 during the reign of the Tsar Nicholas II He succeeded in registering the first Methodist congregation in St Petersburg in 1912 based on the registration of the Methodist congregation in 1906 in Kaunas Lithuania then part of the Russian Imperial Empire Simons soon mastered the Russian language and he established numerous congregations in and around St Petersburg and as far East as Marinsk A tireless worker he developed an extensive publishing program of Methodist resources hymnals journals liturgies discipline and beliefs etc In 1918 after the Bolshevik

Revolution he was forced to leave Russia In 1920 he was reassigned to the Baltic States with headquarters in Riga Latvia with some continuing responsibilities for the Russia Mission In Riga he established an institute to train clergy continued his publishing program and procured numerous properties for church buildings Without the efforts of Simons Methodism in Russia and the Baltic States would be but a shadow of what it is today The foundation he laid helped make possible the rebirth of Methodism in these countries after the demise of Communism He was indeed a pilgrim who journeyed to a sacred place Russia to plant seed for the growth of Methodism He had the soul of a poet as can be seen in his vast amount of poetry and hymns that bear witness to his theology and experience in Russia **The Spirit of Methodism** Jeffrey W.

Barbeau,2019-08-27 The story of Methodism is much richer and more expansive than John Wesley s sermons and Charles Wesley s hymns In this book Methodist theologian Jeffrey W Barbeau provides a brief and helpful introduction to the history of Methodism from the time of the Wesleys through developments in North America to its diverse and global communion today as well as its primary beliefs and practices **Historical Dictionary of Methodism** Jennifer Woodruff

Tait,Christopher J. Anderson,2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries Its history illuminates our understanding of modern culture ethics literature politics Christian mission women s studies and many related topics Historical Dictionary of Methodism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important institutions events doctrines and people who have contributed to the movement and to broader society in the three centuries since it was founded This book is an excellent resource for students researchers and anyone wanting to know more about Methodism as a global movement **Women Pioneers in Continental European Methodism, 1869-1939** Paul W. Chilcote,Ulrike

Schuler,2018-08-06 Despite the fact that women are often mentioned as having played instrumental roles in the establishment of Methodism on the Continent of Europe very little detail concerning the women has ever been provided to add texture to this historical tapestry This book of essays redresses this by launching a new and wider investigation into the story of pioneering Methodist women in Europe By bringing to light an alternative set of historical narratives this edited volume gives voice to a broad range of religious issues and concerns during the critical period in European history between 1869 and 1939 Covering a range of nations in Continental Europe some important interpretive themes are suggested such as the capacity of women to network their ability to engage in God s work and their skill at navigating difficult cultural boundaries This ground breaking study will be of significant interest to scholars of Methodism but also to students and academics working in history religious studies and gender **The Christian Advocate** ,1913 **Dance or Die** Toivo

Pilli,2009-04-01 This book focuses on the changes in the identity of Estonian Evangelical Christian Baptists ECB during the Soviet years 1945 1991 The author analyzed the influences that affected the life and self understanding of the ECB churches

in this most northernmost of the three Baltic countries External pressures from the Soviet atheistic state and the internal dynamics of Estonian ECB churches are both considered and analyzed Comparisons are drawn which show both the similarities with the wider Evangelical world and uniqueness of a local Baptist identity The book based on extensive use of archive and other primary source materials makes an especial contribution to the important emerging field of the study of Evangelicals in Eastern Europe *Historical Dictionary of Methodism* Charles Yrigoyen Jr., Susan E. Warrick, 2013-11-07

Methodism is growing both in numbers and influence according to the World Methodist Council there are 78 Methodist Wesleyan and related Uniting and United churches representing over 80 million people in more than 130 nations There are clear reasons for its success Among them are commitment to evangelize and nurture people with the message of God's presence love and direction That includes an appreciation for and practice of the holistic nature of the Wesleyan tradition which involves faith nurtured in the biblical narrative disciplined personal and communal spirituality and holy living vibrant preaching worship and fellowship and a faith which rejoices in personal and social reform This third edition of *Historical Dictionary of Methodism* presents the history of Methodism through a detailed chronology an introductory essay an extensive bibliography and over 500 cross referenced dictionary entries on important institutions and events doctrines and activities and especially persons who have contributed to the church and also broader society in the three centuries since it was founded This book is an ideal access point for students researchers or anyone interested in the history of the Methodist Church

The Ashgate Research Companion to World Methodism William Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism's emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodism's roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America *The Oxford Handbook of Methodist Studies* William J.

Abraham, James E. Kirby, 2009-09-24 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship forms mission ecumenism and engagement with contemporary ethical and political debate Soviet Religious Policy in Estonia and Latvia Robert F. Goeckel, 2018-08-03 At the intersection of faith culture and politics this in depth study examines the effects of Soviet religious policy in Baltic states after WWII While Russia was a predominantly Orthodox country the Baltic states it annexed after the Second World War such as Estonia and Latvia featured Lutheran and Catholic churches as the state religion Based on extensive research into official Soviet archives some of which are no longer available to scholars Robert Goeckel explores how central religious policy accommodated these differing traditions and the extent to which these churches either reflected or subverted nationalist ideals Goeckel argues that national cultural affinity with Christianity helped to provide a basis for the eventual challenge to the USSR The Singing Revolution restored independence to Estonia and Latvia and while Catholic and Lutheran churches may not have played a central role in this restoration Goeckel shows how they nonetheless played harmony Timetables of History for Students of Methodism Rex Dale Matthews, 2007 The definitive guide to the major events of Methodist history displayed in sequence and placed in political social and cultural context **The Cambridge Companion to John Wesley** Randy L. Maddox, Jason E. Vickers, 2010 This is a general comprehensive introduction to John Wesley s life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time The Christian Advocate , 1933 **History of Methodist Missions** Wade Crawford Barclay, 1973 Annual Report of the Missionary Society of the Methodist Episcopal Church Methodist Episcopal Church. Missionary Society, 1888 **International Handbook of Protestant Education** William Jeynes, David W. Robinson, 2012-01-13 Since their earliest days institutions providing a Protestant education have always been respected and sought after for their rigor and relative freedom from dogma and despite today s secularism and plurality they remain so This international handbook is the ultimate companion to protestant schooling worldwide Its 39 chapters form the most comprehensive and wide ranging treatment of the subject yet available addressing Protestant education on all six inhabited continents and featuring the perspectives of leading authorities and public figures The contributions cover in detail not only the facts and features of Protestant schooling in sundry nations but also integrate a range of themes common to them all

themes so vital that they are of central concern to Christians around the world and of whatever denomination. Some of these topics are school choice, globalization, Bible pedagogy, and character education, the fine arts, parental involvement, and the rise of Christianity in previously inaccessible locations such as China. The handbook's stellar list of authors is a Who's Who of authorities on the subject and includes a renowned American evangelical, a former historian of the US House of Representatives, and White House consultants responsible for framing legislation. The many contributors from outside the USA are leading academics conducting seminal research on numerous topics in the field. Both exhaustive and authoritative, *The International Handbook of Protestant Education* will be an invaluable asset to educators, ministers, parents, policy makers, political leaders of any denomination, or none.

The A to Z of Methodism Charles Yrigoyen, Susan E. Warrick, 2009-07-23

In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley. Today there are more than 300 Methodist denominations in 140 nations. Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs, this book offers more than 400 entries that describe important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions. It also includes a list of commonly used acronyms, chronology of historical events, introductory essay on the history of Methodism, bibliography, listing of important libraries and depositories of Methodist materials. The impressive list of contributors includes more than 60 specialists who are academics, administrators, pastors, and theologians.
