Nilopolitics A Hydrological Regime 1870-1990 Cairo Papers In Social Science:

Cairo Papers in Social Science ,2005 The Nile Development Game Mina Michel Samaan,2018-12-30 This book introduces an analytic framework constructed upon the iterated Prisoners Dilemma game to model and analyze transboundary water interactions along the Nile River It presents a thorough and in depth analysis of the historical path through which conflict and cooperation have been generated among the Nile riparians over large scale developmental schemes This is done through modeling water interactions in the basin as an iterated Prisoners Dilemma game and employing process tracing method to compare four distinguishable rounds of the game the colonial round the Cold War round the post Cold War round and the post 2011 round The book examines the influences of the changing political contexts at the domestic regional and global levels on the game outcomes This framework is initially applied on several cases of international rivers worldwide while the rest of the book is devoted to the Nile case The book s central argument is that the riparians interests capabilities and beliefs are heterogeneous in varying degrees and that the changing multilevel political contexts influence the level of such heterogeneities among the riparians which ultimately drive the equilibrium dynamics in the Nile game to generate different conflictive and cooperative outcomes over time Although the book s main conclusion indicates that the absence of economic interdependence and regional integration will transfer the game into tug of war which will impose harsh punishment on the basin communities and ecosystems on the long term the final chapter lists a group of recommendations addressed to the riparian states and international donors exploring the way for boosting cooperation and preventing conflicts in the basin Presenting clear theoretical methodological and policy implications this book is appropriate for students and scholars of international relations hydrology and development studies *Water Resources Perspectives: Evaluation, Management and Policy* W.W. Wood,A.S. Alsharhan,2003-12-09 Many countries in the world have made great efforts to remedy the water shortage by providing financial and technical backing for water desalination treatment of wastewater and improved management and conservation techniques Water ministries universities and research centres have supported scientific research and applied the most recent technologies in search of new and alternative water supplies Laws have been promulgated economic and public relation campaigns developed to promote and encourage the practice of efficient water use and the conservation of this scarce commodity This book covers water resources and management and provides a new vision of water resources management water conservation and legislations water law and modern techniques of water resources investigation **Historical Dictionary of Ethiopia** David H. Shinn,Thomas P. Ofcansky,2013-04-11 Ethiopia is clearly one of the most important countries in Africa First of all with about 75 million people it is the third most populous country in Africa Second it is very strategically located in the Horn of Africa and bordering Eritrea Sudan Kenya and Somalia with some of whom it has touchy and sometimes worse relations Yet its capital Addis Ababa is the headquarters of the African Union the prime meeting place for Africa s leaders So if things went poorly in Ethiopia this would not be good

for Africa and for a long time this was the case with internal disruption rife until it was literally suppressed under the strong rule of the recently deceased Meles Zenawi The Historical Dictionary of Ethiopia Second Edition covers the history of Ethiopia through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ethiopia Fiscal Policy Measures in Egypt: Public Debt and Food Subsidy Jūdah 'Abd al-Khāliq, Karima Korayem, 2001 A collection of papers on new dimensions in the study of social history of the Middle East delivered at the Cairo Papers Eighth Annual Symposium by Horst Unbehauen Joseph Massad Nelly Hanna Martina Rieker Khaled Fahmy and Peter Gran *The Political Economy of the New Egyptian Republic* Nicholas S. Hopkins, 2015-05-15 Egypt is a country of its people What has been the effect on its inhabitants of the 2011 revolution and subsequent developments In 2013 a conference held under the auspices of Cairo Papers in Social Science examined this issue from the points of view of anthropologists historians political scientists psychologists and urban planners The papers collected here reveal the strategies that various actors employed in this situation Contributors Ellis Goldberg David Sims Yasmine Ahmed Deena Abdelmonem Dina Makram Ebeid Clement Henry Sandrine Gamblin Hans Christian Korsholm Nielsen Zeinab Abul Magd *Nilopolitics* Mohamed-Hatem Al-Atawy, 1996 This timely study presents research into the historical background of relations among the Nile's riparian states and the ways in which their security needs have been handled informally in the absence of a security regime The author discusses the contexts of shifting involvement in the region by global superpowers as well as Egypt's attempts to maintain security through regional hegemony **Egyptian Hip-Hop: Expressions from the Underground** Ellen R. Weis, 2016-09-15 This ethnographic study of the Egyptian underground hip hop scene examines the artists who collectively molded the scene and analyzes their practices and explores how these artists have interacted with and responded to political and social upheaval and change It reveals how rappers approached and reformulated the genre in times of revolution and stasis to reveal how rap acts as a multi layered form of expression More specifically it examines the location of the art form within the broader history of oppositional cultural expression in Egypt outlining the artists' oppositions to various hegemonic structures and critically deconstructing them to reveal that they often reflect dominant ideology Biographies of Port Said: Everydayness of State, Dwellers, and Strangers Mostafa Mohie, 2021-03-03 A study of how the city of Port Said was created and its spaces mutually produced and transformed through the practices of both dwellers and the state Founded in 1859 as part of the Suez Canal project and named after Khedive Said the city of Port Said has always stood at the juncture of global national and local networks of forces the city itself a reflection of many layers of Egypt's modern history from its colonial past through to the eras of national liberation and neoliberalism Drawing on Bruno Latour's and Henri Lefebvre's conceptual works this study examines how the social encompassing all aspects of human life the political the economic and the social of the city of Port

Said was created and how its spaces were mutually produced and transformed through the practices of both dwellers and the state Looking also at the temporality of these processes Mostafa Mohie examines three key moments al tahgir the forced migration that followed the outbreak of the 1967 war and remained until 1974 when Port Saidians were permitted to return to their homes following the 1973 October War the declaration of the free trade zone in the mid 1970s and the Port Said Stadium massacre in 2012 *Oral History in Times of Change: Gender, Documentation, and the Making of Archives* Hoda Elsadda, 2018-08-25 Challenges opportunities and methodological issues in the creation of oral history archives in the Arab world Oral history archives have always been at the forefront of liberatory social movements in general and of feminist movement in particular Until the end of the twentieth century in the Arab world archives of women s oral narratives were almost non existent with the exception of small documentation efforts tied to individual research However since 2011 there has been a marked increase in the documentation of projects In this context the Women and Memory Forum organized a conference in 2015 about the challenges of creating gender sensitive oral history archives in times of change The papers in this collection shed light on documentation initiatives in Arab countries in transitional and conflict situations in addition to international experiences They engage with questions around archives and power the challenges and opportunities presented by new technologies to the making and preserving of archives ethical concerns in the construction of archives women s archives and the production of alternative knowledge as well as conceptual and methodological issues in oral history

The Top Books of the Year Nilopolitics A Hydrological Regime 18701990 Cairo Papers In Social Science The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Nilopolitics A Hydrological Regime 18701990 Cairo Papers In Social Science : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
