Playing Leapfrog With Porcupines:

Playing Leapfrog with Porcupines Maynard Stoddard, 2002-03 **Playing Leapfrog with Porcupines** Maynard Good Stoddard, 2002-04 My Heart's Cries is a collection of divinely inspired poems and narratives that will speak to your heart and move you to step beyond the pain of yesterday and leap forward into God's Promise of abundant life and healing. There are many of us who are living lives of great prominence and significance seemingly with the world at our fingertips. We are established and distinguished people but yet we are hurting and bleeding still carrying around hurts, pains, scars, and bruises from yesterday crying out for help on the inside. Underneath all the smiles, great accomplishments, nice paychecks, and great wealth, there lies emotional and spiritual famine. At some point we must come to terms with the fact that it's time for a reality check. We must be mature enough to embrace change and move forward with a purpose. My Heart's Cries will challenge you to change and in it you will find that the Love of God is the answer to everyone of our Heart's Cries. **Some Porcupines**

Wrestle Barbara Seuling, 2008 Presents unusual facts about animals including their activities, mating habits, and survival tactics. *Adeline Porcupine* Charles Ghigna, 2015-08 Sweet natured Adeline Porcupine is feeling a little left out because all the other animals are cautious because of her sharp quills but with a little help from Arnie Armadillo she joins in the play and makes friends. **Pike's Circus Day** Mel McKee, 2002-02 Pike's Circus Day is the story of The Beck, a Good Witch, and her brother B.C. who has magical capabilities including the option of changing into any animal he wishes. They live a good life in northern Georgia until Pike's two vicious little sons, Ralphie and Mikie, and his hirelings build The Black Tower on a Georgia mountain. This tower is the center of Pike's Hunting Jungle, a place where great exotic animals are kidnapped, caged, and kept until the highest bidder comes along and kills them as they come out of their cages. Pike uses his great riches to control the elements, the country people, and whoever will serve him in his cause of killing in order to make Americans men. The Beck, who operates a successful country restaurant, and B.C. know that because of their powers they have a moral obligation to send Pike and his gang packing while at the same time exposing them internationally so that they cannot go somewhere else and cause the same troubles. The Beck, a lonely girl since the death of her parents when B.C. was born eight years before, gets hurt in this cause but finds Joe, someone to love, and sees B.C. become more and more a man. They not only expend their gifts in this fight but also bring the animals Pike would destroy into the fight to stop him and his gang in The Black Tower. They also use Pike's own worldwide communication system to expose his evil to the world. **Made You Laugh!** Sandy
