Chapters in the Formative History of Judaism Jacob Neusner, 2010-07-15 This collection of eight essays draws on a half year of work the second six months of 2009 Neusner takes up three problems in the history of Religions four essays on fundamental issues in form history and the documentary hypothesis of the Rabbinic canon and one theological essay The reason Neusner periodically collects and publishes essays and reviews is to give them a second life after they have served as lectures or as summaries of monographs or as free standing articles or as expositions of Judaism in collections of comparative religions This re presentation serves a readership to whom the initial presentation in lectures or specialized journals or short run monographs is inaccessible Some of the essays furthermore provide a pr cis for colleagues in kindred fields of fully worked out monographs the comparative Midrash exercise for example

First Steps in the Talmud Jacob Neusner, 2012-07-10 The Talmud is a confusing piece of writing It begins no where and ends no where but it does not move in a circle It is written in several languages and follows rules that in certain circumstances trigger the use of one language over others Its components are diverse To translating it requires elaborate complementary language It cannot be translated verbatim into any language So a translation is a commentary in the most decisive way The Talmud accordingly cannot be merely read but only studied It contains diverse programs of writing some descriptive and some analytical A large segment of the writing follows a clear pattern but the document encompasses vast components of miscellaneous collections of bits and pieces odds and ends It is a mishmash and a mess Yet it defines the program of study of the community of Judaism and governs the articulation of the norms and laws of Judaism its theology and its hermeneutics Above all else the Talmud of Babylonia is comprised of contention and produces conflict and disagreement with little effort at a resolution No wonder the Talmud confuses its audience But that does not explain the power of the Talmud to define Judaism and shape its intellect This book guides those puzzled by the Talmud and shows the system and order that animate the text

The Jewish Jesus Zev Garber, 2011-04-12 There is a general understanding within religious and academic circles that the incarnate Christ of Christian belief lived and died a faithful Jew This volume addresses Jesus in the context of Judaism By emphasizing his Jewishness the authors challenge today s Jews to reclaim the Nazarene as a proto rebel rabbi and invite Christians to discover or rediscover the Church s Jewish heritage The essays in this volume cover historical literary liturgical philosophical religious theological and contemporary issues related to the Jewish Jesus Several of them were originally presented at a three day symposium on Jesus in the Context of Judaism and the Challenge to the Church hosted by the Samuel Rosenthal Center for Judaic Studies at Case Western Reserve University in 2009 In the context of pluralism in the temper of growing interreligious dialogue and in the spirit of reconciliation

encountering Jesus as living history for Christians and Jews is both necessary and proper This book will be of particular interest to scholars of the New Testament and Early Church who are seeking new ways of understanding Jesus in his religious and cultural milieu as well Jewish and Christian theologians and thinkers who are concerned with contemporary Jewish and Christian relationships

The Rabbis and the Prophets Jacob Neusner, 2010-12-22 The Prophets of Scripture are subverted by the Rabbis of the Talmud and Midrash In the Rabbinic canon the Prophets are represented as a miscellaneous mass of proof texts made up of one clause or sentence at a time The Scripture's prophetic writings cited in clauses and phrases in the Rabbinic canon lose their integrity and cease to speak in fully coherent paragraphs and chapters The same prophets however came to whole and coherent expression in other venues established by those same Rabbis So the Rabbis of late antiquity took over writings from what they recognized as ancient times and of divine origin and they re presented selections of those writings in accord with their own project's requirements glossing clauses of the prophetic Scriptures but not whole propositional discourses This monograph shows how they did so It portrays the formal patterns of the Rabbis subversive glosses Why impose the chaos of glosses on the orderly declaration of Scripture It was to take possession of Scriptural prophecy that the Rabbinic authors imposed their characteristic forms and distinctive topics the characteristic categories and tasks and propositions The Rabbinic canonical writings took over imparting upon the received heritage of Scripture and tradition whatever they chose to treat as authoritative They did with these selected compositions whatever they wanted They Rabbinized Scripture in full awareness of how in the process they recast Scripture's own forms and purposes The Rabbis were perfectly capable of recapitulating prophetic writings as coherent statements This they did in providing for lections for Sabbaths and festivals

The Documentary History of Judaism and Its Recent Interpreters Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner's entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah's and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program

that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis **Ezekiel in Talmud and Midrash** Jacob Neusner, 2007-03-29 The Rabbis of classical Judaism in the first six centuries of the Common Era commented on the teachings of ancient Israel's prophets and shaped as much as they were shaped by prophecy They commented on much of the Scriptural heritage and they made it their own This collection of the Rabbinic comments on biblical books makes easily accessible the Rabbinic reading of the prophetic heritage and opens the way to the study of how normative Judaism responded to the challenge of the prophetic writings
