

Portrait Of A President John F Kennedy In Profile

John T. Shaw

Portrait Of A President John F Kennedy In Profile:

Portrait of a President William Manchester, 1967 Portrait of a President William Manchester, 2017-01-10 An up close look at John F Kennedy by one of his closest confidants a New York Times bestselling biographer Written by a prize winning historian and biographer of such giants as Winston S Churchill and Douglas MacArthur this intimately detailed account provides a rare personal glimpse into the emotions behind the Kennedy administration from the elation of victory to the frustrating challenges facing a young president at a pivotal turning point in US history Originally published in 1962 before the assassination of JFK *Portrait of a President* is William Manchester's first biography of the thirty fifth president of the United States In addition to firsthand encounters with JFK the biography draws from over forty interviews conducted in the first year of his presidency In speaking with those closest to the commander in chief both in his administration and his family Manchester captures a complete portrait of one of the most highly regarded figures of the twentieth century This edition includes a new introduction and epilogue written by Manchester in the aftermath of November 1963 adding to the mythos by documenting not just how President Kennedy lived but also the legacy he left behind Portrait of a President William Raymond Manchester, 1962 **The Life and Death of John F. Kennedy** Charles River Editors, 2025-05-01 In many ways John Fitzgerald Kennedy and his young family were the perfect embodiment of the 60s The decade began with a sense of idealism personified by the attractive Kennedy his beautiful and fashionable wife Jackie and his young children Months into his presidency Kennedy exhorted the country to reach for the stars calling upon the nation to send a man to the Moon and back by the end of the decade In 1961 Kennedy made it seem like anything was possible and Americans were eager to believe him The Kennedy years were fondly and famously labeled Camelot by Jackie herself suggesting an almost mythical quality about the young President and his family As it turned out the 60s closely reflected the glossy idealistic portrayal of John F Kennedy as well as the uglier truths The country would achieve Kennedy's goal of a manned moon mission and the landmark Civil Rights Act of 1964 finally guaranteed minorities their civil rights and restored equality ensuring that the country would live out the true meaning of its creed But the idealism and optimism of the decade was quickly shattered starting with Kennedy's assassination in 1963 The 60s were permanently marred by the Vietnam War and by the time Robert F Kennedy and Martin Luther King Jr were assassinated in 1968 the country was irreversibly jaded The events of the decade produced protests and countercultures unlike anything the country had seen before as young people came of age more quickly than ever *The Life and Death of John F Kennedy The Remarkable Life and Shocking Assassination of America's Youngest President* chronicles the president's life and the assassination that rocked the country Along with pictures and a bibliography you will learn about Kennedy's life and death like never before **A Companion to John F. Kennedy** Marc J. Selverstone, 2014-03-24 b A COMPANION TO JOHN F KENNEDY A COMPANION TO JOHN F KENNEDY Marc J Selverstone has compiled an indispensable volume of essays on John F Kennedy and his presidency written by a stellar cast of scholars

What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy's thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California

The Kennedy Obsession John Hellmann, 1999-03-19 John F Kennedy was not only a president but also a symbol for America's most cherished ideas In *The Kennedy Obsession* John Hellmann takes a thoroughly original approach to understanding Kennedy's star power and his carefully crafted public image Tracing Kennedy's self creation as diligent scholar bashful hero and sensitive rebel cued by cultural figures such as Lord Byron Ernest Hemingway and Cary Grant and the images of Kennedy in the aftermath of his assassination Hellmann reveals the painstaking transformation of private life into public persona of a man into perhaps the major American myth of our time

The Wit and Wisdom of John F. Kennedy Alex Ayres, 1996-11-01 Though he did not live long enough to write his memoirs John Fitzgerald Kennedy left behind a legacy of wit and wisdom that still informs the lives and hopes of the American people today Known for his courage and charisma he embodied the youthful optimistic spirit of the mid 20th century American Yet he could also be irreverent When questioned as to how he became a hero in World War II he replied it was involuntary they sank my boat

Humor in the White House Arthur A. Sloane, 2001-03-23 I heard one presidential candidate say that what this country needed was a president for the 90s Ronald Reagan once said I was set to run again I thought he said a president in his 90s Abraham Lincoln in one instance was able to put a serious injury in a humorous light in response to a young woman's question about where a soldier was wounded Lincoln replied Ma'am the bullet that wounded him would not have wounded you Presidents often bring a sense of humor to the White House with them allowing the American public to catch a glimpse of their not so serious sides This book examines how five of the nation's funniest chief executives Abraham Lincoln Calvin Coolidge Franklin D Roosevelt John F Kennedy and Ronald Reagan used wit and humor to their advantage during their terms as president and how their management of the Executive Branch was thereby enhanced As a bonus the effective use of humor by several unsuccessful presidential candidates is surveyed

JFK in the Senate John T. Shaw, 2025-09-23 Before John F Kennedy became a legendary young president he was the junior senator from Massachusetts The Senate was where JFK's presidential ambitions were born and first realized In the first book to deal exclusively with JFK's Senate years author John T Shaw looks at how the young Senator was able to catapult himself on the national stage Tip O'Neill once quipped that Kennedy received more publicity for less accomplishment than anyone in

Congress But O'Neill didn't understand that Kennedy saw a different path to congressional influence and ultimately the presidency Unlike Lyndon Johnson the Democratic leader in the Senate JFK never aspired to be The Master of the Senate who made deals and kept the institution under his control Instead he envisioned himself as a Historian Scholar Statesman in the mold of his hero Winston Churchill which he realized with the 1957 publication of Profiles of Courage that earned JFK a Pulitzer Prize and public limelight Smart dashing irreverent and literary the press could not get enough of him Yet largely overlooked has been Kennedy's tenure on a special Senate committee to identify the five greatest senators in American history JFK's work on this special panel coalesced his relationships in Congress and helped catapult him toward the presidency Based on primary documents from JFK's Senate years as well as memoirs oral histories and interviews with his top aides JFK in the Senate provides new insight into an underappreciated aspect of his political career

Focus On: 100 Most Popular 20th-century American Politicians Wikipedia contributors, *Subject Index of Modern Books Acquired* British Library, 1961 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1966 **The Patriarch** David Nasaw, 2012-11-13 2013 Pulitzer Prize Finalist New York Times Ten Best Books of 2012 Riveting The Patriarch is a book hard to put down Christopher Buckley The New York Times Book Review In this magisterial new work The Patriarch the celebrated historian David Nasaw tells the full story of Joseph P Kennedy the founder of the twentieth century's most famous political dynasty Nasaw the only biographer granted unrestricted access to the Joseph P Kennedy papers in the John F Kennedy Presidential Library tracks Kennedy's astonishing passage from East Boston outsider to supreme Washington insider Kennedy's seemingly limitless ambition drove his career to the pinnacles of success as a banker World War I shipyard manager Hollywood studio head broker Wall Street operator New Deal presidential adviser and founding chairman of the Securities and Exchange Commission His astounding fall from grace into ignominy did not come until the years leading up to and following America's entry into the Second World War when the antiwar position he took as the first Irish American ambassador to London made him the subject of White House ire and popular distaste The Patriarch is a story not only of one of the twentieth century's wealthiest and most powerful Americans but also of the family he raised and the children who completed the journey he had begun Of the many roles Kennedy held that of father was most dear to him The tragedies that befell his family marked his final years with unspeakable suffering The Patriarch looks beyond the popularly held portrait of Kennedy to answer the many questions about his life times and legacy that have continued to haunt the historical record Was Joseph P Kennedy an appeaser and isolationist an anti Semite and a Nazi sympathizer a stock swindler a bootlegger and a colleague of mobsters What was the nature of his relationship with his wife Rose Why did he have his daughter Rosemary lobotomized Why did he oppose the Truman Doctrine the Marshall Plan the Korean War and American assistance to the French in Vietnam What was his relationship to J Edgar Hoover and the FBI Did he push his second son into politics and then buy his elections for him In this pioneering biography Nasaw draws on never before published materials from archives on

three continents and interviews with Kennedy family members and friends to tell the life story of a man who participated in the major events of his times the booms and busts the Depression and the New Deal two world wars and a cold war and the birth of the New Frontier In studying Kennedy s life we relive with him the history of the American Century **The Presidency of John F. Kennedy** James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library The Presidency of John F Kennedy remains the definitive appraisal of Camelot s kingdom

American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography,1978

John F. Kennedy, Jr Elaine Landau,2000-01-01 From his toddler years in the White House to his later successes in the publishing industry this illustrated biography provides an intimate look at the short lived life of this famous American figure

Stuck In The Sixties George Rising,2010-11-08 The 1960s were a colorful tumultuous age that transformed American society Ever since the decade ended Americans have debated the changes that it unleashed While most liberals argue that the era s effects were mainly positive and long overdue conservatives perceive the 1960s as a disastrous time that has left ruinous legacies for us Stuck in the Sixties analyzes conservatives views about the 1960s era and its legacies by examining their discourse about such sixties figures and movements as John F Kennedy Martin Luther King Jr the civil rights movement the Warren Court the Great Society the Vietnam War the anti war movement the New Left and the counterculture

The book reveals that for a generation a focus on attacking and reversing the legacies of the 1960s has been essential to the conservative Republican agenda *Plays about the Presidents* Tim Nolan, Timothy Nolan, 1997 Kids meet the presidents and explore our country's history with this exciting collection of read aloud reproducible plays Subjects include George Washington Abraham Lincoln Theodore Roosevelt John F Kennedy Bill Clinton and many more With background information discussion questions and writing activities to extend learning The dramatic way to highlight this election year For use with Grades 5-8 **Presidential Maxims** Raymond Roberson, 2021-03-11 POTUS does the name give you a positive or negative reaction In a time where our country is extremely divided about the current Presidential role those reactions are mixed but it is certain that this role has shaped our past is still relevant to our day and will affect our future With his power limited by the checks and balances of the federal branches and his duty as commander in chief aside a President's influence can be felt most keenly in the attitudes his demeanor fosters among his nation's citizens it is that influence that drives this book's focus Forty five men in our history have defined this role and their contributions establish a pattern of leadership that we can benefit from now and reap rewards from their influence as individuals to bring change to our communities and ultimately to our country Leadership traits are identified herein for the first nineteen Presidents with birthdays from January to June chronologically their life experiences summarized with brevity to show learned behaviors that can foster a successful life along with quotations that reflect their personal philosophies For instance the well respected George Washington said of his personal standard I hope I shall always possess firmness and virtue enough to maintain what I consider the most enviable title the character of an honest man Through study and personal application of the maxims like these and traits manifest in these men we can each enrich our own domain **Time: Hugh Sidey's Portraits of the Presidents** Editors of Time Magazine, 2004-09-07 Looks at the lives of the last twelve presidents from FDR to George W Bush and includes a profile of each president and photographs that illustrate the complex interplay of personality and power in the Oval Office
