Rape on the Contemporary Stage Lisa Fitzpatrick, 2018-01-22 This book investigates the representation of rape in British and Irish theatre since the second wave of the Women's Movement. Mainly focusing on the period from the 1990s to the present it identifies key feminist debates on rape and gender and introduces a set of ideas about the function of rape as a form of embodied gendered violence to the analysis of dramaturgical and performance strategies used in a range of important and/or controversial works. The chapters explore the dramatic representation of consent, feminist performance strategies that interrogate common attitudes to rape and rape survivors, the use of rape as an allegory for political oppression, the relationships of vulnerability, eroticism and affect in the understanding and representation of sexual violence and recent work that engages with anti-rape activism to present women's personal experiences on stage.

The Contemporary British Novel Philip Tew, 2007-04-26 The Contemporary British Novel is a lively wide-ranging guide to the key issues in writing in Britain since the mid 1970s including social change, gender, sexuality, class, history and ethnicity. Designed to address problems faced by students in the exciting but challenging field of contemporary fiction, the text is organised to focus on major topics including the changing nature of British identity, the representation of urban identity and urban spaces, class issues including the rise and fall of the middle class, multiracial identity and hybridity. The second edition includes a new introduction and a new chapter on fiction since the millennium focusing on a post 9/11 aesthetic. Every chapter has been revised for the new edition and now includes an initial overview and recommended reading to offer guidance on further study. Includes readings of novels by Martin Amis, Pat Barker, A.S. Byatt, Jonathan Coe, Hanif Kureishi, Salman Rushdie, Will Self, Zadie Smith, Jeanette Winterson among others.

Exit Capitalism Simon During, 2009-09-10 Exit Capitalism re-examines key moments of British cultural and literary history analysing how the decline of the socialist ideal and the emergence of endgame capitalism helped to produce both modern theory and cultural studies as academic fields.

Sarah Waters Kaye Mitchell, 2013-07-18 A multiple award-winning author Sarah Waters is one of the most critically and commercially successful novelists writing today. In such novels as *Fingersmith*, *Tipping the Velvet*, *Affinity* and *The Night Watch* her writing has played compellingly with popular and generic forms and narrative techniques and covered a number of important contemporary themes. This critical guide is the first book to offer a wide range of current critical perspectives on Waters' work. With chapters written by leading established and emerging scholars, the book explores issues such as gender, sexuality, class, time and space in Waters' fiction as well as her appropriation of a range of genres from the historical and neo-Victorian novel to the gothic. The book also includes a new interview with Waters herself, a timeline of her life, chapter summaries and guides to further reading, making this an essential guide to the work of one of the most exciting voices in contemporary fiction.

Marginality in the Contemporary British

Novel Nicola Allen,2011-10-27 The Marginal as a concept has become an integral part of the British novel as it stands at the turn of the century Both popular and literary fiction since the mid 1970s has seen an increasing emphasis on the marginal subject This study offers readings of a wide range of contemporary British novels that represent characters or communities at the margin of society Nicola Allen analyses three conceptual categories representing the marginal subject in the contemporary British novel the character of the misfit or outsider the emergence of the grotesque and the rediscovery of previously marginalized narratives such as myth and fantasy This innovative and original monograph focuses on the contention that the contemporary novel of marginality conveys a belief in the socially transformative powers of narrative and suggests that narrative has played a central role in bringing marginal politics and marginal issues to the fore in contemporary Britain

Graham Swift Daniel Lea,2005 This book offers an accessible critical introduction to the work of Graham Swift one of Britain s most significant contemporary authors Through detailed readings of his novels and short stories from *The Sweet Shop Owner* to *The Light of Day* Daniel Lea lucidly addresses the key themes of history loss masculinity and ethical redemption to present a fresh approach to Swift

The Literary North K. Cockin,2012-06-07 According to Orwell the North was a strange country In an industrial landscape its inhabitants seem to inhabit a bleak world caught in the gaze of 1930s realism Such stereotypes have been tenacious This book challenges these stereotypes establishing the strategic and mobile nature of the North and the effects of literary realism

A History of Twentieth-Century British Women's Poetry Jane Dowson,Alice Entwistle,2005-05-19 Publisher Description

Science Fiction Roger Luckhurst,2005-05-06 In this new and timely cultural history of science fiction Roger Luckhurst examines the genre from its origins in the late nineteenth century to its latest manifestations The book introduces and explicates major works of science fiction literature by placing them in a series of contexts using the history of science and technology political and economic history and cultural theory to develop the means for understanding the unique qualities of the genre Luckhurst reads science fiction as a literature of modernity His astute analysis examines how the genre provides a constantly modulating record of how human embodiment is transformed by scientific and technological change and how the very sense of self is imaginatively recomposed in popular fictions that range from utopian possibility to Gothic terror This highly readable study charts the overlapping yet distinct histories of British and American science fiction with commentary on the central authors magazines movements and texts from 1880 to the present day It will be an invaluable guide and resource for all students taking courses on science fiction technoculture and popular literature but will equally be fascinating for anyone who has ever enjoyed a science fiction book
