Henry's Glory John Pletcher,2013-11-19 Ever wonder if your daily work really matters Do you wish your career could truly connect with Christ s mission and the bigger story he s writing every day Is it possible for you to find deeper satisfaction in your job greater integration of your faith in your daily work and stronger connections with co workers clients and other work contacts In Henry s Glory Zach and Maggie face a critical crisis in both family and their careers Old spiritual ghosts haunt Zach s psyche based on his larger than life uncle s narrow view of the kind of work that truly glorifies God Transported across their journey of discovery by a classic old pickup truck and several wise but oh so quirky characters Zach and Mags embark on an intriguing quest for a real sense of calling and greater life purpose in their everyday work Their story of discovery proves stunning provocative and forever perspective changing Join the adventure of personal discovery in this captivating story Henry s Glory supplies a robust blend of humor biblical spiritual inspiration history romance mystery and thought provoking reflection questions for personal study and group discussion The Publishers' Trade List Annual ,1985 **Rising Light** Michael Hickey,2023-09-18 Rising Light begins with the Christian hope of a promised expectation of a bodily resurrection It is rooted in the resurrection of Jesus Christ and the Biblical foundation of the Old and New Testaments It carries through to the Tradition of the Catholic Christian church beginning with the Apostles and the church Fathers and then weaves through key Doctors of the church such as St Augustine and St Thomas Aquinas It includes the institutional grounding of the Christian faith found in the church creeds The Catholic Catechism and Papal encyclicals letters and exhortations as well as the theology of prominent modern theologians such as Karl Rahner SJ and Pierre Teilhard de Chardin SJ This book will demonstrate how unlike the crucifixion and death of Jesus Christ which are historical realities the resurrection is something not only historical but also transhistorical in that it encompasses and affects all of history from its beginning to its end The concluding chapters of Rising Light focus on how the risen Christ for us has now become greater than even Christianity itself as a world religion as the risen Christ is now the Universal Christ The book ends with how the theology of Karl Rahner Theological Anthropology can show us that theology of the resurrection is not only rooted in the supernatural and transcendent divine but also in the very nature of the human person in something as universal to all mankind as our sense of humor **Books in Print** ,1987 The Life, Music and Thought of Woody Guthrie John S. Partington,2016-09-17 Woodrow Wilson Guthrie 1912-67 has had an immense impact on popular culture throughout the world His folk music brought traditional song from the rural communities of the American southwest to the urban American listener and through the global influence of American culture to listeners and musicians alike throughout Europe and the Americas Similarly his use of music as a medium of social and political protest has created a new strategy for campaigners in many countries But Guthrie s music was only one aspect of his multifaceted life His labour union activism helped embolden

the American working class and united such distinct groups as the rural poor the urban proletariat merchant seamen and military draftees contributing to the general call for workers rights during the 1930s and 1940s As well as penning hundreds of songs both recorded and unrecorded Guthrie was also a prolific writer of non sung prose writing regularly for the American communist press producing volumes of autobiographical writings and writing hundreds of letters to family friends and public figures Furthermore beyond music Guthrie also expressed his creative talents through his numerous pen and ink sketches a number of paintings and occasional forays into poetry This collection provides a rigorous examination of Guthrie s cultural significance and an evaluation of both his contemporary and posthumous impact on American culture and international folk culture The volume utilizes the rich resources presented by the Woody Guthrie Foundation
