Wilson, 1994-04-21 Designed to help build powerful community organizations empower ordinary citizens to become leaders and bring about major social and economic change this book offers a coherent practice based framework for understanding social action with power and empowerment at the center of analysis Topics include recruiting members consensus building leadership publicity and fundraising

Community Power and Empowerment Brian D. Christens, 2019-01-09 Many people want to help bring about changes in their neighborhoods workplaces and communities Leaders and scholars of change efforts are likewise eager for insights into what makes some organizations and coalitions capable of building and exercising power Why are some groups successful in making changes in policies and systems and in sustaining their momentum over time while others struggle or never really get off the ground With *Community Power and Empowerment* Brian D Christens brings the most comprehensive analysis of empowerment theory yet conducted to bear on these questions taking aim at many of the longstanding weaknesses and ambiguities of empowerment theory research and practice For example one major hindrance is that most notions of empowerment have not been coherently connected with community power In addition research has emphasized psychological aspects of empowerment over organizational processes and has neglected community empowerment processes to an even greater extent By linking empowerment and community power Christens constructs a holistic framework for assessing and comparing community driven change efforts This book offers new guidance for inquiries into outcomes and impacts of empowerment processes on health and well being providing a resource for researchers organizational leaders practitioners and anyone interested in collective action for change

Toward Positive Youth Development Marybeth Shinn, Hirokazu Yoshikawa, 2008-04-10 This book provides detailed strategies for transforming social settings to harness their power to promote positive youth development The book shows schools and youth programs how to assess social settings and use data to motivate and guide change efforts and daily practices Many chapters also focus on youth who are marginalized for reasons of race ethnicity immigration status or sexual orientation and show how settings can be transformed to improve the quality of experiences for all youth
