Pale Horseman A Novel

Katherine Anne Porter

Pale Horseman A Novel:

On a Pale Horse Piers Anthony, 2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader's mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution *The Pale Horseman* Bernard Cornwell, 2005 THE PALE HORSEMAN the compelling sequel to the bestselling THE LAST KINGDOM Uhtred Northumbrian born raised a Viking and now married to a Saxon is already a formidable figure and warrior But at twenty he is still arrogant pagan and headstrong so not a comfortable ally for the thoughtful pious Alfred But these two with Alfred's family and a few of Uhtred's companions are apparently all that remains of the Wessex leadership after a disastrous truce It is the lowest time for the Saxons Defeated comprehensively by the Vikings who now occupy most of England Alfred and his surviving followers retreat to the trackless marshlands of Somerset There forced to move restlessly to escape betrayal or detection using the marsh mists for cover they travel by small boats from one island to another hoping that they can regroup and find some more strength and support They seek refuge in Athelney a tidal swamp to which Alfred's kingdom has shrunk Uhtred finds himself torn between his Danish foster brother and the winning Vikings and his growing respect for the stubborn leadership of Alfred and help them to take on the Vikings once more THE PALE HORSEMAN is a splendid story of divided loyalties and desperate heroism with a wonderful range of characters from Vikings to British kings in their Cornish fortresses from political but passionate priests to enduring fishermen and farmers desperately striving to survive as the battle sweeps over them Uhtred and Alfred Vikings and Saxons are a winning combination for Bernard Cornwell *Pale Horse, Pale Rider: Three Short Novels* Katherine Anne Porter, 2014-03-25 The classic 1939 collection of 3 novellas by the Pulitzer Prize and National Book Award winning author and journalist including the famous title story set during the influenza epidemic of 1918 In Noon Wine a family struggling to live on a farm in Texas is saved by the unexpected arrival of a mysterious stranger only to have their world upended again by the arrival nine years later of a second stranger The three parts of Old Mortality introduce the teenager Miranda and chronicle her journey of self discovery as she gradually realizes her family's romantic nostalgia for her absent uncle and late aunt bears little resemblance to the truth Miranda returns in the title story Pale Horse Pale Rider She is now working as a drama critic for a newspaper in Denver where she falls in love with a soldier Adam during the influenza epidemic of 1918 When Miranda falls ill Adam cares for her until she is moved to a hospital Throughout her ordeal on everyone's mind is the

war the war the WAR to end WAR war for Democracy for humanity a safe world forever and ever Available in this exclusive Library of America e book edition The Detective Novels of Agatha Christie James Zemboy,2016-03-15 The most popular mystery writer of all time concocted a rich recipe of intrigue character and setting All of Agatha Christie s 66 detective novels are covered here in great detail Each chapter begins with general comments on a novel s geographical and historical setting identifying current events fashions fads and popular interests that relate to the story A concise plot summary and comprehensive character listing follow and each novel is discussed within Christie s overall body of work with an emphasis on the development of themes narrative technique and characters over the course of her prolific career An appendix translates Poirot s French and defines the British idiomatic words and phrases that give Christie s novels so much of their flavor The Pale Horseman Bernard Cornwell,2006-12-26 The last unvanquished piece of England Wessex is eyed hungrily by the fearsome Viking conquerors A dispossessed young nobleman Uhtred is tied to the imperiled land by birth and marriage but was raised by the Danish invaders and he questions where his allegiance must lie But blood is his destiny and when the overwhelming Viking horde attacks out of a wintry darkness Uhtred must put aside all hatred and distrust and stand beside his embattled country s staunch defender the fugitive King Alfred The Pale Horseman is a gripping monumental adventure that gives breathtaking life to one of the most important epochs in English history yet another masterwork from New York Times bestselling author Bernard Cornwell *Great Short Books* Kenneth C. Davis,2023-09-19 An entertaining guide to some of the best short novels of all time looks at works from the eighteenth century to the present day spanning multiple genres cultures and countries Pale Horseman Pale Horseman Bernard Cornwell,2009-03 Synopsis coming soon

The Ashgate Encyclopedia of Literary and Cinematic Monsters Jeffrey Andrew Weinstock,2016-04-01 From vampires and demons to ghosts and zombies interest in monsters in literature film and popular culture has never been stronger This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A Z of monsters throughout the ages It is the first major reference book on monsters for the scholarly market Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor Generic entries such as ghost and vampire are cross listed with important specific manifestations of that monster In addition to monsters appearing in English language literature and film the Encyclopedia also includes significant monsters in Spanish French Italian German Russian Indian Chinese Japanese African and Middle Eastern traditions Alphabetically organized the entries each feature suggestions for further reading The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves The Chinese Translation of Russian Literature Mark Gamsa,2008-08-31 The important place of Russian literature in China is widely acknowledged To better understand the processes of its translation transmission and interpretation during the first half of the 20th century this book draws on an array of Chinese and Russian sources providing insight into the interplay of political ideologies cultural trends commercial

forces and the self definition of Chinese culture in the period under consideration By focusing on the translation and translators of three writers Boris Savinkov Mikhail Artsybashev and Leonid Andreev it analyzes the critical fortune in China of the modernist literature written in Russia during the two decades preceding the Great War and Revolution Offering a thorough study of Lu Xun the most important Chinese author of the 20th century as a reader translator and interpreter of Russian literature this book also displays the variety of the groups and persons involved in the introduction of foreign literature going beyond shopworn generalizations about East and West to make meaningful statements about a complex period in Chinese history

The Bible in Crime Fiction and Drama Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture

Agatha Christie J.C. Bernthal, 2022-08-25 The undisputed Queen of Crime Dame Agatha Christie 1890 1976 is the bestselling novelist of all time As the creator of immortal detectives Hercule Poirot and Jane Marple she continues to enthrall readers around the world and is drawing increasing attention from scholars historians and critics But Christie wrote far beyond Poirot and Marple A varied life including war work archaeology and two very different marriages provided the backdrop to a diverse body of work This encyclopedic companion summarizes and explores Christie's entire literary output including the detective fiction plays radio dramas adaptations and her little studied non crime writing It details all published works and key themes and characters as well as the people and places that inspired them and identifies a trove of uncollected interviews articles and unpublished material including details that have never appeared in print For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles this companion will provide the most comprehensive and up to date information

Allusion in Detective Fiction Jem Bloomfield, 2024-07-09 This study argues that allusion is a central part of classic British detective fiction It demonstrates the fraught status of Shakespeare and the Bible

during the Golden Age of the British detective novel and the cultural currents which novelists navigated whilst alluding to them The first part traces the complex web of allusions to Shakespeare and the Bible which appear in the novels of Agatha Christie and Dorothy L Sayers examining the meanings these allusions produce The second part explores the way in which Sayers own collection of detective novels became a canon on which later novelists exercised those same allusive practices It studies allusions to Sayers novels throughout the twentieth century and into the twenty first from Gladys Mitchell and P D James to Reginald Hill and Sujata Massey This study reveals allusion as a shaping force at the origin of the classic British detective novel and a continuing element in its identity

Desire, Violence, and Divinity in Modern Southern Fiction

Gary M. Ciuba, 2011-02-04 In this groundbreaking study Gary M Ciuba examines how four of the South's most probing writers of twentieth century fiction Katherine Anne Porter Flannery O'Connor Cormac McCarthy and Walker Percy expose the roots of violence in southern culture Ciuba draws on the paradigm of mimetic violence developed by cultural and literary critic Ren Girard who maintains that individual human nature is shaped by the desire to imitate a model Mimetic desire may lead in turn to rivalry cruelty and ultimately community sanctioned and sometimes ritually sanctified victimization of those deemed outcasts Ciuba offers an impressively broad intellectual discussion that gives universal cultural meaning to the southern experience of desire violence and divinity with which these four authors wrestled and out of which they wrote In a comprehensive analysis of Porter's semiautobiographical Miranda stories Ciuba focuses on the prescribed role of women that Miranda imitates and ultimately escapes O'Connor's *The Violent Bear It Away* reveals three characters whose scandalous animosity caused by religious rivalry leads to the unbearable stumbling block of violence McCarthy's protagonist in *Child of God* Lester Ballard appears as the culmination of a long tradition of the sacred violence of southern religion twisted into his own bloody faith And Percy's *The Thanatos Syndrome* brings Ciuba's discussion back to the victim in Tom Moore's renunciation of a society in which scapegoating threatens to become the foundation of a new social regime From nostalgia for the old order to visions of a utopian tomorrow these authors have imagined the interrelationship of desire antagonism and religion throughout southern history Ciuba's insights offer new ways of reading Porter O'Connor McCarthy and Percy as well as their contemporaries who inhabited the same culture of violence violence desired dreaded denied and deified

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities

with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research

The Russian Hero in Modern Chinese Fiction Mau-sang Ng, 1988-01-01 The Russian influence took root in the Chinese intellectual tradition that evolved after the Literary Revolution of 1917 When the Chinese communists turned to Russia for their inspiration they also accepted the Russian version of the novel's form and function in society However they did not accept it uncritically Chinese understanding of the arts goes back for thousands of years and thus Chinese intellectuals brought their own kinds of tradition and intelligence to these new arts and political solutions In this lucid study the author demonstrates how Chinese writers guided by Russian authors such as Chekhov Turgenev and Andreyev created works of art that are both original and Chinese However he also shows that the familiar heroes of such famous novelists as Lu Xun Yu Dafu Mao Dun and Ba Jin have a strong Russian flavor linked to prototypes in the Russian literary tradition The author depicts the fortune of Soviet literature and the fate of the intellectual hero in the People's Republic of China He believes that the humanistic May Fourth intellectual tradition which inspired enthusiasm for classical Russian literature has been revived with the publication of works like Dai Houying's *Man ah Man* and Zhao Zhenkai's *Waves*

Wisconsin Library Bulletin, 1965

A Companion to the American Short Story Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field

and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature The Oxford Companion to Twentieth-century Literature in English Jenny Stringer,1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Gelfant,2004-04-21 Esteemed critic Blanche Gelfant s brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories The heart of the book however lies in Part 2 which contains more than one hundred pieces on individual writers and their work including Fitzgerald Hemingway Richard Ford Raymond Carver Eudora Welty Andre Dubus Zora Neal Hurston Anne Beattie Bharati Mukherjee J D Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene
