London and bent on founding his own record label A new kind of music sharp hard and dangerous is bursting onto the airwaves on both sides of the Atlantic and Nick wants a slice of the action in particular the work of The Flame Throwers the most provocative assemblage of street smart desperadoes ever to hail from downtown Los Angeles Picking up from where the highly praised Rock and Roll is Life 2018 left off this is the story of Resurgam Records and the personal traumas and tragedies that attended its coruscating rise until the time when as so invariably happens the dancers shuffle to a halt and the music stops Taylor s 1 000 watt satire is set half in the real rockbiz Philip Norman has observed and half in an imaginary one whose monsters are just as believable and unbelievable A near narcotic treat *The Fortney Encyclical Black History* Albert Fortney Jr.,2016-01-15 The Encyclical Black History has been created for the critical and lack of vital Afro Centric Multi Curriculum text in urban school systems and is a necessity for African Americans This book was created with careful and serious attention to biographical names that identifies history culture as well as biblical characters The reason why of this encyclical history can be explained with the facts and proof evidence of the following The point that has socio psychological implications at the unconscious as well as the conscious level is the great little white racist lie seen long enough becomes the truth like portraying a white Jesus Christ who was a black man Dr Alvin Poussaint a Black psychiatrist associated with Harvard University and others have observed and explained the most tragic part of all of this is that the African American has come to form his self image and self concept on the basis of what white racists have laid down as a guide or prescribed Therefore black men and women learn quickly to hate themselves and each other more than their white oppressor There is almost infinite evidence that racism has left almost irreparable scars on the psyche of Afro Americans that burden with an unrelenting painful anxiety that drives the psyche to reach out for a sense of identity and self esteem Poussaint and others say that black children especially learn to hate themselves at very early ages Studies reveal their preference for white dolls over black ones One study reported that black children in their drawings tend to show blacks as small incomplete people and whites as strong and powerful To conclude in western color symbolism white is positive and black negative Many people might ask why the contributions of Africa should be included in American curriculum Is because they bleach and still rob black history and culture with black pictured as white that lie leaves us mentally dead angry and without purpose of where we are going Human culture is the product of all humanity not the possession of a single racial or ethnic group Afro centric Multicultural educations major aim is to close the gap between Western ideals of equality justice and practices that contradict these ideas Stereotype people of color and people who are poor have just about no opportunities to become free of perspectives that are monoculture that devalue African culture victimize them mostly having an inability to fully function effectively in society Many of these problems could be miraculously remedied with astonishing results if explained of black scientific achievements which occurred in black Africa There are also white African Americans living in the U S A besides black African Americans should make the distinction Carl Sandburg 1979 related a dialogue between a white American and

an American Indian which illustrates the need for multicultural education The white man drew a small circle in the sand and told the red man This is what the Indian knows and drawing a big circle around the small one this is what is what the white man knows The Indian then took the stick and swept an immensely big ring around both circles and said this is where the white man and the red man knows nothing
