Philological And Historical Commentary On Ammianus Marcellinus Xvii

William Lewis (Archaeologist)

Philological And Historical Commentary On Ammianus Marcellinus Xvii:

Philological and Historical Commentary on Ammianus Marcellinus ... Pieter de Jonge, 1972 **Philological and historical commentary on Ammianus Marcellinus, XVII** P. de Jonge, 1977 **Philological and Historical Commentary on Ammianus Marcellinus XV** P. De Jonge, 1948 Originally published by Wolters Noordhoff Groningen in 1948 and 1953 and reprinted unrevised by Bouma s Boekhuis n v publishers Groningen in 1972 **Philological and Historical Commentary on Ammianus Marcellinus: Philological and historical commentary on Ammianus Marcellinus XVII** Pieter Jonge, **Philological and Historical Commentary on Ammianus Marcellinus** Pieter de Jonge, 1972 *Philological and Historical Commentary on Ammianus Marcellinus XVII* P. De Jonge, 1977 *Ammianus Marcellinus and the Representation of Historical Reality* Timothy David Barnes, 1998 This is the first book on Ammianus to place equal emphasis on the literary and historical aspects of his writing Barnes assesses Ammianus depiction of historical reality by simultaneously investigating both the historical accuracy and the literary qualities of the *Res Gestae* He examines its structure and arrangement emphasizes its Greek pagan and polemical features and points out the extent to which Ammianus drew on his imagination in shaping the narrative *Ammianus Marcellinus From Soldier to Author* , 2022-11-28 Ammianus Marcellinus composed a history of the Roman empire from 96 AD to 378 AD focusing on the mid fourth century during which he served in the army His experience as a soldier during this period provides crucial realia of warfare while his knowledge of literature especially the genre of historiography enabled him to imbue his narrative with literary flair This book explores the tension between Ammianus roles as soldier and author examining how his military experience affected his history and conversely how his knowledge of literature affected his descriptions of the Roman army *Ammianus' Julian* Alan J. Ross, 2016-06-17 Ammianus Marcellinus *Res Gestae* holds a prominent position in modern studies of the emperor Julian as the fullest extant narrative of the reign of the last pagan emperor Ammianus Julian Narrative and Genre in the *Res Gestae* offers a major reinterpretation of the work which is one of the main narrative sources for the political history of the later Roman Empire and argues for a re examination of Ammianus agenda and methods in narrating the reign of Julian Building on recent developments in the application of literary approaches and critical theories to historical texts Ammianus presentation of Julian is evaluated by considering the *Res Gestae* within three interrelated contexts as a work of Latin historiography which consciously sets itself within a classical and classicizing generic tradition in a more immediate literary and political context as the final contribution by a member of an eyewitness generation to a quarter century of intense debate over Julian s legacy by several authors who had lived through his reign and had been in varying degrees of proximity to Julian himself and as a narrative text in which narratorial authority is closely associated with the persona of the narrator both as an external narrating agent and an occasional participant in the events he relates This is complemented by a literary survey and a re analysis of Ammianus depiction of several key moments in Julian s reign such as his appointment as Caesar the battle of

Strasbourg in 357AD his acclamation as Augustus and the disastrous invasion of Persia in 363AD It suggests that the *Res Gestae* presents a Latin speaking western audience with an idiosyncratic and Romanized depiction of the philhellene emperor and that consciously exploiting his position as a Greek writing in Latin and as a contemporary of Julian Ammianus wished his work to be considered a culminating and definitive account of the man and his life *Ammianus Marcellinus* Fred C. Jenkins,2015-11-14 In *Ammianus Marcellinus An Annotated Bibliography 1474 to the Present* Fred W Jenkins surveys scholarship on Ammianus from the editio princeps to the present Included are bibliographies editions translations commentaries concordances and indexes Web sites and secondary scholarship in many languages Land of Dreams André Lardinois,van der Poel,Vincent Hunink,2006-06-01 This collection of essays dedicated to A H M Kessels provides an overview of modern Dutch scholarship in Greek and Latin studies with special emphasis on dreams in classical literature classical drama and the reception of Homer

Division of Empire William Lewis (Archaeologist),2024 Division of Empire follows the lives of Constantine the Great s three sons Constantine II Constantius II and Constans beginning with the death of their father in 337 AD and tracing how they first shared the empire as a triarchy until Constantine II was killed by Constans in the civil war of 340 and then Constans was murdered by a usurper in 350 William Lewis uses their story as a case study for how division works as a process rather than a singular event

Rome and Persia at War Peter Edwell,2020-10-25 This book focuses on conflict diplomacy and religion as factors in the relationship between Rome and Sasanian Persia in the third and fourth centuries AD During this period military conflict between Rome and Sasanian Persia was at a level and depth not seen mostly during the Parthian period At the same time contact between the two empires increased markedly and contributed in part to an increased level of conflict Edwell examines both war and peace diplomacy trade and religious contact as the means through which these two powers

competed and by which they sought to gain maintain and develop control of territories and peoples who were the source of dispute between the two empires The volume also analyses internal factors in both empires that influenced conflict and competition between them while the roles of regional powers such as the Armenians Palmyrenes and Arabs in conflict and contact between the two super powers receive special attention Using a broad array of sources this book gives special attention to the numismatic evidence as it has tended to be overshadowed in modern studies by the literary and epigraphic sources This is the first monograph in English to undertake an in depth and critical analysis of competition and contact between Rome and the early Sasanians in the Near East in the third and fourth centuries AD using literary archaeological numismatic and epigraphic evidence and one which includes the complete range of mechanisms by which the two powers competed It is an invaluable study for anyone working on Rome Persia and the wider Near East in Late Antiquity

The Reign of Constantius II Nicholas Baker-Brian, 2022-07-15 Constantius II son of Constantine the Great ruled the Roman Empire between 337 and 361 CE Constantius reign is characterised by a series of political and cultural upheavals and is rightly viewed as a time of significant change in the history of the fourth century Constantius initially shared power with his brothers Constantine II and Constans but this arrangement lasted a short period of time before Constantine II was killed in a contest over authority by Constans Further threats to the stability of the empire arose with the usurpation of the ambitious Roman general Magnentius between 350 and 353 and additional episodes of imperial instability occurred as Constantius relations with his junior Caesars Gallus and Julian deteriorated the latter to the point where civil war would have been on the cards once again if Constantius had not died on 3 November 361 This book examines the dynastic political and cultural impact of Constantius reign as a member of the Constantinian family on the later empire first as a joint ruler with his brothers and then as sole Augustus The chapters investigate the involvement of Constantius in the imperial administrative legal religious and cultural life of the Roman Empire in the fourth century Constantius handling of various threats to Roman hegemony such as the ambitions of the neighbouring Sasanian Empire and his relationships with Gallus and with Julian are explored The book's analysis is guided by the epigraphic iconographic literary and legal evidence of the Roman and Byzantine periods but it is not a conventional imperial biography Rather it examines the figure of Constantius in light of the numerous historiographical issues surrounding his memorialisation in the historical and literary sources for instance as Arian tyrant or as internecine murderer The overarching aim is to investigate power in the post Constantine period and the way in which imperial and episcopal networks related to one another with the ambition of participating in the exercise of power The Reign of Constantius II will appeal to those interested in the Later Roman Empire the Constantinian imperial family Roman Sasanian relations and the role of religion in shaping imperial dynamics with Christianity

Ammianus Marcellinus Dariusz Brodka, 2009 Nach fast 300 Jahren die seit der Verfassung der Annales durch Tacitus vergangen erlebt die römische Historiographie ähnlich wie die gesamte griechisch römische Kultur im 4. Jahrhundert ihre erneute Blütezeit Der bekannteste

Geschichtsschreiber in dieser Periode war ein Grieche Ammianus Marcellinus Die Geschichtswerke des Nicomachus Flavianus der seine Annales dem Kaiser Theodosius widmete sowie der Autoren des 5 Jahrhunderts die m glicherweise Ammians Res Gestae fortsetzten wie etwa Sulpicius Aleksander oder Frigeridus sind hingegen v llig verloren gegangen Im griechischen Bereich war Eunapios von Sardes Ammians Zeitgenosse Eunapios verfasste sein Geschichtswerk kurz nach 404 also sp ter als Ammian 1 Aller Wahrscheinlichkeit nach f llt auf die Zeit um die Wende vom 4 zum 5 Jahrhundert die endg ltige Redaktion der Sammlung der Kaiserviten Historia Augusta Eine gro e Popularit t genossen zu dieser Zeit auch die Breviarien die Darstellungen der r mischen Geschichte in Kurzfassung wie etwa die Breviarien des Eutropius Festus Rufus oder Liber de Caesaribus des Aurelius Victor Um etwa 379 schrieb Hieronymus seine Chronik die auf die westliche historische Tradition gro en Einfl uss ausge bt hat Es ist hier nicht ein Ort alle lateinischen Geschichtswerke aus dieser Epoche aufzuz hlen Wichtig ist hingegen die Tatsache dass zahlreiche wichtige historische Texte gerade in der zweiten H lfte des 4 Jahrhunderts entstanden Das Interesse f r die Geschichte manifestiert sich auch darin dass die alten Historiker kommentiert und ediert wurden Bekannt sind die Bestrebungen des Symmachus das Geschichtswerk des Livius neu zu edieren

The Alamanni and Rome 213-496 John F. Drinkwater, 2007-01-25 The Alamanni and Rome focuses upon the end of the Roman Empire From the third century AD barbarians attacked and then overran the west Some Goths Franks Saxons are well known others less so The latter include the Alamanni despite the fact that their name is found in the French Allemagne and Spanish Alemania for Germany This pioneering study the first in English uses new historical and archaeological findings to reconstruct the origins of the Alamanni their settlements their politics and their society and to establish the nature of their relationship with Rome John Drinkwater discovers the cause of their modern elusiveness in their high level of dependence on the Empire Far from being dangerous invaders they were often the prey of emperors intent on acquiring military reputations When much of the western Empire fell to the Franks so did the Alamanni without ever having produced their own successor kingdom

Empire and Ideology in the Graeco-Roman World Benjamin Isaac, 2017-08-10 Benjamin Isaac is one of the most distinguished historians of the ancient world with a number of landmark monographs to his name This volume collects most of his published articles and book chapters of the last two decades many of which are not easy to access and republishes them for the first time along with some brand new chapters The focus is on Roman concepts of state and empire and mechanisms of control and integration Isaac also discusses ethnic and cultural relationships in the Roman Empire and the limits of tolerance and integration as well as attitudes to foreigners and minorities including Jews The book will appeal to scholars and students of ancient imperial and military history as well as to those interested in the ancient history of problems which still resonate in today s societies

Exemplarisches Erzählen bei Ammianus Marcellinus Frank Wittchow, 2011-05-03 Die Abhandlung tr gt einer neueren Tendenz in der Literaturwissenschaft Rechnung Untersuchungen von Stil und dramatischem Aufbau mit den Ergebnissen historischer Forschung zu verkn pfen Im Sinne des

New Historicism wird deshalb auch danach gefragt welche zeitgenössischen Diskurse in den Res Gestae verhandelt werden Um sowohl das Zeittypische als auch das Besondere der Res Gestae herauszuarbeiten werden die Stile und Darstellungsabsichten des Tacitus und des Ammian deutlich voneinander abgegrenzt und ein Vergleich mit dem Zeitgenossen Aurelius Victor gezogen Abschließend werden die Ergebnisse der Arbeit für die Frage nach dem intendierten Publikum der Res Gestae relevant gemacht

Motion in Classical Literature G. O. Hutchinson, 2020-04-30 Classical literature is full of humans gods and animals in impressive motion The specific features of this motion are expressive it is closely intertwined with decisions emotions and character However although the importance of space has recently been realized with the advent of the spatial turn in the humanities motion has yet to receive such attention for all its prominence in literature and its interest to ancient philosophy This volume begins with an exploration of motion in particular works of visual art and continues by examining the characteristics of literary depiction Seven works are then used as case studies Homer's Iliad Ovid's Metamorphoses Tacitus Annals Sophocles Philoctetes and Oedipus at Colonus Parmenides On Nature and Seneca's Natural Questions The two narrative poems diverge rewardingly as do the philosophical poetry and prose Important in the philosophical poem and the prose history are metaphorical motion and the absence of motion the dramas scrutinize motion verbally and visually Each study first pursues the general roles of motion in the particular work and provides detail on its language of motion It then engages in close analysis of particular passages to show how much emerges when motion is scrutinized Among the aspects which emerge as important are speed scale and shape of movement motion and fixity the movement of one person and a group motion willed and imposed motion in images and in unrealized possibilities The conclusion looks at these aspects across the works and at differences of genre and period This new and stimulating approach opens up extensive areas for interpretation it can also be productively applied to the literature of successive eras

Philological And Historical Commentary On Ammianus Marcellinus Xvii Book Review: Unveiling the Power of Words

Philological And Historical Commentary On Ammianus Marcellinus Xvii Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Philological And Historical Commentary On Ammianus Marcellinus Xvii PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Philological And Historical Commentary On Ammianus Marcellinus Xvii PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Philological And Historical Commentary On Ammianus Marcellinus Xvii free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Philological And Historical Commentary On Ammianus Marcellinus Xvii Books

1. Where can I buy Philological And Historical Commentary On Ammianus Marcellinus Xvii books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Philological And Historical Commentary On Ammianus Marcellinus Xvii book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Philological And Historical Commentary On Ammianus Marcellinus Xvii books? Storage: Keep them away from direct sunlight and in a dry environment.
