Nixons Ten Commandments Of Leadership And Negotiation His Guiding Principles Of Statecraft:

Nixon's Ten Commandments of Leadership and Negotiation James C. Humes, 1998-10-23 From Simon Schuster Nixon's Ten Commandments of Leadership and Negotiation is James C. Humes' exploration of Nixon's guiding principles of statecraft. Interweaving vignettes that capture Nixon's skills as a strategist and negotiator of foreign policy, a former White House speech writer illuminates the essential rules that brought Nixon success and shows how they can be applied by leaders in every field.

Nixon's Ten Commandments of Statecraft James C. Humes, 1997 In a fascinating introduction that blends anecdotes about Nixon and original insight into his personality and politics, Humes notes that vision to Nixon was knowledge of the past directed toward the future. Nixon was a politician, a statesman, and a historian; as a result, Humes is able to illustrate each maxim with a key example from Nixon's own career in diplomacy as well as an illuminating story from world history.

112 Ways to Succeed in Any Negotiation or Mediation Steven G. Mehta, 2009-06-08 Everybody negotiates even if they don't realize it. The problem is that most people don't know how to negotiate effectively. In this book, you will learn powerful techniques that have been successfully used in real-world negotiations to get the maximum results in any negotiation. *112 Ways to Succeed in Any Negotiation or Mediation* will turbocharge your negotiating skills regardless of your experience and will help to put more dollars in your pockets because you will make better deals. *112 Ways to Succeed in Any Negotiation or Mediation* takes you through all aspects of negotiating from the before the negotiation to closing the deal. You will learn many proven and little-known secrets in social science that can make the difference between a good deal and a great deal. You will discover how to make an opening offer, when to negotiate, what to do during negotiations, what barriers exist to successful negotiations, why the location of negotiations matters, ten most common mistakes made in negotiations, and *112 Ways* applies to every negotiation regardless of size or environment. Businesspeople can use it to increase their bottom line. Lawyers can negotiate better terms for their clients. Salespeople can strike better deals. Any person can learn to communicate and negotiate every aspect of life better.

Fame-Dropping James C. Humes, 2019-01-18 Fame Dropping is a bit like name dropping, but when your guide is historian

James C Humes you can expect something more than just trivial details about celebrities A former White House speechwriter and Pennsylvania state legislator the author commands powers of persuasion that have opened doors into the lives of the world s most influential men and women Fame Dropping zooms in for a close up while offering you a front row seat for viewing history s big picture Rich with insight and told in a lively self deprecating style this book contains tales of a gregarious ghostwriter who has met countless notables from star performers to those who wield power behind the scenes in Hollywood Washington and beyond Learn laugh and enjoy with a well traveled political junkie and Churchill biographer as he witnesses Richard Nixon s informal side dances with a young and radiant Queen Elizabeth II and watches Margaret Thatcher tear up a speech he d just written Come and join Sir John Gielgud at the bar for cocktails dine in Washington with McGovern s Hollywood supporter Shirley MacLaine and find out what the guests found hanging in Pamela Harriman s powder room At once intimate and grounded in a historian s wider perspectives Fame Dropping invites you to come closer and listen in as you take a whirlwind tour of world events with the man who was welcomed everywhere

The Process of Highly Effective Coaching Robert F. Hicks,2023-12-01 The Process of Highly Effective Coaching 2nd edition offers a unique blend of theory and practical methods for conducting effective coaching conversations The book presents a framework for navigating a conversation s dynamic flow enabling the practitioner to assimilate information and exhibit the agility of master level coaches Additionally the framework synergistically incorporates the major evidence based models for achieving client driven outcomes This second edition contains fresh content that ties the Foursquare Coaching Framework to the latest information from neuropsychology leadership and organizational change

The Psychology of Leadership David M. Messick,Roderick M. Kramer,2004-09-22 In this book some of the world s leading scholars come together to describe their thinking and research on the topic of the psychology of leadership Most of the chapters were originally presented as papers at a research conference held in 2001 at the Kellogg School of Management of Northwestern University The contributions span traditional social psychological areas as well as organizational theory examining leadership as a psychological process and as afforded by organizational constraints and opportunities The editors goal was not to focus the chapters on a single approach to the study and conceptualization of leadership but rather to display the diversity of issues that surround the topic Leadership scholars have identified a host of approaches to the study of leadership What are the personal characteristics of leaders What is the nature of the relation between leaders and followers Why do we perceive some people to be better leaders than others What are the circumstances that evoke leadership qualities in people Can leadership be taught And so on The contributions to this book examine these important questions and fall into three categories conceptions of leadership factors that influence the effectiveness of leadership and the consequences and effects of leadership on the leader All in all the chapters of this volume display part of a broad spectrum of novel and important approaches to the study of the psychology of leadership We hope that they are equally useful to those who are or would be leaders and to those who study the topic As recent events

have served to remind us it is too important a topic to be ignored by psychologists Leadership Resources ,2000
