Vardell,2006-02-20 From choosing a poem and developing presentations that will keep the audience captivated to using promotional displays and materials Poetry Aloud Here takes the reader through all the steps of introducing poetry for children *Crash Course in Children's Services* Penny Peck,2014-09-26 Useful for newcomers to the children s library staff as well as longtime children s librarians the second edition of this popular handbook provides easy to follow instructions to make innovations in children s library materials work for you Addressing everything from the basics of reference to the complex and highly specialized duties of program development this handbook is perfect for both librarians and support staff who are assigned to the children s department of a library This second addition of Crash Course in Children s Services covers many of the new issues facing children s library staff including eBooks using apps in programming other online reading options book trailers nonfiction and the Common Core curriculum It also describes expanded programming options such as makerspaces gaming dog reading programs and play at storytime Ideal for new children s librarians as well as experienced library staff who have not worked with children recently and long time children s librarians looking to add new skills to their tool kits the book familiarizes readers with all the new developments of the past few years from online reading options to the wealth of new programming aimed at youth You ll learn about subjects such as pop up and passive programming offering online homework help and outreach and services to special needs children and then quickly implement new practices into use at your library Storytelling Janice M. Del Negro,2021-06-24 This book serves as both a textbook and reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians particularly youth services librarians in public and school libraries Storytelling Art and Technique serves professors students and practitioners alike as a textbook reference and professional guide It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills as well as to create community in those same educational spaces This text illustrates the value of storytelling covers the history of storytelling in libraries and offers valuable guidance for bringing stories to contemporary listeners with detailed instructions on the selection preparation and presentation of stories It also provides guidance around the planning and administration of a storytelling program Topics include digital storytelling open mics and slams and the neuroscience of storytelling An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition **Great Books for Babies and Toddlers** Kathleen Odean,2008-12-18 The ideal time to begin sharing books with children is during babyhood even with children as young as six weeks Starting Out Right National Research

Council All parents hope to give their children the best possible start in life Many of them know it s a good idea to read to their children at a very young age not with the goal of teaching their kids to read but with the joy of having special time together looking at pictures and playing with words Carefully chosen books that introduce children to the pleasures of language simple story structure and wonderful artwork are the foundation for a future love of books Great Books for Babies and Toddlers is the first book of its kind a guide to the best age appropriate children s books available Compiled by Kathleen Odean former Chair of the Newbery Award Committee Great Books for Babies and Toddlers provides lively annotations for more than five hundred books divided into two helpful categories Nursery Rhymes Fingerplays and Songs and Picture Story Books for the Very Young With story selections ranging from such classics of children s literature as Goodnight Moon and Where s Spot to excellent new books like How Does a Dinosaur Say Good Night and Buzz Great Books for Babies and Toddlers will be more than a cherished guide for parents it will also be a child s first step in the lifelong adventure of reading

Crash Course in Storytime Fundamentals Penny Peck,2015-01-26 This manual is a one stop shop on how to present storytimes to suit different audiences including bilingual learners special needs children and those in a variety of settings such as Head Start preschools and day care situations This beginner s guide to storytelling traces the developmental stages of very young children illustrating how to present storytime for babies toddlers and preschoolers as well as in family settings to be most effective Author Penny Peck will teach you the fundamentals of reading with the intent of capturing children s imaginations showing you how to incorporate music play and hands on activities into your routine She offers expert advice on how to choose the best picture books and provides lists of books for addressing particular literacy needs A perfect primer for those new to the task this guide illustrates how to make this activity a favorite of children and provides tips for progressing in the role of storyteller with ideas for engaging your audience and enhancing enjoyment Beginning with the basics of performing a library storytime each subsequent chapter builds on that knowledge offering ways to infuse technology special needs adaptations and music into the story The revised edition addresses such current topics as iPads apps usage online options and dance programs

Story Time Success Katie Fitzgerald,2016-06-23 Story time is a popular activity in public libraries Unfortunately many librarians and not just children s librarians are thrust into the role of providing this service have not taken a course or had the necessary experience of performing story times Story times are so popular that they are now offered to children of many ages not just to preschoolers This book will help librarians who have never done story time to learn to promote plan and perform story times and will be useful to experienced librarians to build on their story time repertoires Because story times are essential components of library service to children and in such demand in many libraries even librarians who have never done story time before are being asked to step into that role Story Time Success A Practical Guide for Librarians is comprehensive handbook which can help any librarian learn to promote plan and perform story times even with no prior training or experience Key elements include Customizable planning templates Hints for choosing

appropriate books and other materials Suggestions for overcoming performance anxiety Troubleshooting for common story time problems and pitfalls Evaluation rubrics for performers and supervisors Veterans and beginners alike will find many useful pointers for establishing and improving their story time skills and repertoires **Playtime Rhymes**

Pat-a-Cake, 2018-05-03 This book of favourite nursery rhymes is perfect for any time that you feel like cuddling up with your little one with a book Whether you are reading lots of rhymes as part of a bedtime routine or sharing a just a few of them and doing the actions this collection of familiar comforting rhymes is sure to become firm family favourite Includes favourites such as Humpty Dumpty The Wheels on the Bus and Baa Baa Black Sheep **Lapsit Services for the Very Young II** Linda

L. Ernst, 2001 Guide for librarians to provision of services for the very young This book reflects the latest research findings and awareness of how early learning begins in life Page 4 Useful also for early childhood teachers and parents
